An enjoyable show on a very hot day, all credit to the Show Management for providing huge fans which did help to cool the Hall. My thanks go to them for the invitation to judge and from my husband for the pressie, he loves the marmalade! Grateful thanks to Judy for her company and expert stewarding skills, Judy handled the cats so well and obviously loves Siamese and Oriental cats.

### **Breed Classes**

#### **AC - Grand Champion Adult Oriental**

1<sup>st</sup> (Gr withheld) WILLS' CH COCOBA ZAFFIRA (OSH n 03 33) F 20.5.14

A good sized young queen with a medium almost straight wedge head and good top of head. Strong 'roman' profile, some front teeth missing but bite looked level, firm chin. Deep set oriental eyes of deep blue. Large ears, flared but needing a little more width between for balance. Lengthy firm body, long legs, neat paws long tapering tail. Short fine coat with dark seal points and tonal shading, white to over the required one third with inverted V on mask, white chest, up around neck, broad striped under stomach and 4 white paws. A shy gentle queen in excellent condition, sorry to withhold but for me she does not quite have the type for a grand.

2<sup>nd</sup> (Res Gr withheld) CLOTHIER'S CH REDFEET RIBBONSNBOWS (OSH f 03 33) F 01.5.13

Purrry friendly queen of good type with a medium minimally pinched wedge and good top of head. Profile almost straight, untidy bite, firm chin. Expressive oriental eyes of good colour. Large flared well set ears. Long plump body, slender limbs with tapering tail of balanced length. Short fine coat with seal points patched with red and tonal shading with just the required one third white, white patching on mask, narrow in places under stomach, up around neck, 4 white paws. She had a small bare patch on the back of her neck. Comfortably presented.

Considered for Grand:

WRIGHT'S CH COCOBA FLUTTERBY BUTTERFLY (OSH a 03 33) F 22.7.13

This lovely queen would almost certainly have been my winner but she was not in show condition today, I did call the Duty Vet to check a large bare patch on her chest and another small patch on her neck.

RICE'S CH BELLAMEZE HEARTOFGLOSS (OLH m) M 10.3.14

Good sized young queen but she really does need more coat for a longhair, especially for a grand certificate.
