IMPERIAL CLASS – AC GR PR BURMESE NEUTER MALE

IMP MRS M Chapman- Beers' GR PR TRIBUNE DOBBY (BUR a (27a)) MN 13.08.2012

Lovely solid blue boy with a fabulous coat. His medium ears are set well apart on his gently rounded top of head. He has good width at the cheeks tapering to a short blunt muzzle. In profile he has good depth of skull, a gently rounded brow and a good nose break leading to a short straight nose. His bite is correct. He has large expressive chartreuse eyes that are a good shape and set. His body is firm and muscular with slender elegant legs finishing in neat oval paws. His tail balances. His coat is a lovely soft blue with lots of silvering to rounded areas. It is short and close lying with a lovely silky sheen. He was presented beautifully and is a really cuddly boy who behaves impeccably.

IMPERIAL CLASS – AC GR PR BURMESE NEUTER FEMALE

IMP MRS L Portsmouth's GR PR BARBIZON PIQUET (BUR a (27a)) FN 26.03.2012

Pretty blue girl. Her medium ears are broad at the base and rounded at the tip. I would prefer them set slightly further apart on her gently rounded top of head. I would also, for perfection, prefer a little more width at the cheeks but the outer line of her ears does follow the upper part of her face which tapers to a short blunt muzzle. In profile she has good depth of skull, a gently rounded brow and a good nose break leading to a short straight nose that ends in the same vertical plane as her medium depth chin. Her bite is correct. She has lovely large lustrous chartreuse eyes and has the withering Burmese expression off to perfection. Her elegant body is firm and muscular. Her legs are slender and end in neat oval paws. Her tail tapers to a rounded tip and balances. Her coat is short and close lying. It is a soft blue with a good amount of silvering to rounded areas. She was beautifully presented but not in the best of moods.

IMPERIAL CLASS – AC PEDIGREE PET GRAND MASTER CAT MALE

Fantastic class with 5 gorgeous boys entered who were all worthy of the Imperial.

IMP Miss R L Hart's GMC WINTER STAR (Semi Longhair – White) MN 1yr 2mths

Very appropriately named boy as he is a real star. A stunning boy with a real look of health and vitality. He has a firm muscular body and is a good weight for his size and age. His white coat was groomed to perfection with every bit a bright winter white, even the tufts on the bottom of his feet. His gorgeous expressive yellow eyes contrast with his coat. He knows he is a star and shows himself off to perfection but he is also a real sweetie and really seems to enjoy all the attention. Congratulations to his owner the certificate is well deserved.

RES Miss K Layflurrie's GMC MELVIN (Short Hair – Cream) MN 5 years

Gorgeous big boy with lovely gentle expression. He is a very good weight for his size and his body is firm and muscular. His rexed coat is a lovely rich warm cream just moulting a bit but still clearly well groomed. He has lovely yellow eyes. A gentle laid back boy who seems very relaxed about being judged and just wanted to be made a fuss of.

BLUE BURMESE ADULT

BOB Mrs Chapman-Beers OBIGC CATAMARIAN EVITA (BUR a (27a)) F

Stunning girl who I have had the pleasure of judging on many occasions. She was relaxed and showing herself off to her best today.

NON PEDIGREE - SH SELF (SINGLE COLOUR) CAT

BIC Ms C Berry's UK IGMC IVAN (Short Hair – white) MN 6yrs 6 mths

Nice boy who is very good size and weight. He was very well groomed with a bright white coat. He has lovely expressive yellow eyes. He wasn't the happiest in coming out of his pen but behaved well once he was on the trolley.

PEDIGREE PET – SH SELF (SINGLE COLOUR) CAT

Another fabulous class of boys and another very difficult decision.

BIC Mr & Mrs D E & C Ellis IGMC TEDDY (Short-Hair – Chocolate) MN 11 years

Wow what a super boy. He has a firm muscular body and short close lying coat that belies his 11 years. His coat is a lovely warm milk chocolate and groomed to perfection with a real sheen to it. He has green eyes that have that glint of mischief in them. He has a gorgeous personality and was perfectly happy to sit in my arms and purr away. In this fantastic class he was to me the perfect pet cat who could happily share my home any day.
