

A great weekend with great company. Many thanks to Elaine for the invitation to judge and to the Wessex Cat Club for their hospitality. Also many thanks to Colin Stone for stewarding for me, excellent in looking after both the cats and myself as always, I look forward to the next time.

ANY OTHER FOREIGN PREMIER FEMALE

1 GPC RANSOM'S PR TYPHAST BRANDA BEN n 24 FN 23.8.13

Approaching two years old lady of very good size and weight with a long body, sleek and muscular with proportionate, strong legs and rounded paws. Good length tail, thick and even, carried low and with a rounded, dark tip. Short to medium length coat, fairly dense, soft and luxurious in texture. Brown Spotted Bengal of golden rufus ground colour with clear 'M' on face, pencil lines on cheeks, chin straps and vertical streaks over head. Large black rosettes some multi-coloured and some arrowhead spots. Broken lines and spots on legs, rings on tail and spots on tummy. Medium wedge with rounded contours, good cheek bones and head correctly small in proportion to body. I would prefer just a little more breadth to top of head. In profile gentle curve from forehead to bridge of nose, slight concave curve to nose then a trifle long but straight to tip. Nice muzzle, level bite but slightly shallow chin. Good whisker pads. Medium sized ears following the outer contours of the head, wide at base and rounded at tips. Almond shaped, pale green eyes, large and correctly slanted towards the base of the ear. Nice natured, handled better in rather than out of the pen.

AC BURMESE PREMIER FEMALE

1 GPC VIRTUE'S IGRCH & PR HOBBERDY HIGGLEDY PIGGLEDY BUR f FN 4.2.06

Nine and a half years old lady looking rather splendid at her age. Very good size and weight, almost substantial, with a good firm feel to her and well balanced. Medium to longer body, proportionate length, shapely legs and neat oval paws. Well shaped tail needs a fraction more length to balance body. Coat is fairly short, slightly dense but still close lying and of excellent texture. Prettily mingled Brown Tortie Burmese of rich, deep brown and shades of red. Fairly short, blunt wedge. Very good width to gently rounded top of head between well set and shaped ears of goodly size. In profile slight rounding to brow, good nose break and fairly short, straight nose. Level bite and fair depth chin. Very good size and nice shape to pale chartreuse eyes well set. Lovely temperament.

RGPC BELL'S UKIGRCH & PR HOBBERDY MEDORAS GOLDBERRY BUR d FN 24.6.05

A substantial ten years old lady of very good size and weight with a well filled tummy but still well balanced. Proportionate length, shapely legs and neat oval paws. Fairly good length to thickish tail which tapers slightly towards tip. Coat is a trifle long, slightly dense but still close lying and of superb texture. Red Burmese of lovely bright rich tangerine. Good width to gently rounded top of head between well set and shaped ears of goodly size. Profile shows slight flattening to brow, fairly good nose break, nose a trifle long but straight. Level bite but slightly shallow chin. Good size and shape to chartreuse eyes well set. Nice natured.

AC RAGAMUFFIN KITTEN

1 & BOB CANN'S CHEHAM M'LADY-HAS ATTITUDE RGM n 0321 F 25.2.15

Brown Tabby and White RagaMuffin, a new kid on the block at four months of age and a rather cute one at that, showing promise. Nice head of good breadth and moderate length with rounded contours to cheeks. In profile gently rounded forehead, good nose break and medium length, straight nose. Level bite, slightly shallow chin, puffy whisker pads form good rounded muzzle. Slight forward tilt to medium sized ears set well apart and well furnished. Large, walnut shaped eyes set well apart and golden in colour. Good size and weight for age to body with proportionate breadth to chest, shoulders and rump. Good bone to legs and large, rounded paws. Good length thick tail tapers slightly to tip and fairly full fur. Fluffy kitten coat at present is soft and developing undercoat and length. Super temperament.

USUAL ABYSSINIAN NEUTER

BOB BARKER'S IGRPR COPPICE VIA REGGIO ABY n MN 22.4.12

Very large, strong boy of three plus years of age. Gently rounded contours to head which is gently rounded from top of head to brow. Good, gently rounded width between the ears forming a moderate wedge which tapers to a slightly rounded muzzle formed by a defined indentation. I would prefer just a little more strength to cheek bones. In profile very slight nose break then nose is almost straight to tip. Level bite but slightly shallow chin. Large well cupped ears set wide apart, pricked with light furry inner edges and neat tufts at tips, outer line of the ear follows the outer contours of the face. Large, expressive, yellow coloured eyes set well apart, full almond shape and oriental in set. Excellent size and weight to body with a straight back and rounded rib cage,

WESSEX CAT CLUB SHOW 4TH JULY 2015

JUDGE – HELEN MARRIOTT-POWER

well balanced with long, well boned legs proportionate to body and large oval paws. Good length tail is thicker at base and tapers gently to tip. Coat is a trifle long but fine, close lying and dense in texture. Usual Abyssinian of ruddy orange base colour with excellent black ticking showing distinct bands of colour. Black facial markings. Pale hair on chin, around eyes and dark edge to eyelids. Ruddy orange coloured ears with darker tone to tips. Black ticking colour more intense down spine and tail to a black tip and part way up the hocks. Faint broken necklaces. Lovely temperament.

TONKINESE NEUTER

1 PC & BOB CAPELING'S TONKAHOLICS LIGHT FOOT TOS em 32 MN 24.1.14

Seventeen months old boy shown in lovely condition. Gently rounded top of head of good width between ears, moderately proportioned wedge with a rounded muzzle and definite whisker pinch. Profile shows slight flattening to brow, very slight nose break then nose straight to tip. Level bite and fair depth chin. Medium to larger sized ears, slightly taller than wide, broad at base, oval tips and pricked forward and set well apart. Large full almond shaped eyes, set well apart greeny-blue in colour. Elegant, longish body of good weight and muscle tone, well balanced with rounded chest, slender, proportionate length legs and neat oval paws. Tapering tail needs fraction more length to balance body. Coat is a trifle long but close lying, fine, soft and silky with a good sheen to it. Apricot Tonkinese well coloured with contrast between body and points but bloom over head made me feel he was more like a dark cream. Sweet natured.

BLUE BURMESE ADULT

BOB CHAPMAN-BEER'S OBIGC CATAMARIAN EVITA BUR a F 13.8.10

Nearly five years old lady of excellent size and weight to medium to longer length body with a good firm feel. Proportionate length, slender legs and neat oval paws. Nicely shaped, gently tapering tail just balances body length. Very nice coat is short, close lying and of excellent satin like texture. Blue Burmese of nice and even medium blue colour with a silvery sheen to rounded areas. Fairly short, blunt wedge. Very good width to gently rounded top of head between well set and shaped ears of goodly size. Profile shows gentle rounding to brow, good nose break and fairly short, straight nose. Level bite and fair depth chin. Lovely 'burmese' expression to pale yellow eyes of very good size and shape set well part. Lovely temperament.
