

SCOTTISH REX CAT CLUB 2015

MRS D MILLIGAN

I'd like to thank the Scottish Rex Cat Club for inviting me along to judge. I had a marvellous day and an extremely difficult day with such a wonderful entry of cats. The committee worked hard to make it a lovely day at this friendly well run show.

I'd also like to thank my wonderful steward who did a fantastic job and gave me some great advice.

Class 102

1st BOC - Ms E Stewart

A lovely gentle girl with fantastic temperament and thick beautifully presented brown tabby coat. She was in immaculate condition, coat gleamed. I loved her long white whiskers.

Class 112

GMC - Ms E Allison

A lovely chestnut brown sweet boy, with the cutest pink nose. He was very muscular and had a beautiful shiny coat, wonderfully presented on the day. He was very chatty and didn't mind being handled at all. He looks great for his age, and his chatty nature just gave him the edge to win today.

RGMC - Mrs J Picknell

Lovely present Seal Point boy with stunning coloured eyes. Lovely muscular lean body. Fantastic coat, fully covered in waves, he had the sweetest face and was just a little shy on the day.

Class 116

1st MC & BOC - Mrs D Mcfadyen

Gorgeous soft thick coat, well groomed Seal Point girl with a gentle sweet temperament. She had beautiful eyes with great long whiskers. Was shown in immaculate condition, a credit to her owner. I enjoyed having this beauty out for a little cuddle today.

2nd - Mrs D McFadyen

A Cream shaded girl also shown in very good condition, lovely thick well groomed coat and looks amazing for her age. She was a little shy than the winner in this class.

Class 118

1st MC & BOC - Mr & Mrs Godfrey

I loved this cat. A large very majestic blue boy, shown in immaculate condition. He had an amazing thick coat, strong striking features, and was very talkative. He was happy to come out and be examined, of course a little cuddle too. I would have loved to take this boy home.

2nd - Mrs J Picknell

A lovely chestnut brown sweet boy, with the cutest pink nose. He was very muscular and had a beautiful shiny coat, wonderfully presented on the day. He was very chatty and didn't mind being handled once out his cage. He looks great for his age. This was an extremely tough class.

Class 123

1st - Mrs E Stewart

I fell in love with this big Cream guy, immaculate condition, thick luxurious coat groomed to perfection, thick bushy tail, not a knot in sight, lovely short nails. Eyes were gorgeous orange gold, simply stunning!! Stood beautifully for me and was happy to be handled.

2nd - Mrs L Coyne

Another stunner, immaculate condition, with a thick white coat, not a stain in sight, just beautiful. Also had nice short nails. Bright green captivating eyes. This was very difficult class, hardly anything between these cats.

Joint 2nd - Mrs D Mc Fadyen

A Cream shaded girl also shown in very good condition, lovely thick well groomed coat and looks amazing for her age. She was a little shy than the others in this class.
