Many thanks to Kate Ekanger and the committee for the invitation to judge at this specialist show. The atmosphere was very pleasant indeed and I was made very welcome! The home cooked lunch was simply wonderful. Thank you also to Nybee Carter, my Steward on the day.

However, a very special thank you must go to my Second Steward, Miss Akira Carter, This was her very first stewarding appointment and she took to it like a duck to water! Akira was keen to do well and took her appointment very seriously indeed. A superb aptitude was shown by her for handling our outstanding exhibits, which she did with great care. I hope we can do it again Akira.
