

## Longhair Cream and Blue Cream Cat Association

5<sup>th</sup> September 2015-09-09

This was my 1<sup>st</sup> time judging in the HP and Pet Peds section. I had a lovely day with my daughter Thea as my steward. We had some super cats to handle, thank you for the invite to judge. A lovely double show, friendly atmosphere. Great show team, food was excellent . We had a toast to remember Kim Board Allem, which she would have enjoyed.

Gorgeous LH Silver tabby Pewter boy, super texture to his coat, even if he is wearing his summer coat still a nice length to it. Lovely green eyes, nice weight , super friendly. He was groomed to perfection and smelled lush. Only cat in this class but well deserved. Well done to his owner a credit to you!

Lovely young female tortie girl, face split of colour, coat pattern nicely broken, pretty eyes, silky coat. A little unsure of herself out of her pen. But I am sure her confidence will grow. My nomination for BIS HP...Well done!
