OLYMPIAN ADULT FEMALE

What a class of quality females, so difficult to judge which is as it should be. I could have easily awarded each one the Olympian but sadly could not as I would have been in trouble..... again!

OLY MRS E BROCK'S UK & OSIGC KARAMUSHI TUTI FRUITY (SIA f) F 4/8/07 - Seal Tortie Point Siamese who is very pretty and does not look her age. Body is long and elegant, she is well balanced and she stands on slim legs on small oval feet. Head is well proportioned with good width between her ears which are large, pricked and wide at the base. She has a fine muzzle with a straight profile, strong chin and level bite. Eyes are oriental in shape and are a wonderful intense blue. Points are all broken with shades of red. Coat is a good length, fine in texture and glossy to the touch. Tail is long and tapering. She is a real poser, stretches herself for you and looks down on you with an imperious expression. I believe I have made her up to Olympian Gold, huge congratulations.
