Grace Denny Classes.

It was a great pleasure & privilege to judge for these two clubs which was so enjoyable & the lunch provided was excellent. The exhibits were splendid type & condition & I was more than pleased to note the absence of the exaggerated types which have been appearing on the show bench - more recently which is certainly not to the standard laid down for the breed.

I thank my steward most sincerely for his undivided attention & fresh throughout the day, namely Mr [redacted] & I congratulate him on becoming an Oriental Judge.
