### **SIBERIAN ADULT MALE**

1<sup>ST</sup> CC W/H MRS V BLACK'S DORIAN TAYMUR of LIZZARA (SIB n 23) M 6/11/14 - Brown Tabby Siberian. I feel that this young man is still very much a work in progress. Head is very triangular in shape. Short broad wedge needing much more rounded contours. Ears of medium size which are set wide apart and well furnished. Pale orange slightly oval shaped eyes. Nose of uniform width with a slight concave curve at the bridge. Level bite. Well prepared coat of medium length that is lacking in undercoat. Well furnished tail which reaches at least the shoulder blades.

BOB MRS G McGOWAN'S CH ESAYA STARDUST (SIB ns 21) M 18/3/13 - Black Silver Tabby Siberian. Head was in good proportion to his body. Short broad wedge with well rounded contours and a rounded muzzle. Ears of medium size which are set wide apart and well furnished. Green slightly oval shaped eyes. Nose of uniform width with a slight concave curve at the bridge. Level bite. Cheekbones low set, with good breadth and connected by a gentle, rounded line to the whisker pads and chin. Well prepared coat of medium length with a very dense undercoat that is soft and fine covered by a coarser topcoat. Well furnished tail which reaches at least the shoulder blades.

### **SIBERIAN ADULT FEMALE**

1CC MRS G McGOWAN'S DYFRIG PRINCESS PUSHKA (SIB as 21) F 4/5/14 - Blue Silver Tabby Siberian. Head is in good proportion to her body. Short broad wedge with rounded contours and slightly rounded muzzle, cheeks still need to fill. Ears of medium size which are set wide apart and well furnished. Orange slightly oval shaped eyes. Nose of uniform width with a slight concave curve at the bridge. Level bite. Cheekbones low set, broad and connected by a gentle, rounded line to the whisker pads and chin. Well prepared coat of medium length with a very dense undercoat that is soft and fine covered by a coarser topcoat. Well furnished tail which reaches at least the shoulder blades.

### **BLUE POINT BIRMAN KITTEN**

1<sup>ST</sup> BOB MRS J SHARP'S TWEEDIEMILL WIZARD of OZ (SBI a) M 1/6/15 - Blue Point Birman. Body is a good shape and size for his age. Skull is broad and rounded with good width between ears that are medium in size. Eyes are medium blue and almost round. Nose is medium in length with a slight dip in profile and full blue leather. Good bite. Cheeks nicely full. Well prepared coat. Pure white even

gloves. Socks are pure white and cover the entire back paws. Good length to gauntlets. Points a blue grey and all matching. Tail is bushy and medium in length.

### **RAGAMUFFIN KITTEN**

1<sup>ST</sup> BOB MRS L McDOWELL'S CHEHAM MAYA (RGM a 03 b21 32) F 28/3/15 - Blue Tabby and White Ragamuffin. Well grown and well balanced with a sweet expression. Rectangular body with good muscling. Heavy boned standing on legs which are medium in length. Broad head with good length and rounded contours. Good width between well placed ears. Eyes are large and walnut shaped. Coat is medium long, plush in texture, dense with an undercoat. Well defined pattern to her coat. Well furnished tail.

### **AC COLOURPOINTED NEUTER**

BOB MRS E ORBELL-McQUEEN'S CH & GR PR BEAUNOUVEAU TANIA BOREAQLIS (BRI b 33) FN 25/11/10 - Chocolate Colourpointed. Her body is a good shape and she stands on short fat legs. Head round and smooth with small neat ears that are spaced nicely apart. Large round blue eyes. Nose is short, broad and straight with a slight break when looking in profile. Level bite. Cheeks nicely full. Points are a good shade of chocolate and his body is ivory with slight shading on body. Coat is good length and texture. Tail is medium in length, thick with a rounded tip.

### **BLUE BURMESE NEUTER**

BOB MRS I WALKER'S GR PR KARAKORAM JEEVES (BUR a) MN 2/7/13 - Blue Burmese with a typical Burmese expression. His body is medium in length and he is heavier than she looks. He stands on slender legs on neat oval paws. Head is carried on a medium neck and is in proportion to his body. He has a short wedge needing a little more width at the cheekbones and tapering to a blunt finish. Top of his head is slightly rounded and his ears are set well apart and tilted slightly forwards. They are a little generous at present. I would like a little more depth between the top of his skull and his lower jaw. Brow is slightly rounded and he has a distinct nose break followed by a straight nose which is in the same vertical plane as his chin. Eyes are large and lustrous, chartreuse in colour with the top line of the eye slanting towards the nose and the bottom line rounded. Coat is short, fine and lies close to the body. It is a soft blue grey with a distinct silver sheen on ears, face and feet. Texture is good. Tail is a good length and rounded at the tip.
