

THE LONGHAIRD CREAM & BLUE CREAM CAT ASSOCIATION
SATURDAY 05TH SEPTEMBER
JUDGE: BARBARA SINCLAIRE

Thanks to Sally Tokens & the committee for inviting me to this friendly, well organised show. Thanks go to my ever patient steward, whom handled the cats with due care and attention. A most enjoyable day.

BLUE ADULT MALE

1 HAWKES ZENITH VIRGIL (PER a(3)) 05/08/14

Blue male, quite well grown, now needs to mature. Medium ears, quite well placed. Good round eyes, colour could be a little deeper. Short, broad nose, good stop. Scissor bite. Would like the coat to be a little longer but was dense in texture. Coat on the darker blue side. Tail in proportion.

BLUE ADULT FEMALE

BOB ROBERTS GR CH ALASKAN BLUE SPICE (PER a(3)) 07/06/11

Good top of head, ears held a bit high. Round eyes of good colour. Medium length nose. Scissor bite. With a full ruff. Good Persian shape. Short tail. Full coat of pale blue colour. Well prepared and pleasing temperament.

1 CC HEATHS PALCHINNO CELESTIAL GALAXY (PER a(3)) 12/10/14

A real sweetheart. Neat ears, for perfection could drop a little (but still plenty of time!). Good Persian shape, well prepared coat of mid blue colour, paler to the roots. Full tail in proportion. Expressive round eyes of good copper colour. Cheeks quite full. Good bite. Ears quite well placed. Would have liked a little more ruff to frame her face.

AC SELF BREEDERS ADULT FEMALE

1 HAYNES CH ANSTEYN PALOMA PICASSO (PER f(11)) 24/07/10

Tortie lady, lovely top of head, rounded forehead. Neat ears, short broad nose, good nostrils and break. Cheeks quite rounded. Missing a few upper teeth. Well prepared coat, for perfection could be a wee bit longer and warmer in colour. Good Persian proportions.

Pretty lady, showing good contrast between the red and white colours. Showing red to all four legs and across her face. Good round, bold, expressive eyes. Short broad nose. Rounded cheeks. Firm chin. Very well prepared full coat, soft to the touch. Good Persian proportions. Handled well.

AC DEBUTANTE KITTEN

1 PEARMANS SIMCRIS JEZEBEL (EXO n03(70 12a1)) 09/03/15

What a charmer! Very well grown, black and white lass. Good round eyes, colour coming in well. Snub nose, good nostrils and good bite. Cheeks filling. Strong legs, well rounded paws. Plush coat, excellent contrast between the jet black and glacial white coat. Showing black to face, back, tail and rear legs. Pleasing personality.

2 POTTERS RIASCATZ HEARTS DESIRE (IMP)(PER e03(12a7)) 07/03/15

Promising cream and white bi-colour lad. Very, very well grown (had to look twice to believe his age!) Well placed ears. Expressive, bold, large, round eyes, colour developing. Short broad nose. Good bite. Very good strong, fat legs. Full tail in proportion. A joy to give this cat a cuddle today.

3 MERCHANTS TSENG REMILAKAT RUBY (EXO ds11(70 51d)) 23/04/15

AC NOVICE NEUTER

1 FLINTS RIASCATZ CRÈME DE LA CRÈME (PER e03(12a7)) 20/03/14

Shining example of a cream and white bicolour. Good top of head. Wee round tipped ears, set far apart. Round eyes, short nose, good stop. Good bite, firm chin. Fabulous presentation to the glacial white and pale cream coat colours, which covered his strong Persian shaped cobby body. Laid back gentleman, whom deserved his 1st place placing today.

AC VISITORS NEUTER

1 FLINTS RIASCATZ KEY TO MY HEART (PER a03(12a2)) 05/07/10

Super blue and white bicolour, a real showgirl and shown in tiptop condition today. Very large head, small round tipped ears, very well spaced. Large bold, round eyes. Short broad nose, apple cheeks, good bite. Glacial white and mid blue colours, beautifully presented. A joy to handle.
