

## **South Western Counties Cat Club Show – 26 September 2015**

### **Judge's Report - Susan Newman**

*My thanks to Jane and her team for inviting me to judge at this show and for the gift. Congratulations on a very successful show. I had some lovely cats, including some very special ones in the Household Pet section. Kirt Ware was my steward, handling all the cats with great care. Thank you, Kirt.*

Just 5 months old and very attractive. Lovely apple head with medium ears, good orange eyes, short nose. Heavy brow. Bite a little untidy, firm chin, well rounded muzzle. Cobby and in excellent balance, short legs, medium length tail. Short, crisp coat. Correct face lines, clear butterfly, symmetrical oysters, clear spine lines. Leg bars, tail rings. Spots on abdomen. Her markings are of chocolate and light red on a chocolatey silver ground. The tortie is well mingled whilst the tabby markings are clearly defined.

I have judged this boy recently and my comments remain the same except that today he was looking more relaxed and with better show preparation. I understand he was made up to Grand today – congratulations to his owner.
