**19 th September 2015**

Thank you to Heather, Richard and the committee for the invite to judge at this very friendly pleasant show. It was a pleasure to be in my home City Of Glasgow. I had Lovely cats to judge today and thank you to the exhibitors for bringing and showing your lovely cats under me without you there is no show. I was very grateful to Peter for stewarding for me again and his pleasant company and his very gentle handling of the exhibits, which the cats appreciated. I rather liked the venue, my first visit to the Scotstoun Leisure Centre. I had the pleasure of judging the Best in show Semi Long Hair Adult and my choice was a beautiful Blue Birman lad who I was delighted to see went overall Best in Show, congratulations to his proud owner/breeder.
