

MRS SALLY RAINBOW-OCKWELL

Many thanks to Heather & the team for the invite to judge at this friendly show. Wonderful hospitality and some super cats. I was fortunate to have Ruth Thomson again as my steward. She handles the cats with great care and expertise and is great company too. Thanks for all your help, Ruth, and for marking my catalogue. I look forward to the next time.

AC Persian Self Grand Class for Ch Male; GCC Withheld. 1 AGUIAR'S CH TONGOBRIGAR FREDERICO (PER d, 21/2/14). Red lad of stunning type. Wonderful top of head with neat ears. Very expressive huge copper eyes of excellent shape. Very short broad nose. Excellent width to his cheeks. Bite fractionally undershot. Firm chin. Fairly full coat that sadly needed loads more show preparation especially underneath – he was also showing knots on his legs. Mid red in colour but showing very heavy tabby markings. Well grown body of good shape. Short full tail to balance. Lovely show temperament. A wonderful boy – so sad that he was let down by presentation.

AC Persian Tabby, Smoke or Cameo & White Adult Female; 1 CC BOB HAMILTON'S ALGERNON AMOUR (PER n 03 21, 24/11/14). Sweet Brown Tabby & White girl of good type. Good top of head with neat ears. Excellent breadth to his head with medium ears that are set very well. Pale green eyes of lovely size and good walnut shape. Nose showing good break in profile. Very good breadth to his low-set cheekbones. Broad muzzle with level bite & good chin. His coat was well prepared, but unfortunately at present it's very short and completely lacking in undercoat, so lying very flat. It also makes him look tall on his legs today. Diffused black tabby markings against a mid silver ground colour. His body shape is good, but he is slightly lacking in body weight at present. Strong legs with well rounded paws. Tail of good length to balance, quite well furnished. Lovely show temperament. I look forward to seeing him again when he is in better coat with a bit more weight.

well, but rather large. His eyes are slightly green in tone, good shape & fairly good size – but they are a little hooded, which spoils the expression. Mid blue coat that is close lying and of good satin texture. Body of good size & shape. I was sorry to withhold the BOB, but this boy is no longer adolescent, and still doesn't have the head type & balance for this award.
