**AV IMPERIAL GRAND CHAMPION ADULT MALE:** Olympian Certificate HOBSON-KELLY'S UK GR & OSIGC NOBILERO RUAIDHRI SEAININ (SPH d 03). Alert lad who poses well and having a lovely temperament. Large ears are wide at base and well set, wrinkles to forehead between. Large expressive lemon shaped eyes are set well apart. Prominence to cheek bones and whisker pads, with a whisker pinch to muzzle, a little coat on muzzle. Profile shows a slight stop, chin just level. Slim, muscular body of very good weight with slim legs and long toes. Fine tail of good length, some bristle. Of very good overall type and in fine condition. I later awarded this boy Best Foreign Adult, congratulations.

Reserve not awarded. 2<sup>nd</sup> MILLER'S IGR CH MAFDET QUICKSILVER (Sia n 21). This lad was really on his toes and feeling rather hormonal I feel, therefore not showing himself off to his best. Rounding to top of head between large ears of good shape but held rather low, showing thumb prints to backs. Oriental shape to eyes which looked deep set and would not oblige to open them fully. Long head with rounding to fine muzzle. Profile is virtually straight, chin recedes and would like more depth, untidy teeth. Slim, long body is muscular, obviously a working lad and rather slim across haunches. Well shaped slim legs with neat oval paws. Slight shading to body with dark brown ticking, showing clear contrast to the points, clear dark brown tabby markings on limbs and tail with dark brown coloured tip. Coat lies well. Tail of good shape, but got rather bushy due to his mood.
