Judges Report: Diana Sanderson

I would like to say a huge thank you to Lesley Szwed for asking me to judge at this year's Supreme Cat Show. Her help and knowledge was invaluable during the day and I was honoured to be asked. A great day was had by all and I have to say this was a really friendly happy show. I was ably assisted by my very good friends Sarah Louise Walker and Dawn Chaffe and my daughter Stephanie Chamberlain who had never stewarded before. Thank you ladies for making it such a wonderful day. You did a sterling job with your encouragement and endless enthusiasm. Finally judging for the overall Supreme HHP cats was a great honour and the highlight of my day.

Class 1114a – AC SH IGMC for cats with 1 UK GR – MN

A fabulous class of 4 wonderful boys.

Mrs D Lewis' OSIGMC Mr Tigga – **Awarded the UK & BOB**

A large teddy bear tabby boy. He has super colour and markings with lovely eyes. He had a lot to say for himself and kept the audience entertained. He was very confident and knows he's wonderful, he told us all he was. He was a joy to handle and loved all the attention. I loved this boy and I was more than happy to award him his second UK and Best of Breed.

Mr M Patrick and Mrs M N Reed IGMC Tigger **2nd place**

A huge big boy who has a super temperament. He ran my first a very close second. I loved his deep red markings and he was shown so well today. His large eyes took everything in and he was calm and happy to be shown. He is a boy who certainly loves his dinners but certainly not fat. He ran my first boy very closely and it was a very hard decision to split the two.

Mrs D Pritchard IGMC Oliver **3rd place**

Another lovely big boy. He had a super coat and was very well presented. He has lovely large eyes and took it all in his stride. He had good boning and weight and was a good size for his age. He was a little shy today but possibly the day was a little overwhelming for him. His black coat was deep with no signs of brown or flecking. Who doesn't love a black cat.

Dr K E Ford IGMC Boris Agrippa **4th place**

A large tabby boy who has super markings. I especially loved the deep black stripe which ran straight down his back and middle of his tail right to the end. He has the most wonderful expressive eyes. Unfortunately today he was not happy out of this pen and was happier to be admired from inside the pen. A lovely gentle boy however.

Class 1114b AC SH IGMC for cats with 1 UK GR - FN

Mrs H Simpson IGMC Mandyy – **Awarded UK & considered for BOB**

A super big girl. I loved her colour and she was shown so well today. She wasn't as confident out of the pen or being held and was happier with all 4 paws on the table. Once back in the pen she had the most super purr.

Class 1125 SH Ginger Cat or AC Tortie or Tortie Tabby Cat

Miss I Grenville, Leo MN – **Awarded MC & BOB**

What a lovely young man. Gentle and inquisitive. I loved his deep golden eyes and the little white spot on the end of his nose looked like a spot of white paint. He was just a little teddy bear who seemed to be enjoying his day and the attention. Such a sweetie who took it all in.

Class 1130 AC SH IGMC for cats with 1 UK GR

Oh my goodness what a class. 5 of the most wonderful big gentle boys. My hardest to judge by far.

Mrs S Lee OBIGMC Billy Boo MN – **Awarded UK & BOB**

A face that just needs to be squeezed and squeezed. Such a gentle big boy who smiled with his mouth and eyes. He had the softest coat of red and was well prepared. He had beautiful large round expressive eyes that you could fall into. All he wanted to do was play and be happy. He preferred to have all 4 paws down on the table but with that face who could resist his wants and needs. He certainly knows how to show himself off. He is one cat you just want to take

home and cuddle. My best of breed today but was run very closely. However he would fit nicely in my handbag. Unfortunately his owner had other ideas.

Mrs S L Miller IGMC Bob MN 2nd place

Well what can I say. The most friendly pick me cat I've seen. Silky brown fur who was prepared to his last hair. He has the most wonderful expression and eyes large and green. All he wanted to do was purr and roll over and be tickled. A super star. I also wanted to take this boy home too. This was such a hard decision and I really was splitting hairs over this boy and the boy who got the UK and BOB. I see this boy going far.

Ms B M Bower IGMC Casper MN 3rd place

Super super curly boy. He had a wonderful soft curly coat of black who was so happy he just paddy pawed. His eyes said today "I'm great and happy". He had a lovely soft purr and loved all the attention he got today. Another contender today, It was such a shame he was in a class of such wonderful boys.

Miss C Brooks IGMC Azizi Irisi MN 4th place

A weighty boy who oozed confidence. His sleek coat was the softest lilac with slightly darker lilac points to his face which framed his lovely ice blue eyes. He had a lot to say and talked to everyone today and was happy to be showing off. Loved his fabulous fangs too. A super class today with such tough competition.

Mrs J L Stanbridge IGMC Solitaire MN 5th place

I loved this big boys markings. He was a gentle chocolate colour with super spots and stripes. He was happier being cuddled today and I was happy to oblige. He talked all the way through his cuddles and was a little shy today. A lovely boy in a large class who was happier burying himself under his blanket. A gentle boy.

Class 1140 SH Self (single colour)with or without white

Miss C Hazel, Alice FM Awarded MC & BOB

My prettiest girl of the day. She had lovely deep golden eyes in a lovely compact head and body. Her white was pristine and the black is as dark as it gets. A shy baby of 14 months old. I loved her gentle way. She loved hiding her face in my arm and I was happy to let her. One to watch in the future I think. I loved this girl and was more than happy to award her MC and BOB today.
