

SUPREME SHOW. 24<sup>th</sup> October, 2015

Val Kilby.

Many thanks to my hard working stewarding team, Lillian and Mike Eames, and Harriet Campbell, I do hope they all enjoyed their day.

#### SPHYNX KITTEN, MALE.

All the Sphynx kittens were of a very high standard and were a joy to handle, lots of purring from them, they all seemed to be thoroughly enjoying themselves.

1<sup>st</sup>. & BOB. Lewis's SPHYNXBASTET JESTER, SPH E 32)

Well grown boy with pleasing temperament. Very good head shape, medium length to the wedge. Large wide based and well set ears. Good profile line, chin of moderate depth. Well shaped eyes. Fine suede like coat. Strong elegant and muscular body, long slender limbs with cushioned paws. Long fine tapering tail of good length for balance.

2<sup>nd</sup>. Brynes's ONATUREL LITTLE BOY BLUE, SPH a)

Well grown and active boy with a lovely temperament. Well balanced head with a medium length wedge. Ears large and wide at the base, and well set. Good profile line, moderate chin depth, bite level. Well shaped and expressive eyes. Short fine suede like coat. Strong elegant body with long limbs and cushioned paws. Long fine tapering tail to balance.

3<sup>rd</sup>. Cawley's JADED GENETICS STAR GAZER, SPH a)

Weighty and elegant boy with a lovely temperament. Strong head shape with a medium length wedge. Ears large and well set, wide at the base. Good profile line, prefer chin a little stronger. Well shaped eyes. Fine suede like coat. Well muscled and elegant body. Long fine limbs with cushioned paws. Long fine prehensile tail, good length for balance.

4<sup>th</sup>. Singfield's NINAVETTA SMOOTH OPERATOR, SPH c)

Well grown boy with lovely temperament. Good head shape with a medium length wedge. Large well set ears, wide at the base. Good profile line, chin of fair depth. Well shaped eyes. Short soft suede like coat. Good body shape, strong and elegant. Long slender limbs with cushioned paws. Tail long and tapering, good length for balance.

#### SPHYNX KITTEN, FEMALE.

1<sup>st</sup>. Brynes's ONATUREL BLACK MADONNA, SPH n)

Well grown and stylish youngster with a lovely temperament. Well balanced medium length wedge with good width across the eyes. Lovely large well set ears, wide at the base. Well shaped and expressive eyes. Fine suede like coat. Strong and elegant body shape, long fine limbs with cushioned paws. Good length to the long fine tail.

#### OCICAT KITTEN, MALE.

1<sup>st</sup>. & BOB. Caunter's THICKTHORN BALTI, OCI b)

Well developed boy with good style and weight. Strong head shape, medium length wedge with a broad muzzle. Good ear size and setting. Good profile and chin lines, bite level. Expressive well shaped eyes, hazel in colour. Good coat texture, good warm tones to the base coat. Dark chocolate spotting on the body is well defined. Good facial pattern, leg bars and tail rings.

Strong elegant body shape, well proportioned limbs, tail of good length and tapers well.

AZTEC KITTEN, FEMALE.

1<sup>st</sup>. & BOB. Bryce's ANIZZ CALLISTA ESTEL, AZT b)

Well grown girl with a lovely temperament. Good head shape, medium wedge with a strong muzzle. Ears of good size and setting. Good profile line, chin of moderate depth. Expressive and well shaped hazel eyes. Good coat texture, good warm tones to the base colour. Warm chocolate body pattern complete with butterfly and oysters. Good facial pattern, leg bars and tail rings. Strong elegant body shape, limbs proportionate. Good tail length.

SINGAPURA KITTEN, FEMALE.

1<sup>st</sup>. & BOB. Smith's JANAMEL CARAMEL POPCORN, SIN)

Well grown youngster, full of energy and with a good temperament. Strong head shape, good width across the eyes. Ears of good size and setting. Good profile and chin lines. Large expressive eyes, hazel in colour and with the desired masked outlines. Good coat texture. Good old ivory base colouring. Distinct sepia ticking. A little salmon toning on the ears. Elbow smudges present. Lithe body shape. Well proportioned limbs and tail length.
