

Many thanks to Celia and the Supreme Committee for the invitation to judge and for their hospitality. I had a great day with my stewards Pam and Alice Beard-Smith and David Denny, excellent in looking after both the cats, I look forward to the next time. An excellent entry of Ragdolls which we all enjoyed handling with their lovely temperaments and for the most part outstanding presentation of their coats.

1 & BOB REYNOLDS'S DENENA SOMEKINDAWONDERFULL RAG n F 6.4.15

Pleasing head type. Good width between medium ears, well set. Evidence to flattening plane. Slight dip in profile. Level bite, fair depth chin. Medium blue eyes well set apart. Well grown body, good length well balanced with good length fairly bushy tail. Medium boned legs and rounded paws with neat tuft. Developing length to coat, silky, some density, hint of ruff. Pale beige body colour with nicely matching deep brown points. Promising kitten. Lovely temperament.

2 ALAND'S LEIBLING FORGETMEKNOT RAG g F 28.4.15

Pretty kitten. Nice broad top of head, flat plane developing, nice width at cheek bones, good muzzle, slight pinch at present, level bite, firm chin. Well set medium sized ears. Nice expression to intense blue eyes. Very good size and weight to longish body, firm feel, proportionate, well boned legs and rounded paws. Good length tail with some bushy effect. Silky coat developing density, some length, hint of ruff. Bluish white body colour, tortie points of grey-blue with touches of cream. Legs slightly paler. Lovely temperament.

x2 KAY'S PUSSYCATDOLLS YTUE ENVEY RAG a F 10.3.15

Broad top of head between well set ears of medium size. Still developing flatness to brow, slight dip in profile, nose a trifle long. Developing breadth still at cheeks and muzzle, still teething. Level bite and good depth chin. Large, obliquely set eyes, lovely intense blue in colour. Well developed coat, silky and dense, good length, nice ruff and knickerbockers. Clear bluish white body colour with medium blue points, marginally paler on paws. Sweet natured.

3 COCKBURN'S CAIRNSBRIAN DAISY DUKE RAG a 04 F 14.4.15

Attractive kitten. Very good width to top of head, well set medium sized ears. Good development to cheeks, good muzzle, level bite, firm chin. Slight rounding over forehead. Slight dip in profile. Good size, very weighty, fairly long body, medium boned legs, rounded paws. Bushy effect developing to tail. Hint of ruff. Silky coat, fairly dense, length starting to show. Pale tonal shading to body colour. Matching blue points. Neat white mittens and socks, chin and bib. Mid blue eyes, prefer them larger for perfection. Nice natured.

4 BAXTER'S KYETSI ZENOPHIES BAE RAG a F 26.2.15

Well grown kitten. Nice breadth to top of head between well set medium sized ears. In profile plane flattens, fairly strong dip, straight to tip. Level bite but slightly shallow chin. Good size and weight to long body, proportionate boned legs and rounded paws. Good length fairly bushy tail. Hint of ruff to side of face, some density to silky coat developing length. Slight shading to bluish white body colour. Matching medium blue points. Pale to medium blue eyes well set, prefer a trifle larger for perfection. Sweet natured.

5 JAMIESON'S MERCHEYDOLLZ I TOLD YOU SO RAG c F 18.4.15

Very well grown kitten. Good width to top of head between slightly generous but well set ears. Nice development at cheeks, pinch at present, nice muzzle, level bite, slightly shallow chin. Rounding over forehead at present. I would prefer eyes a trifle larger with more intense blue colour. Excellent long body, firm, proportionate legs and large rounded paws. Longish tail with good bushy effect. Excellent presentation to coat showing some length and hint of ruff. Pale clear magnolia body colour and pale lilac points, paws paler. Sweet natured.

6 SMITH & FOSTER'S BLUDIAMONDS ENIGMA RAG n F 2.6.15

Nice breadth to top of head between neatly set ears. Rounding over forehead at present, slight dip in profile, hint of retrousse tip. Cheeks developing, still teething, untidy bite, strong chin. Eyes set well apart, large, prefer more intense colour. Very good size and weight for age to longish body, medium boned legs, rounded paws. Bushy effect showing to tail. Fluffy baby coat still, promising colour, pale body colour. Seal points, paws marginally paler. Sweet natured.
