

Supreme Cat Show 24th October 2015

Exhibitor Corner

What can I say, I am still stunned from yesterday at the Supreme. But here is the lady Saffi aka **Supreme UK, OGIGC Karamushi Tuti Fruity**. She was retiring from showing yesterday, no matter what she did bless her & she certainly went out on a high. I 1st must thank Karen for letting me have such a beautiful baby, as without her she would have not been here today. Then I thank all of the judges over her showing years. Then all the lovely comments she has been given from fellow exhibitors, friends etc. She will now retire to being a lady of leisure, wanting for nothing. She is so so special to me. Thank you everyone.xxx

I'm absolutely thrilled that my gorgeous "Teddy" had such a fantastic result at the Supreme Show.

Imperial Grand Premier Kolinga Emrys won his first UK Grand Challenge, Best of Breed, Best of Variety British Neuter, Supreme Neuter and Overall Supreme Best in Show. Subject to GCCF confirmation, his title will become **SUPREME UK IMPERIAL GRAND PREMIER KOLINGA EMRYS**.

Thank you to Colleen and Andrew Brown for entrusting him to me, my dear friend Stuart for his support, all judges who thought so highly of him, the stewards and the show management team who contributed to a fantastic once in a lifetime experience.

We had a great day at the Supreme Cat Show.

This was my beautiful kitten **Kolinga Penny Lane's** first show. She was awarded second place in her class, which made us very proud! She is a joy to own and a credit to her breeders.

Congratulations to all involved and well done to the organisers for putting on such a great show!

Miss Sandra Rieger

Congratulations to our new baby White SeaExo **Blue Angela**, on her fantastic show debut at the Supreme, winning her open class BOB and nominated for BOV we waited many months, for Angela and she travelled thousands of miles to get to us, but she was worth the wait.

Well done Angela

It is with great pleasure that i announce that **Nebelung Brumeux Man Ov Steel** (Neb69) gained yet another Merit and Best of Breed at the Supreme Show 2015, many thanks to judge Mark Pearman. He then went on to be considered for BOV - something that in all my years of showing has never happened!!! He also went on to win Best Nebelung Pen by the RACCS, many thanks to them for the gift. Congratulations go to the other Nebelungs that were at the show on Saturday too as they also had a very good day.

After a terrible year in my private life this wonderful blue squirrel of mine has made me smile again. Huge thanks go to his wonderful breeder Teresa Bryant for all of her help and kindness over a difficult time. Also thanks to all of my cat show friends of whom there are so many that have been around when i really needed some support. The cat

fancy is a wonderful place to be when a shoulder is needed.

Had an amazing day at the Supreme, wonderful atmosphere and very well run, congratulations to all who worked so very hard to make it run smoothly. Our star of the day was Jack, our red Selkirk boy who gained his 2nd UK Grand Premier certificate so, subject to GCCF confirmation, is now **UK & Olympian Bronze Imperial Grand Premier Crinkles Jack Frost!** Many thanks to his judges, Ronnie Brooks last year and Jan Bradley on Saturday. To be fair, he was the only one in the class due to the absence of the other cat, but, as the judge said, she could have withheld if he wasn't up to it, but, happily for us, she felt he was! So very proud of our boy and so very grateful to his breeder, Kelly Dove, for not only breeding such a lovely example of the breed, but also for entrusting us with him 8 years ago. When we first brought home this bundle of red fur we never could have dreamed of the milestones he would reach for the breed, our only thought then was - could he possibly become one of the 20 qualifying cats to gain the breed championship status? He not only did that but, has exceeded all our hopes and expectations and Saturday was truly the icing on the cake!
