

SUPREME CAT SHOW  
24TH OCTOBER 2015  
MRS SANDRA MOORE

The Thirty-Ninth Supreme show was a magnificent event put on by a polished team, at the helm Celia Leighton and her superb show committee. The hall was buzzing by the time we got there, with everyone busily decorating their pens putting the finishing touches, the theme being Witches and Wizards there was plenty to enjoy and smile about. My hard working stewards are to be congratulated, not only for getting up so early, but having just moved house lock, stock and cats just days before, and also showing too! Thank you so much Simone and Nick Ensor and Amanda Lachlan for all your help, not forgetting our ring supervisors who made sure everything ran like clockwork.

UK GRAND & BOB ADAMS UK&IGRCH & IGRPR AREZZA MY FAIRLADY (SBI c 21)  
(FN) (22.02.2006) Lilac Tabby Point. What a sweetheart I love her type. Very pretty and feminine lovely coat groomed to the last hair, which is full and soft textured with a rich silky feel, and clear right to the roots. Points colour is so very well defined soft lilac with a pleasing pale base for the all important tabby which can be seen to all points, right down her tail with light rings just visible. Nicely matching snowy white feet. She has an almost fairy like quality which makes it difficult to believe she is now over 9 years of age . Groomed to the highest degree, she does show herself off really well, winning the Best of Breed over some very nice exhibits. Very well done to her proud owner/breeder.
