

JUDGES REPORTS ON THE SUPREME SHOW HEDS ON SATURDAY 23RD OCTOBER

Very many thanks for the invite to judge I had some really lovely cats. Special thanks to my stewards – chief steward Sue Kirk and Paul Allen and Gareth Stone. We had a very enjoyable day together and they worked really hard making sure the cats were handled with care.

Many thanks to everyone who showed their cats under me.

I had the pleasure of judging Best of Variety Neuter in the end it came down to two

1 a beautiful blue point birman female of over 8 years old and Spence GR PR BLUDIAMONDS TYGRA and Blue Colourpointed ragdoll with a lot of attitude but I loved her after a tough decision I awarded best of Variety to the Birman Bushs's IGRP PR TARKUSHA SAFFIYA

AC OR PATTERN RAGDOLL IMPERIAL GRAND PREMIER FEMALE

1.UK GR PR Pearson IGR PR DENENA LILLY LE LOU Seal pointed

A typical female expression, Super rich seal points. Her eye colour was stunning so deep blue large and spaced well apart with a slightly oblique set. Medium length nose with a gentle dip to the profile. Broad head with flat plane between medium sized ears that had slight tilt forward. Good body shape and weight with well boned medium length legs and large, rounded and tufted paws. A well prepared silky soft coat. Long tail balanced to body and tapering at tip would have benefited from being a little bushier. Delightful temperament and a really lovely girl.

AC BI COLOUR RAGDOLL PRE PREMIER MALE

1pc Gibson and Leighton RAGATO VENUS DE MILO seal pointed bi colour

Only 18 months old and he is already a large boy of substantial weight his body supported by well boned medium height legs. Paws large and round and well tufted. A full soft silky coat with bushy tail that tapered at tip. Broad head with flat plane between medium sized ears that had slight tilt forward and were well feathered, a little more attention needed around the ears that were a little greasy. Nose was of medium length but I would have liked a more gentler dip to the profile. Cheeks well developed with good bite. Large blue eyes spaced well apart and slightly oblique, Inverted V commences on forehead and working downwards to cover nose, cheeks and whisker pads. All limbs with the exceptions of the left back white to the underbody, the left has colour at the top of the leg. Very nice boy to judge.

AC MAINE COON GRAND PREMIER MALE

1 IMP GR PR Edwards GR CH AND GR PR DARKTOWER INDIGO Blue

Long body of very good weight with square rump. A very handsome laid back lad. Head medium length with strong square muzzle and good chin and bite. Large yellow eyes spaced well apart with a slightly oblique set. Fairly full cheeks and high cheek bones. Little tufts to well feathered large ears which were nicely set on head but the fur was a little greasy around the ears. . Well boned legs with large paws which had tufts of fur appearing from under the paw. Would like a little more length to his flowing fur tail. A lovely feel to coat that was a little short at present. He had a lovely expression.

2. Houlden GR PR WISSCASSETJAK FROST Odd eyed white

What a long well prepared snowy white coat with a long ruff framing his head. Tail fur profuse and flowing but in need of more length to the tail. Medium length head with square muzzle and firm chin, Fairly full cheeks and high cheek bones. Nose of uniform width however the profile was to straight . Large ears with good tufts to tips and good featherings. Large well opened odd coloured eyes spaced well apart with a slightly oblique set. A lovely rectangular shaped body. Large paws to substantial legs. Tufts of fur between the toes on paws. Laid back and in excellent condition.

RED CREAM OR TORTIE TABBY AND WHITE MAINE COON CHAMPION FEMALE

1 GR CH CH EMPURRER BRIDGET JONES Tortie tabby and white

A wonderful glossy top coat of excellent colour and pattern with her white areas snowy white. Medium length head but needs a stronger muzzle. High cheek bones. Tall large well feathered ears with good width at base. Lovely large green eyes set slightly oblique and well apart. Profile shows shallow curve on nose of uniform width. A fairly long body of rectangular shape and good substance with a long tail with profuse flowing fur. Substantial boning to legs with large paws which had tufts of fur appearing from under the paws. A very attractive girl with the sweetest of temperaments
