

Show report for the supreme show held on 24 October 2015 by Jan Bradley

Many thanks to Celia and the supreme committee for my invitation to judge and a big thank you to Eve, Karen and Mel, my "A" team for their expertise in handling cats and paperwork on the day, we had some great cats and enjoyed our day very much, thank you for entering and allowing us to handle them.

British Blue kitten male.

1. HUTCHINSON MAKRISSNIC SPONGEBOB, very well grown boy born end April, showing very nice width and roundness to head, short nose, level bite and firm chin nice profile, round gold eyes, medium ears nicely positioned with broad top of head,

Great bone and confirmation, lovely weight for age, exactly as he should be, 😊

Dense coat, but would like to be shorter, fair texture, mid blue colouring slightly paling to roots, tail in good balance to body, lovely natured chap.

2. SCHALIKATZ CASANOVA ROYALE, similar age to winner, balanced boy with full rounded head, very short nose, level bite, quite a strong profile, nice expressive gold eyes, medium ears fitting into contour of head, fair body would like to see him more compact and heavier for age, good boned legs and paws, very good coat crisp and short, has a nice spring to it, blue banded in colouring, nice tail in balance to body, sweet chap handled well.

3. BROWN KOLINGA HEY JUDE, may kitten youngster of the class, nicely put together, showing good width of head roundness developing, short nose level bite, round pale gold eyes, medium ears a little flat across top of head, good compact body, nice strong boned legs and paws, coat showing good density, mid blue colour paling to roots at present, tail in good balance, again lovely natured boy.

4. CISZEWSKA ADIFTON SMOKY, small framed boy born April, fair width of head, needs more roundness rather a prominent muzzle, short nose level bite, fair chin, round pale gold eyes, would like to see him more compact and heavier for age, coat short quite nice density and texture, blue banded in colouring at present, tail in balance, sweet natured boy.

Blue Female kitten.

1&. BOB FARRELL IPAWZ RUBY ON THE RAILS, lovely well grown girl born end of January, very nice balanced width and roundness to head, attractive profile short nose with level bite and firm chin, round gold eyes, nice expression, ears fitting in to contour of head, great body compact strong boned legs and paws, excellent coat, short dense and crisp, sound mid blue colouring, tail in balance to body, nice natured girl, shows lots of promise 😊

2. RIEGAR KOLINGA PENNY LANE, very nice well grown girl born May, nice width of head, roundness developing, short nose level bite, chin rather shallow, nice expressive round gold eyes, medium ears with good top of head, compact body with good boned legs and paws, short dense very crisp coat, lovely spring to it, mid blue showing some silvering, tail a tad short for balance to body, sweet natured girl.

3. CISZEWSKA ADIFTON CHUBBYCHOPS, April kitten, showing good width of head, needs more roundness, short nose, level bite chin rather shallow, round pale gold eyes, medium ears fitting in to contour of head with fair width between, body need to be more compact and heavier, fair legs and paws, coat short fair density, blue silvered and paling, tail thin, but of good length, sweet natured girl,

AOC British or Manx imperial Grand Premier

1IMPGR PC & BOB COLOURPOINTED neuter WARDLE IGRPR ADATESH BLUE

SNOWMAN, masculine blue colourpointed boy born February 2008, wonderful sized boy, in excellent condition for age, full broad rounded head, short nose level bite and firm chin, good profile, round expressive blue eyes, medium ears fitting in to the contour of his head, with good width between, excellent body large compact with strong boned legs and paws, short crisp coat of fair density, matching blue well filled points, mask, ears legs and tail, magnolia body colouring with blue shading shimmering over body in keeping with points, tail in good

balance to body, excellent well mannered chap.

2.(BOB tipped Neuter)MCEWEN IGRPR GREENDALE TRAVIS, black tipped chap born April 2011, lovely size and confirmation with very balanced rounded and broad head, short nose with good brick red nose leather, level bite, firm chin, round green eyes with attractive black liner, nice width across top of head with neat ears fitting in to contour of head, lovely boned boy with great compact body, deep chest, large paws with black pads, dense crisp coat but on the long side, showing very nice even black tipping throughout, complemented by pale silver ground colouring, tail in good balance, great to handle.

Two lovely examples of their breed.

British colourpointed premier

1GRPC LACEY COOK GRCH PR ALEJANDRO MORGANITE, Lilac Colourpointed boy born March 2014, had a busy show career by his current title, but today seemed a little cheesed off with the whole showing business, managed to have a quick assessment of him, as he was a worthy winner of his grand PC.

large well developed chap with lovely full broad head, short nose, level bite firm chin attractive profile, round very alert pale blue eyes, nice ears set in to the contour of his head with good width between, excellent balanced body strong boned legs and paws, great coat short dense and crisp. Clear magnolia body colouring with pale lilac points well filled on mask, ears and tail, legs slightly paler and blending at top in to body, tail of good length in balance.

AOC British or Manx Grand Premier

1 IMP GRPR PARR IGRCH GRPR PARRADAZY POPSTAR, very attractive feminine COLOURPOINTED girl, well grown, born May 2008, good condition for her age, lovely rounded broad head, short nose, level bite and firm chin, attractive profile, round pale blue eyes, medium ears placed nicely into the contour of her head with broad top of head, balanced compact body with strong boned legs and paws, good short Dense crisp coat, attractive well filled points of warm lilac and cream mingled on ears mask, legs and tail, complemented by clear magnolia body colouring, tail in good balance, lovely to handle.

AC Selkirk REX Grand Champion
