

Many thanks to Chris and Janet for the invitation to judge and to The Lancashire Cat Club for their hospitality. Also many thanks to Maria for stepping in to steward for me at the last minute, excellent in looking after both the cats and myself, a great day in excellent company.

AV IMPERIAL GRAND PREMIER FEMALE

1 OGRPC RATHBONE'S CH & IGRPR JAYSHELM TAMARISK SIN FN 27.7.10

Elegant four plus years of age Singapura lady. Nice head when viewed from the front of rounded skull with nicely rounded width at outer eye, narrowing to definite whisker break. Medium, short, broad muzzle with blunt nose. In profile rounded skull and slight stop just below the eye line, then nose has slight bump in line to tip. Level bite but slightly shallow chin. Fairly large ears, wide at base, deep cupped and tilted slightly outwards. Large eyes with dark outline, held wide open, pale green in colour. Nicely balanced with medium size and length to body of very good weight and slender legs tapering to small oval paws. Well shaped tail, slender and with a blunt dark tip. Excellent coat is short, fine, silky and close lying. Base colour to coat of pale ivory with deep sepia brown ticking, showing clear bands of colour. Ticking colour more intense down spine. Muzzle, chest, stomach and inner legs of unticked ivory. Barring on inner front legs and back knees only. Nose leather mid-dark salmon with dark outline. Cheetah lines from inner corner of eye towards just behind whisker pads. Brown spurs on lower back hind legs. Hint of broken necklace. Nice natured.

ROGRPC CLARKE'S IGRCH & IGRPR KARLAC JAYLENE BUR b FN 20.8.04

Eleven plus years old lady shown in excellent condition. Medium to longer body of very good size and weight with a well filled tummy but still well balanced with good muscle tone. Proportionate length, shapely legs and neat oval paws. Well shaped tail just balances body length. Coat is a fairly short and close lying and of excellent satin like texture with a lovely sheen to it. Chocolate Burmese of warm toned, medium to darker chocolate with slightly darker contrast masking to face and ears. Good width to gently rounded top of head between well shaped ears of goodly size, she was tending to hold them a trifle low but looked much improved when in the pen. In profile very slight rounding to brow, fairly good nose break, nose a trifle long but straight. Level bite but slightly shallow chin. Good size and shape to chartreuse coloured eyes well set. Lovely temperament.

CREATON & WALKER'S GRCH & IGRPR CRINKLES FORGET MENOT SRL f FN 17.4.09

Playful almost five years old lady who was also well in the running. Good breadth to head which is set on a short neck, round underlying bone structure and full cheeks. Strong profile line shows rounded forehead, slight nose break and short, broad straight nose with a downward slant. Good width to muzzle with well padded whisker pads. Level bite and fair depth chin. Neat ears are broad at base and set well apart. Large round, well open, yellow eyes set wide apart. Medium build and very good weight for size to cobby body giving a rectangular appearance with shoulders and rump of equal breadth. Proportionate, medium length legs and rounded paws. Medium length tail is thicker at base and with a rounded tip and with plumy fur. Tortoiseshell Selkirk Rex Longhair with a full semi longhair coat which is thick and dense, standing out from the body in loose individual curls around face and neck, a little more open on sides and back but with a soft, plush feel. Lovely ruff of long curls framing face.

JUDGE – HELEN MARRIOTT-POWER

Four and a half years old lady who I would prefer a trifle larger overall but of very nice type. Head has full cheeks to a round face with good breadth to skull and rounded top of head of good width between the ears set far apart to follow the outer contours of the head, medium in size and rounded at the tips. In profile rounded brow, medium nose break and short, straight, broad nose. Level bite and fair depth chin. Large and well open eyes set wide apart, green in colour. Well balanced, medium build to compact body with a level back, good breadth chest, proportionate boned, short legs and rounded paws. Medium length tail is thicker at base and rounded at tip. Short, dense coat with a fairly crisp texture. Black Silver Spotted British of bright silver ground colour with charcoal and black spotting. Sweet natured.

AC RUSSIAN, ABYSSINIAN, KORAT OR THAI CHAMPION MALE

1 GCC PHILLIPS'S CH MELKELTER WISHFUL THINKING RUS a M 20.2.14

Well developed one year old boy. Good head has a short wedge from the tip of the nose to eyes and is equidistant from the eyes to ears. Flat appearance to top of head between the ears, slight change in angle to profile line. Prominent whisker pads form a good broad muzzle. Level bite and fair depth, rounded chin. Large, fairly tall, pointed ears, wide at base and vertically set, following the outer contours of the face. Eyes set wide apart, good size and shape, green in colour. Long, muscular body of good bone just a trifle lean on the haunches at present, strong, proportionate length legs to balance body and oval paws. Good moderately long, gently tapering tail to balance body, showing a little stud tail today. Coat is short, density is developing and starting to stand out from the body. Russian Blue of medium to deeper blue. A lively fellow.

AC RUSSIAN, ABYSSINIAN, KORAT OR THAI CHAMPION FEMALE

1 GCC PHILLIPS'S CH MELKELTER GALIYA GERTRUDA RUS a F 20.2.14

One year old young lady who is still developing but with a nice overall look to her. Head has a short wedge from the tip of the nose to eyes and is equidistant from the eyes to ears. Flat appearance to top of head between the ears. Prominent whisker pads form an excellent broad muzzle. Level bite and fair depth, rounded chin. Tall, pointed ears, wide at base and vertically set, following the outer contours of the face. Eyes are set wide apart, good size and shape, vivid green in colour and with a lovely expression. Elegant, long body of medium bone with proportionate long, slim legs and neat oval paws. Moderately long, gently tapering tail to balance body. Developing coat is fine, softish texture, starting to stand out from lower body. Russian Blue of medium blue colour, faint rings on tail. Excellent 'bread maker', excellent temperament.

RGCC CHERRY'S CH SITHEE MADAM BELLADONNA RUS n F 2.10.10

Four and a half years old lady. Nice head, short wedge from the tip of the nose to eyes and is equidistant from the eyes to ears. Flat appearance to top of head between the ears. Prominent whisker pads form a good broad muzzle. Profile shows straight forehead to upper eye level, very shallow concave curve then nose is straight to tip. Level bite and fair depth chin. Fairly large, pointed ears, wide at base and vertically set with the outer line following the outer contours of the face. Eyes are set wide apart, slightly full almond shape, gentle expression, green in colour. Excellent size and weight to elegant, long, muscular body of medium bone. Long proportionate legs to balance body and small oval paws. Moderately long, gently tapering tail to balance body. Limited double coat, with a little density to undercoat, fine and softish texture, fairly short and stands out slightly from the lower sides of the body, almost sleek and close lying along the back. Russian Black with a super sheen to sound black colour. Super temperament.

DEVON REX ADULT MALE

1 CC & BOB DODD'S POOLSIDE EBONY MILO DRX ns M 17.5.14

Ten months old Black Smoke Devon Rex boy. Head has short, fairly broad wedge with fairly good cheek bones, nice muzzle, level bite and fair depth chin. In profile brow curves back to flat skull, I would prefer stronger definition to stop, short nose. Well defined whisker break. Ears are set low and wide apart, well covered in fur, tufts at tips, wide at base, tapering to rounded tips, short ear muffs around base, I would just prefer them a trifle larger for perfection. Large oval shaped, green eyes, set wide apart and sloping towards outer edges of ears. Hard body with good muscle tone, medium in length, slender and with a broad chest. Slender neck. Slim legs and neat oval paws. Long, tapering tail, well covered in wavy fur. Excellent coat, soft texture, short and dense, even in length over body, well rippled along back and sides. Crinkled eyebrows and whiskers. Nice natured.

DEVON REX ADULT FEMALE

1 CC REHMAN'S MAGICAL ANGEL OF AMUN DRX hs 21 F 18.4.14

Chocolate Tortie Silver Devon Rex girl of eleven months of age and with a lovely 'naughty' expression. Head has fairly short, broad wedge with high cheek bones, good muzzle, level bite and good depth, rounded chin. In profile brow curving back to flat skull, fairly good stop, nose a trifle long, well defined whisker break. Nice large ears are set low and wide apart, wide at base, tapering to rounded tips, slight ear muffs around bases. Large oval shaped, yellow eyes, set wide apart and sloping towards outer edges of ears. Petite lady of good weight for size of body with a good firm feel, proportionate length, slim legs and neat oval paws. Long, tapering tail, fairly well covered in fur. Soft texture to short coat but a bit sparse in places over body, good tight wave to rest. Chewed whiskers. Lovely temperament and good purr.

SPHYNX ADULT MALE

BOB BRYNES'S GR CH GALILEO SPHYNX BASIUM SPH n 03 M 14.4.11

Large Black and White Sphynx boy of nearly four years of age. Lovely head with rounded contours to a modified wedge with prominent cheek bones and distinctive whisker break with prominent whisker pads. In profile good dip at eye line. Strong rounded muzzle, level bite but slightly shallow chin. Large, wide at base ears, set well apart and at slight angle to head, rounded at tips. Lemon shape to large, wide set eyes correctly slanted towards outer edges of ears, pale green in colour. Very good size and weight to medium length, muscular body with rounded, broad chest and proportionate long, slender legs with thick, oval paws and long toes. Long, fine tail to balance body. Fine down over body, slightly thicker over nose, back of ears and tail. Rather sparse whiskers and eyebrows. Playful fellow with a lovely temperament.

BROWN SPOTTED BENGAL ADULT MALE

1 CC HIBBS'S SUNSTORM SOLARECLIPSE F CHRISJAY BEN N 24 M 27.2.14

Very shy one year old boy. Medium body, long and muscular with medium length, well boned legs and large rounded paws. Medium length tail with a rounded, dark tip. Short to medium length coat, fairly dense, soft in texture. Brown Spotted Bengal of pale golden brown ground colour with large multi-coloured rosettes. Clear facial markings with 'M' on face, pencil lines on cheeks, chin straps and vertical streaks over head. Broken lines and spots on legs, rings on tail and spots on tummy. Medium wedge with rounded contours, fairly high cheek bones and head correctly small in proportion to body. In profile gentle curve from forehead to bridge of nose, very slight dip to nose then straight to tip. I would prefer a fuller muzzle but fair depth chin, bite unchecked. Good whisker pads. Medium sized ears follow the outer contours of the head, wide at base and rounded at tips. Yellow colour to almond shaped eyes well slanted towards the base of the ear. I would prefer them larger.
