

Lancashire Cat Club 14th March - 2015 Household Pet Section.

Many thanks to Chris Titterington and Janet Pointon and their team for putting on a great show and for inviting me to stand in for Mrs Jeskins and judge in the House Hold Pet Section this year.

Class 850 AC NON-PEDIGREE GRAND MASTER CAT

Millan's GMC Crackle. A medium sized semi long hair 9 year old lady, with a lovely soft black coat that has been beautifully prepared for the show. An attractive cat with large expressive yellowy green eyes and lovely long whiskers. A gentle, laidback girl happy to be out on the trolley for judging and not at all fazed by the shouting Orientals opposite!

Class 853 AC TABBY (EXC GINGER/TORTIE) NON-PEDIGREE MASTER CAT

Webb's UK OS IGMC Alys (BIC Only). A large 2 year old tabby and white girl with big green eyes and long whiskers. Her coat was baby soft to touch and groomed to perfection. She was relaxed out of the pen but less than impressed with the neighbouring cats so I did not keep her out too long.

Class 859 AC SH NON-PEDIGREE KITTEN

Whitehead & Warburton's Mishka. A sweet 7 month old short haired tortie tabby girl with a lovely glossy smooth coat that was soft to the touch. She had fine long whiskers and expressive green eyes. Happier in her pen but handled well and let me put her on the table for a fuss.

Class 862 AC SELF (WITH/WITHOUT WHITE) PEDIGREE PET NEUTER

Burke & Lill's MC Moonmin (BIC Only). A good sized muscular 2 and a half year old lad with lovely expressive pale blue eyes, he was lovely and clean and had been well prepared for show day. I think the hall and table were too cold for his liking so I didn't keep him out too long.

Class 865A AOC (WITH/WITHOUT WHITE) NEUTER MALE

Thompson's Ferguson. MC awarded. A sleepy chocolate pointed young man who had to be woken up to be judged. Once awake he was totally relaxed and happy to take in his surroundings whilst out of his pen being handled. He had a really thick coat beautifully prepared and I have to reward the hard work that has gone into making this coat look fab.

Pearson's Beau-Jangles. 2nd Place. A large blue point boy for 9 months, with deep blue expressive eyes and tufty fur in his ears. He was friendly and relaxed and could have sat on the trolley all day being stroked. However his coat could have benefited from a little more preparation for the show.

Dinsdale's IGMC Bentley. BIC awarded. A very large 11 and a half year old blue mitted boy with bright blue wide apart eyes and a striking expression, who was very interested in what was going on. With long whiskers and a thick soft coat he was a stylish chap.

Hughes's GMC Mocha. BIC contender. This chocolate point mitted boy was reluctant to come out of his pen and grumbled on the trolley so was not out for long. He had a soft silky well groomed coat, long whiskers and tufty ears with expressive deep blue eyes.

Thompson's MC Paddington. BIC contender. This chocolate point boy had deep blue eyes, very long whiskers and a fabulously groomed coat. However was hissing and grumbling in the pen before I went to get him out so I kept handling to a minimum, perhaps something upset him on the day.

Wilson's GMC Blue. BIC contender. This blue point boy was totally relaxed being judged. He had a well groomed soft and silky coat, a lovely expressive face with blue eyes and long whiskers. Overall a nice chap and a strong BIC contender.

Class 865B AOC (WITH/WITHOUT WHITE) NEUTER FEMALE

Wilson's GMC Lily. BIC contender. A medium sized lilac tortie point girl with soulful blue eyes, long whiskers and a thick well groomed coat, including her lovely tail. Gentle and laidback happy to be handled she was a credit to her owner and another strong BIC contender.

Brown's OS IGMC Amber. BIC contender. A medium sized lady with bright blue eyes and a very thick well groomed coat, she looked great for a 12 year old. She had plenty of cattitude growling and huffing so I didn't over handle her.

Class 868 RED OR AC TORTIE/TORTIE-TABBY (WITH/WITHOUT WHITE) NEUTER

Hogan's MC Eliza Mewlittle. BIC winner. A lovely girl with large golden eyes and an impish expression, short whiskers and a gently rexed coat covering a muscular body. Totally at ease out of the pen and loved being cuddled and made a fuss of, a real beauty.

Hogan's GMC Eva Purron. BIC contender. A medium sized dilute blue tortie girl with short rippled fur and big expressive yellowy green eyes. Was slightly reluctant to come out of the pen but did relax on the trolley. Only lost out by a stubby whisker to her neighbour.
