

THE GCCF SUPREME SHOW – 24.10.2015 – MRS ANNE GREGORY

It is such a privilege to judge at the Supreme Show and I thank Celia and her team for another very enjoyable day. I had a new team this year who made my day smooth running. Very many thanks and gratitude are due to Kay May, Hayley Wild and Robert Wild. I also had Ellie Wild working beside me, making sure my table was disinfected between cats. Her quiet, calm work was excellent; she is a great example of the quality of our YES! candidates. I had a wonderful mixture of cats that were a challenge to judge. I found judging the Foreign Best of Variety Kitten a complete joy. I thought the Korat kitten was exquisite and loved the Aztec who was my Reserve. My apologies for the lateness of this report, I have been up to my ears with the National Pet Show.
