Many thanks to Celia & the team for the invite to judge. It was another wonderful flagship event for the Cat Fancy, and it ran so smoothly. What a huge task for a Show Manager and team, so everyone is to be congratulated on such a great day. I had a great stewarding team, led by my good friend, the very capable Candice Prowting as my Senior Steward. She handled everything so well – the paperwork, the cats and me! Candice was ably supported by Margaret Lynch and my son Andrew Rainbow-Ockwell, who dealt with the cats so effectively. A super team, who were great company too. Thank you all very much.
