1st Mr K W Bachelor, Cheham Excaralisa (RGM g 03) (60 27 gwz)Blue Tortie (dark points) &White Female Adult Neuter, born 21.04.2013. She has a sweet expression, with a broad head, moderate in length and rounded contours. The forehead is moderately rounded with slightly tilted medium size ears set each side of her head. The eyes are green to blue in colour and walnut shaped, her nose has a gentle break at the bridge, a level bite and puffiness to her whisker pads, that tapered to her chin which balances her looks into her short neck, and flowing nicely into her rectangular body of good substance and muscle with a fleshy lower abdomen. Medium length thick legs and rounded paws, the back legs just a wee bit higher than the front ones. Covered by a nicely groomed double coat, plush and of good texture, with a small ruff that is framing her face. She has a well furnished slightly tapering to the tip tail, easy to handle gentle girl.

2nd Mrs M East-Paterson, Daurose Romeo (SBI n)(13c1) Seal pointed Birman Neuter Adult Male, born 31.08.2014. Broad rounded skull, seal coloured medium ears set fairly well apart, the eyes are more round than I would have liked and good blue colour. His has a slight dip in the profile with a seal nose leather, level bite but just a little untidy in the incisors, the cheeks could be wider and tapering down to a firm chin. He has a long body with medium length legs, pure white slightly scalloped and slide off to one side gloves and the right one finishing at the bottom of the stop. Pure white socks are fairly even and sliding to one side of the foot with the gauntlets were three quarters up the hock with on slightly wider than the other one and more tapered, his beige coat needing a wee bit more attention to the grooming and also a wee bit harsh on his back with some shading to his body and furnished tail.
