12 December 2015

I was absolutely delighted to be asked to judge at the National Show with a persuading nudge from Allen Wells (thanks for throwing me in at the deep end Allen/Carol). This was my first Judges appointment and for such a big busy show!

Thank you to Carol Pike for a wonderfully run show, everyone was very friendly, happy to help me, and so inviting! Really did make the day easier and so much fun!

Also thank you to my wonderful steward Ellen Camilleri on her stewarding debut! I would not have been able to do so well without her. She was funny, calm and a fantastic help, any judge would be pleased to have her assistance. Please don't all fight over her at once!

I had some difficult decisions between some stunning cats, including Best Non-Pedigree Pet. A tough decision between 3 fabulous cats! The wonderful 'Tiny Spice', a gorgeous boy who really did tug at the heart strings, a gentleman and very loving, he really is a credit to his owner. 'Tiny Spice' went on to be awarded Overall Best Household Pet in the Sphynx Cat Association Show. Congratulations to the owner, I was really pleased for you.

Olympian Class- AV HP Imperial Grand Master Cat Male – Class 78

6 handsome boys and how hard it was to choose between them! Sorry I didn't not have any more awards!

OLYMPIAN - IGMC BOB – (Short Hair – Brown, MN)

What a soppy lad! A 7 year & 6 month old boy who was rolling around in his pen just asking for us to come over and give him a cuddle. He happily came out on the table for some more fusses! He gave lots of headbutts and had a wonderful purr. He rolled around the table, playing with the pen. I imagine his owner does not get much done when he wants attention! He had gorgeous deep green eyes, they were wonderfully expressive and easy to fall in love with, he really had the most fantastic expression. His coat was rich and brown and beautifully glossy. His sweet little teeth which showed over his bottom lip made me like him even more! He was the perfect gentlemen today and is so worthy of this certificate!

RESERVE OLYMPIAN - IGMC LITTLE TEDDY – (Semi-Longhair – Blue Bi-Colour, MN)

WOW, he was a big imposing, substantial fella!! We nicknamed him Teddy and I was so pleased to see his name in the catalogue, but he is far from 'little'. He was a well-built muscular young man at 5 years old, wonderfully matured. He was beautifully groomed and the owner really had spent a lot of time on his coat! He had big blue expressive eyes either side of a wonderful blue bi colour pattern. He had a gentle presence to him and I am sure he is a delight at home! I did see he went on to win Best Pedigree Pet so congratulations to him and his owner!

Also Considered:

IGMC WINTER STAR (Semi-Longhair – White) MN

Immaculately white SLH boy only a year and 7 months old, who was much happier in his pen than being held or even on the table. It was quite a busy morning so not sure he was overly happy. He sat regally in his pen admiring us, admiring him. He was slightly nervous but did enjoy the fuss. He was beautifully groomed with not a hair out of place. He had beautiful eyes and overly was a lovely young man!

IGMC CHEZACER (Short Hair – Brown, MN)

He was such a happy chap! Who was so pleased to be at the show today! At first he was half asleep tucked under all his blankets, he is an older boy just over 14 years old! He had good weight to him when he came out of the pen and was happily purring away whilst we were with him. He had a soft coat that for perfection would need a little more attention to detail. He had gorgeous deep green eyes and a wonderful expression!

OBIGMC LOUIE (Short Hair – Red/Brown Spotted Tabby) MN

A chatty lad of 9 years and 6 months, he had a very attractive spotty pattern that was rich in colour. He stood tall on his legs, perfect for showing off! He gave lots and lots of head butts and happily kneaded away in his pen. He was a chatty little fella and beautifully presented on show day.

SUP UK OIGMC OLLIVANDER (Short Hair – Red, MN)

Sweet boy of nearly 5 years old who was fast asleep upside down and twisted all around in his pen, I felt so guilty to wake him but he happily obliged coming out for cuddles. He purred his little heart out with lots of kneading on our jumpers, little chirps and even a kiss for my steward. He was a beautiful soft sandy coloured boy who had a wonderfully clean coat although a slightly greasy spine line. However this did not detract from that he was a stunning cat he is!

Olympian Class- AV HP Imperial Grand Master Cat Female – Class 79

Only one lady present.

SUP & UK OGIGMC QT (Short Hair – Blue Tortie Tabby, FN)

All hail the queen, what a lady!! I felt guilty for waking this lady who was hidden and snuggled in her bed. She looked up at me with her huge soft green eyes that were perfectly framed with a soft cream eyeliner. Boy it was worth waking her! This lady is 4 years old, with such a gentle presence, a beautiful soft blue tortie pattern. She has a solid and muscular body with a solid tail. She had the prettiest expression that mesmerised us! She wanted to be out and involved showing off like the superstar she is! She really is the most beautiful girl and so very worthy of the Oly! I noticed she went on to win Overall in the National! Congratulations!!

Grand Class AC Pedigree Pet Master Cat – Class 523

MC CYRIL THE SQUIRREL (Semi-Longhair – Seal Mitted) MN

I noticed this stunning boy before I realised he was in my book for today so I was really excited to be able to handle him. He had such a pretty seal mitted pattern and his beautiful face I really liked! He had 4 white mitts and a gentle shading to his back. He was well built and was happy to be fussed in the pen. He wasn't overly confident on the table today but it was quite noisy and busy so I think that may have been the cause. I did enjoy giving him lots of fusses and he was more than happy to share them. His coat was well prepared around his ruff but would say for perfection to spend a little more time on his legs and undercoat. He really is a beautiful, gentle lad!

Grand Class AC Non-Pedigree Master Cat – Class 955

SUP MC TINY SPICE (Short Hair – Brown Tabby, MN)

SOFT, SOFT, SOFT!! In so many ways this guy was soft, his preparation was fabulous and his temperament was spot on!! A gorgeous brown tabby young 18 month old man, so pretty for a boy! He was immaculately groomed and his coat was gleaming, soft and glossy. He had a sweet expression with full whisker pads and a tiny little chin which was so cute! He was a petite little man but inquisitive and loved a fuss. We spent a lot of time with this man as his temperament was everything you would ask for in a cat. I was so pleased to award this little lad the Grand!

Grand Class AC Pedigree Master Cat – Class 965a

MC BRAVE-HEART (Semi Longhair – Blue Mitted) MN

The handsome young blue eyed boy, he was looking up at us with those big deep blue eyes and we gratefully gave him some cuddles. He was happier being cuddled and in the pen than on the table. He was a sweet boy with a beautiful blue mitted pattern a white chin and 3 white mitts. He was a little nervous at first but as soon as we got a chin tickle in he was more than happy. He had a wonderfully prepared long coat, which I still think will come through as he matures! I look forward to watching him mature as he really has a fabulous temperament!

Grand Class – AC Pedigree Pet Master Cat Female – Class 965b

MC FARAH (Semi Longhair – Seal Tortie) FN

A beautiful Seal Tortie girl of 2 years old, she was immaculate presented, not a hair out of place. She was a little lady with a beautiful soft cream to her tortie pattern, she had big pretty eyes. She really was a stunning little lady with a gentle and calm personality. She did not particularly like her neighbour with a little swearing which I was surprised from such a sweet little lady. She had a beautifully chubby little framed face and I was more than happy to award her, her grand! I look forward to seeing her again!

GMC Little Mouse (SLH – Seal Bi-Colour)

Pretty lady with a split face pattern with white versus seal which was stunning. She was just 2 years old with a wonderfully sweet nature. This lady had big beautiful eyes that were mesmerising, dark blue in the centre to a softer lighter blue on the outside. She was very polite, gentle and very happy for a cuddle. A special mention for the longest toe tufts I have ever seen! Loved them!! Her white was immaculate however she did have a little yellow staining on her paws otherwise she was perfect. Her grooming was done to a very high standard and she was very soft in texture. She was dainty and delicate and a pleasure to handle/cuddle.

The Colourpoint Society -

SH AC Tabby Cat (Ex Red or Tortie) of any pattern – Class 530

GMC Basil

BIC - A stunning silver mackerel tabby and white pen stealer. A real sappy boy who looked older than 4 years, I think this was due to his little tarnished muzzle. He had cute little white toes on his front paws, underside, short socks and a white bib. He has a clear glossy tabby pattern with dense black markings on a clear silver ground colour. He has pretty yellow/green clean eyes that really sparkled! He wanted to be involved in everything and had lots of headbutts to share around, he really had a fantastic temperament. He was so worthy of the BIC!!

National -

SH Self (single Colour) Cat Male/Female – Class 971a/b

What a hard class with 4 wonderful cats!!

BIC – GMC Otter

I adored this boy! A huge boy, strong, muscular and heavy! He had a beautifully prepared coat, it was a soft chocolate colour and gleamed with health. He did not look his age, soon approaching 10 years old! He had the most wonderful soft green eyes and he looked so magnificent today! He was a boy and he knew it! He loved a cuddle and was such a silly boy rolling around in his pen, a wonderful temperament. He was far too regal for the feather toy but loved a tickle. Happily awarded him the Best in Colour!

A sphynx shaped person, she was such a friendly little lady! She was purring to her hearts content and was wonderfully vocal. She chatted the whole time we were handling her. She had so much sass and boy did she know she was a beauty! She cuddled and headbutted and she had big beautiful blue eyes, a real sweet heart. A real pleasure to handle!

1st - GMC Cosette (Short Hair – Tortie & White, FN)

What a pretty tortie girl she was, just over a year old and still very kitten like. She had 4 white feet and her white was immaculate! She had a very calming presence to her and a very sweet nature. She loved lots of fusses in and out of the pen! Fantastic temperament and a stunning girl.

2nd - GMC Magnolia (SLH – Blue Tabby, FN)

What a pretty blue tabby lady! She was 3 years old with big green eyes and such a sweet face. She had lovely long toe tufts and the most wonderfully prepared ruff! She was slightly nervous and not overly keen on being fussed, but this was near the end of the day. I also noticed some scabs on her left shoulder maybe a small fight at home.

A very handsome looking lad only 9 months old, with a charming personality. He has big blue eyes and a gorgeous Rex Style coat. I also noticed someone has had a chew of his whiskers which made me giggle. His eyes had a sassy look to them and then with feathers he really did open those big stunning blue eyes! He was calm and had a sweet nature. Loved a cuddle! What a fab boy!

love a fuss and shared out the headbutts! He has a beautiful ginger and white pattern and was immaculately presented. I really do adore his sweet disposition and was such a happy chap.

A recently neutered little lady, who had a huge personality. She was still a little lady only 7 months old with a beautiful clear cream coat!
