Many thanks to Carol, Ron and the Committee for my invite and a big thank you to their excellent table team on the day. Last, but not least, big thanks to Amy Neale for working with me today.

GRAND CLASS - AC EXOTIC CHAMPTION ADULT FEMALE. 1GRCH PALMER'S CH SHAKIRAH BLUE-KASHMERE (EXO g) F 17.06.14. This pretty Blue-Cream Exotic girl is just a few days away from eighteen months of age. She has a well rounded head balance with broad to short type. Her eyes are bold, but they could be a more intense colour. Excellent ear set matched with fat full cheeks and good depth of chin. Cobby low body on thick well bred bone, all covered with a dense plush full of life coat, that was well intermingled, but I would have liked her blue a shade lighter. Short full tail, well in proportion to her body.

CHOCOLATE BURMESE KITTEN

1st BOB CHODNICKI'S BURMAROSA HEARTSEASE (BUR b) F 04.08.15. Very pretty Chocolate girl with a head that has a short wedge, wide cheek bones, all tapering to a blunt finish at muzzle. Distinct break with a short nose, which has a very slight roll off at the tip, but was in line with her good depth of chin. Top of head slightly rounded between medium ears that are broad at base and rounded at the tip, with in profile, a slight forward tilt. Her eyes are chartreuse in colour, set well apart with their top line slanting towards her nose and bottom line being rounded. Body of medium length and size with a well rounded chest and straight back, supported on slender legs and neat oval paws. Straight tail, medium thickness at base, tapering to a rounded tip and reaching to shoulder for length. Short fine, close lying coat, showing a warm milk chocolate tone.
