

NATIONAL CAT CLUB DEC 2015

Thankyou to Carol Pike for the invitation to return this year, I had a lovely day again and my congratulations on another successful National Cat Club show to all the team.

Ac Non-Pedigree Grand Master Cat

Imperial to Hutchinson's GMC Cosette

A small delicate lady, very sweet in temperament. Lovely mingled tortie colours with white. Mostly black face with small amount of white and an orange flash to middle of her forehead, set off by large green eyes.

She had a lovely sweet and gentle disposition.

Today on her own in the class, I deliberated on awarding this high certificate, as her grooming left room for improvement with a lot of loose fur coming out, something which is my personal bugbear, she was such a pretty lady I forgave it today but it almost cost her the certificate.

Sh Ac Tabby Cat of any pattern

BIC Gummery's SUP MC Tiny Spice

A young boy of 18 months with stocky build and lovely gentle nature. Super dark mac pattern to his brown coat in nice condition, and lovely green eyes.

He ticked all the boxes for me, loved him.

Lh/Slh Aoc or Pattern Cat

3 boys & 3 girls entered for BIC only, what a really hard choice, any one of these deserved the BIC. Some fabulous grooming amongst them (thank you owners) and wonderful temperaments.

Male

Clarke's OBIGMC Rocky

Super 6 year old boy fabulous boning and gentle temperament, handled excellently, lovely grooming.

Godfrey's MC Bravehart

Very nice young man with gentle temperament, super body conformation and boning. Excellent grooming. Youngster at just 1 yr 10 months.

He ran my winner very close, and was just pipped to BIC by the female

Rawson's OSIGMC BooBoo

Huge fellow sporting a full winter coat, lovely grooming just a little curly on the tummy. Very gentle temperament, a huge lad who was fabulous.

Female

Fab lady in super condition for age, (almost 12) with a gentle temperament. Her coat was in fabulous condition.

Ticked all the boxes to take the BIC award today.

Semos's OBIGMC Bluebelle

6 year old female with a rather worried expression, her coat was beautifully soft, and she was such a pretty lady.

COLOURPOINT SOCIETY DEC 2015

Lh/Slh AC Kitten Male

1st BIC Hart's Winter Mist

Very nervous young man did not wish to come out, he liked chin rubs but really did not settle well.

Sweet face more feminine than masculine, nice white coat clean and no fur coming off him.

Nicely set green eyes, he had a small nick in one ear maybe someone at home was a bit rough :)

Really lacking confidence today but sweet temperament all the same.

Female

1st Hank's Betty Bibbidi Boo

Young girl of just 19 weeks, quite chatty and with a wee bit of attitude today but showed character :)

Silver tabby coat of quite good clarity & length, huge orange eyes.

Sadly so much more could have been made of her grooming, her coat was spiky and today it cost her the BIC.

Prettiest Female neuter or Kitten

1st Hanks GMC Little Mouse

Pretty lady, lovely markings with her flash up nose and big blue eyes

2nd Roper's Patchwork Princess

Sweet lady lovely tortie with white

3rd Hank's Betty Bibbidi Boo

Such a gentle sweet lady with her beautiful tortie and white coat.

Triangular face and beautiful green eyes of lovely shape.

Extremely shy but handled well in the pen where she was much happier today.
