

National Cat Show, Colourpoint Society of Great Britain and Sphynx Cat Association  
Carol Tarr

I would like to thank Carol for her kind invitation to judge the Household and Pedigree Pets at this triple show. I had some lovely cats to judge and as usual the shows were very well run by Carol and Ron and everything went very smoothly. Thanks also to my husband for stepping in to steward for me at the last minute when my booked steward fractured her elbow.

National Cat Club

Class 953 AV HP Imperial Grand Master Cat Female  
4 lovely girls entered in this class any one of which was worthy of an Olympian Certificate.

Olympian 344 Mr & Mrs. Semos OBIGMC BLUEBELLE

A lovely blue point semi longhair girl . Her coat was groomed to perfection and she had the most beautiful serene expression on her face with deep blue eyes that just melted my heart !! Wonderful temperament - a real show cat today . I understand from her owners that this made her up to a Silver Olympian today so very well done.

Res. Oly 342 Ms Rawson OBIGMC DAISY

A very pretty girl with attractive bi colour markings. Good weight and nice blue eyes. She had a long flowing coat which looked a little untidy when we got to her but I gave her the benefit of the doubt as she was getting handled by so many judges one after the other and she was so nice in every other way.

328 Mrs. Simpson IGMC MANDY

I debated long and hard on the Reserve Olympian as I really liked this pretty girl with her nice tabby markings and lovely green eyes. She had a super temperament and was very friendly. I did leave the decision until I had judged another class but on this occasion I chose the semi longhair but next time it could well be different !

343 Mr & Mrs Semos IGMC IZZY

I really was spoilt for choice today with this class for here was another very pretty chocolate point semi longhair. Well groomed , with a good temperament, good weight and lovely blue eyes. A really lovely class.

Class 975 SH AC Kitten

1st BIC 360 Mr. Voysey NON-AME

I have reported on this kitten already in my report on the Sphynx Show. However, I would just add that since seeing her previously she was now much more lively and had quite a bit to say to us for disturbing her !! Both nice kittens in this class.

2nd Mrs. Hutchinson PING

A pretty cream coloured kitten with nice green eyes and a very friendly nature. I was really splitting hairs between these two kittens but in the end I gave it to the silver ticked tabby as I felt she had the edge today for me.

Class 1000 AC Adult with Best Personality

1st Mrs. Gummery SUP MC TINY SPICE

A nice alert boy who was very playful and oozed personality !

2nd Mr. Voysey SUP & UKOGIGMC QT

Although a very pretty girl, QT was very quiet and sleepy when we got to her and did not show off her personality on this occasion.

Class 1016 kitten originally a stray or rescue

1 360 Mr. Voysey NON-AME

See previous reports.

Class 1020 Most Unusual

1st 335 Kingsley & Hambidge MC FARAH

Unusual mottled tortie all over. Very friendly with lovely blue eyes

2nd Mrs. Godfrey MC BRAVEHEART

A blue point boy who was very keen to get back into his cage . I felt the tortie was the more unusual of the two.

Class 1025 Marmalade Ginger or Red

1st Mrs. Hutchinson UKOGIGMC BISCUIT

A big heavy boy. Very friendly and laid back who just loved being out and getting attention. I see now from his title that he is an old hand at this and obviously loves selling himself to judges !!!

2nd Mrs. Miller GMC OMGWHID

I have already reported on this lovely boy. Another very friendly chap and love the way he flops on his side on his return to the pen. Difficult decision between the two but today Biscuit sold himself a bit more !

Sphynx Cat Association

Class 100 SH AOC or PATTERN CAT

1st MC & BIC Miss Clarke KENNY KINGSMILL

Curly Rex type coat. Pale blue eyes and large ears. He was a very friendly boy.

Class 101 SH AC Kitten

1sr BIC Mr. Voysey NON-AME

An attractive kitten with a nice ticked coat and temperament. She was sleeping her way through the morning and was not keen on being woken up. However, having woken her up she didn't want to go back in her pen but wanted to stay out and play.

Class 105 CAT shown by Senior Citizen

1st Ms Worsley-Waring GMC SILVER PENNY

This girl had lovely markings and nice gold eyes but was very nervous out of the pen.

Class 113 Most Handsome Cat or Kitten

1st Miss Hart IGMC WINTER STAR

I loved this cat with his beautiful white coat and green eyes. A worthy winner.

2nd Mrs. Hanks MC CYRIL THE SQUIRREL

See my report from Colourpoint Show

3rd S & C Roper BLAZE OF GLORY

See report from Colourpoint Show

Colourpoint Society of GB

Class 531a SH Red or Tortie Tabby Male

BIC 355 Mrs. Miller GMC OMGWHID

Lovely pale red coat on this very playful, friendly boy with lovely green eyes. Loved the way he flops on his side when you put him back in the pen.

Also considered for BIC 356 Mrs. Miller SUP UK OGIGMC OLLIVANDER

Another lovely pale red coat on this friendly boy with the same flop on his side trait of OMGWHID when put back in his pen. I think they could be brothers judging by DOB.

Difficult choice for BIC today but felt 355 was showing himself off more today.

1 MC 354 S & C Roper BLAZE OF GLORY

His dark red coat contrasts nicely with his white chest and white on legs. Nice green eyes and a lovely long tail. A little bit wary when out of his pen.

Class 531b SH RED or TORTIE /TORTIE TABBY F.

1 MC S & C. Roper PATCHWORK PRINCESS

This girl had very attractive tortie markings and nice green eyes. She was very nervous and timid. She hissed and growled but we did get her out long enough to see her attractive markings. She was much happier back in her pen and hiding but was still very nervous and shaking. I would hope she improves in confidence, if not I would worry about the stress she suffers when being shown. I did see this girl later in the afternoon with her owners and she was a different cat in their presence - quite happy. I guess she got confidence from them being there.

I hope the mornings get better for her.

Class 541 Most Handsome Male

1st 345 Miss Hart WINTER MYST

A lovely white kitten with green eyes. Poses lovely in his pen but not so keen on being out and couldn't wait to get back to his pen. So handsome though and almost a spitting image of the older WINTER STAR also owned by Miss Hart. Both beautiful boys.

2nd Mrs. Hanks MC CYRIL THE SQUIRREL

Nice expression and blue eyes. Felt his coat looked a little scruffy but he had been handled a lot by other judges.

3rd 354 S & C Roper BLAZE OF GLORY

See previous report.
