

**NATIONAL CAT CLUB
12th DECEMBER 2015
MRS GILLIAN CORNISH**

Many thanks to Carol and Ron for the invitation to judge at this friendly and well run show. Thanks, also, to my friend Sue Walters for stewarding for me and handling the cats with her usual care and consideration.

GRAND CLASS AV REX, SPHYNX OR LA PERM PREMIER NEUTER MALE

GR. PC. ARNOLD'S PR .PAPAVER ODIN. Cornish Rex. MN. Quite a shy lad but handled well.. Medium wedge with high cheekbones, narrowing to rounded muzzle, chin could be a little stronger. Almost straight nose profile. Large ears which could be a little higher set but of good shape. Oval shaped eyes of blue well set. Fairly elegant neck set on a firm and muscular body. Long legs with small oval paws. Long, fine and tapering tail, well covered with wavy fur. Short, dense coat with lovely texture and deep rexing.

RES GR. PC. ARNOLD'S PR. PAPAVER HECTOR. Cornish Rex. MN. Also a little shy but handled well. Medium wedge with high cheekbones, slightly narrow at muzzle, chin could be a little stronger. Almost straight nose profile. Large ears which I would have liked to be slightly higher set with not so much width between. Slightly domed head. Green eyes, of good shape and set. Fairly elegant neck set on a firm and muscular body. Long legs and small oval paws. Long, fine and tapering tail, well covered with wavy fur. Short, dense coat with good texture and rexing.

SINGAPURA ADULT

BOB. BROOKS' CH JANAMEL CAHAYA ROSE. Female. Medium and short broad muzzle with blunt nose and definite whisker break. Strong chin. Lovely rounded skull. Large ears, deep cupped and well set on head. Large green eyes set well with dark outline to eyes. Medium body, lithe and muscular. Muscular legs tapering to small oval feet. Slender tail of correct length with blunt dark tip. Short coat, fine, silky and close-lying, well ticked .Some slight barring on inner front leg. Lovely facial markings.

SNOWSHOE ADULT

1st CC BOB. GEE'S COLDENUFFORSNOW JOLLITY. Female. Medium size head in proportion to body. Broad wedge with slightly rounded contours. Straight nose, medium in length with slight slope to the forehead. Good muzzle. Medium size ears with sparse furnishings. Walnut shaped blue eyes well set. Medium sized body, long and firm. Neck in proportion to body .Good length legs and short oval paws. Medium length tail tapering slightly towards the tip. Moderately short coat with no noticeable undercoat. Mitted (low white) coat colour. No balanced inverted white V on face. White toes on front paws evenly balanced. White back legs not quite evenly matched.

RUSSIAN BLUE KITTEN MALE

All of the Russian kittens were a delight to handle.

1ST. JACKSON'S TROIKA TYBALT. Short wedge with prominent whisker pads. Almost straight nose profile. Chin could be a little stronger. Large ears set vertically to head. Green eyes of good shape and set. Graceful body of medium strong bone and well muscled. Long legs with small oval feet. Moderately long tapering tail in proportion to body showing some ghost tabby markings. Medium blue coat with dense undercoat, short and soft with silvery sheen. A few odd white hairs were apparent. Excellent temperament.

RUSSIAN BLUE KITTEN FEMALE

1ST & BOB. MURRAY-BROOKS' TROIKA XENIA ROMANOVA. Short wedge with prominent whisker pads. Almost straight nose profile showing good angle. Strong chin. Large ears set vertically to head. Green eyes, set well, almond in shape with slight upward slant. Medium strong boned graceful muscular body. Long legs with small oval feet. Moderately long tapering tail, in proportion to body, showing some ghost tabby markings. Medium blue coat with dense undercoat, short and soft with silvery sheen. Excellent temperament.

2ND. JACKSON'S TROIKA TAMORA. Short wedge with prominent whisker pads. Almost straight nose profile. Chin could be a little stronger. Large ears set vertically to the head. Green eyes, set well and of good shape. Graceful muscular body of medium strong bone. Long legs with small oval feet. Moderately long tapering tail, in proportion to body, showing some ghost tabby markings. Medium blue coat with dense undercoat, short and soft with silvery sheen. Excellent temperament.

3RD. BANDY'S TROIKA BYLINA. Short wedge with prominent whisker pads. Slope to nose profile. Would like chin a little stronger. Large ears set vertically to the head. Green eyes, of good shape and set well. Muscular, graceful body of medium strong bone. Long legs with small oval feet. Moderately long tapering tail, in proportion to body, showing some ghost tabby markings. Medium blue coat with dense undercoat, short and soft with silvery sheen. Excellent temperament.

EGYPTIAN MAU KITTEN

1ST & BOB. WEBB'S GENIEMAU GENTLEMAN GYM. Bronze MN. Slightly rounded head of medium length. Gentle contour to profile. Gently rounded muzzle. Firm chin. Medium sized ears of good shape and set. Large green rounded almond shaped eyes set well. Medium long and graceful muscular body. Elegant legs in proportion to body and barred with small and dainty feet. Dark tip to medium length tail, moderately thick at base and tapering slightly. Medium length coat, close lying with lustrous sheen. Good facial markings. Spots on body are randomly spotted.

MOIR'S GENIEMAU SHEFRU. Bronze MN. Unfortunately this young Lad was very frightened and bad tempered. We did take him out of the pen but was unable to assess him so therefore did not judge him.
