

NATIONAL CAT CLUB – COLOURPOINT SOCIETY OF GREAT BRITAIN - 12TH DECEMBER, 2015

MRS. PAT PERKINS SHOW REPORT

Thank you to Carol and Ron for the invitation to the National and Colourpoint shows, friendly and well run, with a ear Christmas atmosphere, a pleasure to judge and some lovely cats to handle, the Christmas lunch was delicious. Big thank you to Stephen Bunce for all his help in stewarding for me he handles the cats so very well, his company was much appreciated.

NATIONAL CAT CLUB

GRAND CLASS – AOV SEMI-LH PREMIER NEUTER – MALE

GR. PR. ELSON PR. COONFLAKES TYRIONLANNISTER – MCO n 03 22 (16.4.14) Brown Tabby & White Maine Coon who was not at all happy to be handled, hope it is just a one off as he is a lovely boy. Long strong body, his legs high and thick with large well tufted paws. Broad medium length head, with super wide based ears, well furnished and tipped set high on head, his nose broad with a gentle concave curve, square muzzle, firm strong chin, good bite (he kept showing us!), large bright oblique hazel eyes. His coat thick and glossy, shaggy tummy and trousers, lower back just a bit solid, tabby on sides, rings to his legs, M to head, spectacles round eyes, whisker spots, tail very long and flowing some tabby rings – very well shown

2nd RES. W/H GOODCHILDS PR. CHEGAYAN WARREN – RAG e (1.5.14) Cream Colourpointed Ragdoll boy, I was sorry to withhold on this lad but he was not looking his best today, his coat needing much more preparation quite flat and his chin stained, pity has he had a wonderful temperament, so laid back and gentle to handle. Head broad with a flat plane, nice with between wide, based slightly tilted ears. Slightly oblique set eyes of a super deep blue, firm chin. Body has good length and limbs are solid with large rounded paws. His body coat was a warm off white shading paler to sides, ears and face mid cream, legs and long bushy tail a slightly paler shade – he would be a super lad with a bit more attention to his coat.

TORTIE OR CHOCOLATE TORTIE AND WHITE – NEUTER

BOB FLINTS IGR PR RIASCATZ SERENITY – PER f 03 (21.8.11) Mature lady wearing a lovely coat, well groomed and soft with rich red and dense black patches to back and head, pristine white on face, back and limbs. Full ruff framing her mature broad head, side set well furnished ears, lots of feathers, full cheeks and rounded cheeks, big round rich bright orange eyes. Solid cobby shape with short thick limbs, paws large with lots of tufts, her tail short and very wide showing reds and black – a grand lady to handle.

SEAL COLOURPOINT – NEUTER

1ST. & PC DAVIES CUSHKA SEALED WITH A KISS – PER n 33 (27.10.14) F. Solid chunky Seal Point youngster, her coat very well groomed, puffball and so soft, the body a creamy white, very slight shading to lower back, dark seal to neat feathered ears, mask dark over nose slightly paler to cheeks, mid seal to legs and paws, her tail short and full again a mid seal . Good head, rounded top, with width between small ears, round mid blue eyes, short nose with strong break open nostrils, firm chin and full cheeks. Solid cobby build, chunky legs and large tufted paws. – friendly lass.

RED, CREAM OR TOTIE POINT BIRMAN – KITTEN

1ST & BOB ALLENS CARRISMOON CHILLI BEAN SBI d (16.4.15) F. Most attractive Red Point young lady, her head broad and rounded, ears wide based set nicely apart, held just a little pricked at present but should balance when she becomes adult. Eyes nearly round the colour a two tone blue deepening from the centre, medium length nose with a slight profile dip, firm chin and cheeks rounding. Lovely pale well groomed coat the texture soft and silky the colour a pale cream with a hint of a golden hue, sound red to ears and over nose, slightly paler colour spreading to cheeks and forehead, limbs and tail a softer red. Good length to body, limbs medium and strong with short strong paws. Bushy tail of a medium soft red, nicely balanced to body length. Gloves well covering front paws, even underneath, Socks again even and nicely covering paws, gauntlets tapered, the left slightly shorter, right approx. $\frac{3}{4}$ towards the hock joint – lovely youngster who loved being handled.

AC PERSIAN ADOLESCENT – ADULT

1ST. POTTERS CH. PRIMMISSION INGENIOUS – Tortie & White young lady wearing a very well groomed coat showing rich tortie colours and pristine white patches, lovely round rich copper eyes.

2nd. PEARMANS SIMCHRIS JEZABEL – Solid cobby Black & White Exotic, her coat thick with dense black and white patches. Round apple head and neat ears, gentle girl.

AV SEMI-LH (EX Birman/Turkish) KITTEN

1ST. CANN CHEHAM FREE SPIRIT –Delightful Ragamuffin baby, lively and very playful, head developing well, coat still baby soft.

2nd. CANLINS RAGZNDREAMS CHANCENCOUNTER – Well made Blue Bi-colour Ragdoll boy, good bone and substance, even white inverted triangle to face, well shown.

SEAL OR BLUE POINT BIRMAN –KITTEN

1ST. BUSH MLYWARD XANDER – Seal Point boy carrying strong bone and body weight. His eyes a lovely deep blue, wide based ears. Coat soft and well groomed.

COLOURPOINT SOCIETY OF GREAT BRITAIN

TORTISESHELL COLOURPOINT – ADULT

1ST. CC & BOB NEALES CUSHKA HEAD OVER HILLS– PER g 33 (11.5.13) Blue/Cream Colourpoint lady, her coat soft and well groomed, body creamy white, shades of blue and cream to well developed mask, limbs and wide bushy tail, frill framing her head. Width to top head, ears neat and well furnished, short nose, with a strong break, firm chin and rounded cheeks. Large wide open eyes of a mid blue. Cobby body with strong short limbs and feathered paws – gentle lady to handle.

2nd. SMITHS AMORAMIST MILKYWAY – PER h 33(26.6.12) Mature Chocolate Tortie Colourpoint sweet gentle well made girl, strong limbs, big paws. Width to top of head, ears quite neat, nicely furnished, firm chin, slightly undershot, broad nose with strong break, firm chin. Coat showing a lot of body shading, tortie to mask, limbs and bushy tail, her coat needed a lot more preparation to bring out her best.

AC COLOURPOINTED OR MITTED RAGDOLL – KITTEN

1ST & BOD WOODS RAGADEE CLEOME - RAG a (6.4.15) Very promising girl, at just over 8 months well grown, with length to body, medium sturdy legs with rounded paws. Her head has breadth with a flat plane between medium wide based ears, well furnished with slight forward tilt, lovely deep blue eyes wide apart and slightly oblique set. Coat texture soft and well groomed, body a bluish white, well developed greyish blue to mask, limbs and bushy slightly tapered tail – lovely temperament.

2nd. BEATSON ADIFTLO YOURSTRULY HATTY – RAG n 04 21 (2.4.15) Seal Tabby Mitted lass, another just over 8 months with good bone and substance, length to body, firm legs and large paws. Head developing well, flat plane to forehead, medium ears wide based and set nicely apart, slightly oblique set eyes, the colour rather pale at present, firm chin. Well groomed coat of a warm beige, seal M, eyes lines and spectacles to face, mask developing towards cheeks, tabby on legs and tail. White mitts, legs, chest and tummy, tail a pale seal, slightly tapered and in balance to her body – friendly youngster.

AC PERSIAN JUNIOR – ADULT

1ST. NEALES CH. BLUE POEMS SUGAR – Red Tabby Colourpoint lad, solid and well made. Full soft nicely groomed pale body coat, round expressive eyes of a good blue.

AV SEMI-LH SENIOR – ADULT

1ST. MOTTS GR. CH. JANDOUGLEN KELSEY – Lovely Lilac Birman lady, over 6 years but still with a pale coat, greyish pink well developed mask and points, excellent deep blue eyes.

2nd. JAMESONS CH.PHATPAWS DELICIOUS – Blue Bi-Colour Ragdoll lass, solid and balanced in head and body, super deep blue nearly round eyes.

2.
