SATURDAY 12TH DECEMBER 2015
MR P ANDERSON

My sincere thanks to Carol and Ron for the kind invite back again this year. I handled some lovely exhibits and was ably assisted by Debbie Newman who came along especially. Thank you Debbie I hope you enjoyed your day as much as I did.

SH RTED CAT OF ANY PATTERNED OR AC TORTIE/TORTIE TABBY CAT
BEST IN CLASS

Miller's GMC OMGWHID (Shorthair Red) MN 4yrs 9mths

A very well presented and super friendly chap. Who kept rolling around on the table which did make us smile Such gentle expressive eyes. His coat was well groomed although there was just a small patch which appeared to be a little dry towards the base of his tail. This did not detract from his overall qualities. He was very slow padding us both. Lovely placid temperament.

AC ADULT ORIGINALLY A STRAY/RESCUE

1ST Hutchinson's GMC Cosette (SH Tortie & White) FN 1yr 3 mths

This girl was a bit of a wriggler and apprehensive to start with but did settle with a cuddle. Lovely coat colour which was moulting slightly on the day. The colours were lovely and bright and well mingled with sparkling white. Lovely expressive pale green eyes. Really good overall presentation. She settled once back in her pen.

AC KITTEN WITH THE BEST PERSONALITY

1ST Voysey's Non-Ame (SH Silver Ticked Tabby) FN 5mths

A hard decision between these two lovely kittens. A very well presented young lady who showed herself so well although preferred the security of her pen, but did enjoy her cuddles with us! Was very busy telling us what sort of day she was having. Very inquisitive nature and watched the world go by! Lovely coat colours groomed to perfection.

2nd Hutchinson's Ping (SH Cream) FN 7 mths

A lovely well grown baby who was very relaxed and gentle in nature. Very friendly girl loved being handled and just wanted to play with us. She was, oh so, confident temperament! Lovely preparation being well groomed. She had such a big purr!

SPHYNX CAT SHOW

CAT OR KITTEN WITH THE MOST EXPRESSIVE EYES

1st Rawson's IGM Little Teddy (SLH Blue Bi Colour) MN 5 yrs.

This boy was just fantastic and stole my heart! He was so well presented with a gorgeous coat and obviously a lot of time had been taken. His coat was a beautiful blue with sparkling white muzzle and a lovely pink nose and this made his eyes very expressive. Just a little shy when on the trolley but this boy was an absolute pleasure to judge.

2nd Hank's MC Cyril the Squirrel (SLH Seal Mitted) MN 2yrs 10 mths

Very well presented and I could see that time had been taken with regard to his presentation. for the show. He was so happy to be handled and so relaxed with such a placid temperament. He was so chilled it was a job for him to keep his eyes open. Perhaps too early in the morning!

3rd Franklin's OBIGMC Louie (SH Red/Brown Spotted Tabby) MN 9 yrs. 6mths

In lovely condition for his tender age. His coat was well groomed but rather loose on the day. Very nice colouration and condition. Friendly and relaxed chap who showed himself well.

4th Voysey's SUP &UK OGIGMC QT (SH Blue Tortie Tabby) FN 4 yrs.

COLOURPOINT SOCIETY OF GREAT BRITAIN

AV SH NEUTER

1st Hutchinson's UK OGIGMC Biscuit (SH Ginger & White) MN 8yrs 2mths.

This boy was my cat of the day and I could have so easily taken him home. Superb presentation and it was obvious that the owner had taken a lot of care. Lovely colouration and his white was absolutely pristine. A super placid chap who walked out of the pen and flopped down on the table. He loved all the attention and it's obvious he adores being shown. He kept head butting both of us and would have happily spent the day on the trolley.

2nd Miller's SUP UK OGIGMC Ollivander (SH Red) MN 4yrs 9mths

This boy chirped and chirped which was so endearing. He had a lovely pale red coat with super expressive eyes which were gentle. He was so relaxed and obviously an old hand at showing. Lay on his back whether it be in our arms or on the table. Fantastic temperament. Unlucky to meet the winner on the day.

3rd Clarke's Kenny Kingsmill (SH Red Smoke Point) MN 9mths

Unable to challenge the bigger boys above today. Great presentation to his coat but his eyes could have done with just a little more in the way of presentation. Lovely curls to his coat. Lovely overall condition. Walked out of the pen stretched out on the table and went into automatic purring mode. Was very happy just to stay on the table and play.

BEST GROOMED NEUTER OR KITTEN

1st Clarke's OBIGMC Rocky (SLH Blue CP) MN 6 yrs.

I could not find any fault with this boys grooming and it was obviously a lot of time had been spent preparing this boy for the show. Lovely coat with a fantastic blue colouration with beautiful expressive eyes. He was slightly shy at first but relaxed in the security of his pen.

2nd Hart's Winter Myst (SLH White) MN 7mths

A well-groomed youngster who had been prepared for the show. Lovely white coat which had been well prepared for the show. Super facial expression with lovely open eyes. A bit of a wriggler and was happier back in his pen.
