

National Cat Show, Colourpoint Society of Great Britain & the Sphynx Cat Association  
Saturday 12th December 2015

I would like to thank Ron & Carol for their very kind invitation to judge at these very popular triple shows. There was a lovely Christmasy atmosphere in the show hall and we were treated to a lovely Christmas lunch that went down very well!

I would also like to thank my husband Paul for stewarding for me, he does a great job of handling the cats with such care and ease and he also keeps me on my toes which is no mean feat!

We had some lovely cats today and I was so pleased that on the whole their show preparation was very good.

I was very honoured to be asked to judge Best in Show Pedigree & Household Pet for the Sphynx Cat Association, thank you.

Class 511 Olympian Class - AV HP Imperial Grand Master Cat Female

344. Olympian Awarded to Mr. R. & Mrs. M. Semos. OBIGMC Bluebelle. FN 6yrs 7mths

A really stunning girl who I have judged before and she never disappoints in fact I think she gets better every time I see her! Lovely head with great width between the ears, gorgeous blue eyes, full cheeks and a lovely serene expression. Such a good weight to her body, strong paws and a lovely brush to her tail. She was shown in excellent condition with sparkling white feet and gauntlets.

Show preparation was exceedingly good with not a hair out of place! She has a wonderful temperament and was more than happy out of her pen to be assessed. A very worthy winner and many congratulations to her owners!

343. Reserve Olympian Awarded to Mr. R. & Mrs. M. Semos. IGMC. Izzy. FN 11yrs 11mths

I see that this grand lady is also owned by my Olympian winner owners! She did run the winner a very close call but for me Bluebelle ticked all my boxes.

Stunning girl who was shown in super condition and no way would you of thought that she was nearly 12 years of age!

Loved her magnolia coat with her dark contrasting chocolate points, nice deep blue eyes, full cheeks and lovely long whiskers. Nice brush and good length to her tail. Good weight and boning.

Lovely temperament too and she was more than happy to stand on the table whilst being assessed, in fact she didn't really want to return to her pen!

Many congratulations to the owners of both these lovely cats they really are a credit to you!

What a well developed cat this lad is! He was shown in excellent to condition and his coat just gleamed showing good health and vitality! I loved his green eyes which are so striking and his lovely long whiskers. Strong body of good length and boning, his paws are really sturdy and strong. Lovely intermingling of ginger and white fur which felt lovely to the touch. An alert boy who took everything in his stride he's a real pleasure to handle, love him!

331. Mrs. E. Birt & Ms. A. Fisher, Benny. M 4 months

What a stunning kitten of just 4 months of age! I just loved his tabby markings which were very striking. His coat was in excellent condition soft baby hair which just gleamed. Lovely head which is developing well, nice ear set and gorgeous green eyes. This baby had the most wonderful expression rather cheeky I thought. He had a good length to his body and was a good weight for his tender age. Lovely temperament, he just did not want to return to his pen so had extra cuddles and boy did he then purr for the world as I think he had the loudest purr I had heard all day.

Going to watch this boy with interest as I think he really is going to do well in the future, my take home baby of the day!

Class 978. AC Adult 9 Months - 2 Years

1st: 324. Mrs. J. Gummery, SUPMC Tiny Spice. MN 1 yr 6mths

Super young male who had lovely patterning to his tabby coat, he also had lovely barrings on his legs. Again lovely green eyes and a good set of whiskers adorned his lovely face. Excellent weight and good boning, this boy is going to be a very strong cat when he fully matures I think.

Nice laid back temperament when out of his pen, he was so friendly and purred for the world.

A very nice boy and one worth watching!

2nd: 327. Mrs. L. Hutchinson, GMC Cosette, FN. 1yr 3mths

A nice young lady who is maturing well. She had lovely patterning to her coat which was in fair condition. I did love the intermingling of colours to her coat of Tortie and White. I did feel her grooming could of been improved slightly as she did have a lot of loose fur, maybe she just had had a maul. Lovely sweet temperament and overall a pretty dainty lady.

Class 1001. AC Kitten with Best Personality

1st. 331. Mrs. E. Birt & Ms. A. Fisher, Benny, M. 4 months

Stunning baby with a real striking coat! Shown in very nice condition too. Wonderful temperament so happy and alert who loved being out of his pen. We even had the odd lick and lots of purrs as he took everything in around him. He did seem very keen on the cat in the next pen as he was most chatty when we returned him to his own pen bless him. He was definitely my kitten with the Best Personality on the day!

Class 1018. AC Adult \ Kitten Travelled over 50 Miles to Show

What a very tough class as they were all winners in my eyes!

1st: 332. Mr. Mrs. L.J. Grant, Lincoln MN

Loved this boy as soon as I looked into his pen! Beautiful coat that was groomed to perfection. Lovely head, alert ears which stood tall, gorgeous green eyes which gave him a wonderful expression. Fabulous size and weight to this lad and such good boning. Very nice bushy tail which he held high on the table. Such a sweetie and he definitely was my other 'cat to take home' on the day, hope I get to see him again!

Please see my notes on class 551

3rd: 335. Mr. S. Kingsley & Mr. T. Hambridge, MC Farah, FN

A very nice girl with a lovely serene expression. She was shown in nice condition and I did like the Tortie colours of her coat, the intermingling of colours was very pleasing on the eye. Another lady with a fabulous character who enjoyed being out of her pen whilst we stroked and cuddled her, she to purred for the world!

4th. 340. Ms. E. Rawson, OSIGMC. Booboo. MN

Lovely boy whom I have had the pleasure of judging before. Show preparation was lovely and his overall condition was excellent. Great size to this boy, lovely thick strong paws and very nice boning. Fabulous temperament, I was so sorry to give him 4th as he to was a winner in my eyes!

Class 1026. AC Adult or Kitten

1st: Mrs. M.E. Timberlake, IGMC. Chezacer MN

I have also judged this boy before and he never fails to disappoint! Wonderful lad to handle as he just purrs for the world in your arms and is so chilled. My steward really fell in love with him! Beautiful sound coat of deepest brown which was in excellent condition for 14 years of age. I loved his beautiful green eyes and his overall expression. Strong body, good tail and nice big paws. I always love seeing this splendid boy, well done!

2nd: 328. Mrs. H. Simpson, IGMC. Mandy, FN

Lovely size to this lass, her coat has excellent tabby markings and she has lovely colours to her coat which was in good condition. She was very alert today with her lovely green eyes taking everything in, sadly when we got her out of the pen today she did seem a tad unhappy and unsettled so we quickly returned her to her pen where she did immediately relax. I then realised that in fact it was the cat in the next pen that had unsettled her a shame but I really did like her!

Class 110. Cat or Kitten Under 3 Years Old

1st: 358. Mrs.G.Clarke, Kenny Kingsmill, MN

What a cutely pie this boy was! Beautiful blue eyes that looked so huge in his head! Wonderful coat and I just loved the texture and feel to it. Very substantial body with great boning. He was shown in super condition and is a real credit to his owner. He was a pure joy to handle and assess and I could of cuddled him all day, sadly time wasn't on our side and we had to return him to his pen. Going to watch out for this lad as I really feel he will do very well in his show career!

2nd: 341: Mrs. L. Hanks, GMC. Little Mouse, FN

Another lovely female who was shown in such lovely condition without a hair out of place! Well done to her owner as it really is a joy when you judge a cat that is groomed and prepped so well. Beautiful blue eyes that were so expressive and she had that lovely mask of white going up her face. Great size and boning, strong sturdy paws and nice bushy tail. A very pleasant girl to judge, we had a nice cuddle before I returned her to her pen.
