Young girl of just over one year old ,she is a compact size and felt heavy with good muscularity,rounded chest and straight back,

her tail was of medium thickness at the base and tapered to a rounded tip and long enough to balance her body.

Head shows rounding to dome and brow with good width between large well set ears .

profile shows a good nose break straight nose and firm chin with depth. Eyes are large of correct size and set ,

yellow with a little greenish rim .Her coat was short and fine texture and lying close to her body ,shows a even Lilac coat in good condition.
