

**Show Reports - Mrs Jenny Jones - National Cat Club and Colourpoint Cat Society of Great Britain Shows 12.12.15**

A busy happy Christmassy show as always, thanks to Carol and Ron for the invitation to judge and the enjoyable lunch. My grateful thanks go to Caroline who stewarded for me for the first time and I hope will do so again. Caroline is an excellent steward who handled the cats with great care and the paperwork efficiently.

**Imperial Class - AC Gr Ch Oriental Adult Male**

Imp Gr Ch to BROWN'S GR CH FIROUSI FUDGE-BROWNIE (OLH b) M 08.10.13

Very handsome male and with such a calm and relaxed outlook on life. Medium straight wedge with broad topline. Straight profile, neat level bite, firm chin. Confident expression in slightly deep set oriental eyes of a good depth of green. Large open at base beautifully set and very well furnished ears. Long body which felt really strong and muscular with long strong limbs, tail very well plumed needs an inch to balance. Fine silky coat of adequate length and laying well along body, he just has a few scattered white hairs on back of neck. A dear gentle male, very well shown and presented.

**Grand Class - AC Siamese/Balinese Premier Neuter Male**

Gr Pr to MARTIN'S PR ABICASA CHAMPAGNE CHARLIE (SIA b) MN 30.09.14

Stylish and good sized young neuter, medium wedge, small pinch and wide top of head. Straight profile, level bite, firm chin. Expressive oriental eyes of deep vivid blue. Large ears, very wide based and beautifully set. Long plump body with long legs, neat paws and tapering tail of balanced length, Short fine coat with just light tonal shading and dark but warm toned chocolate points colour. Relaxed and friendly, excellent condition and presentation.

**Lilac Point Siamese Kitten**

1st BOB BURROWS' MAPU KAYPEZ COMEBACK (SIA c) F 23.7.15

Attractive kitten, lengthy and well grown with a shorter wedge head, kitten pinch and very good topline. Small rise on profile, bite slightly over, chin a touch shallow. Beautiful oriental eyes of really deep brilliant blue. Large wide at base very well set ears. Long firm body, slender limbs, long whippy tail. Short fine coat, clear, the points colour I was not convinced will end up lilac, too young to wrong colour today but there are some suspicious brownish tones developing. Super temperament, very confident and purry, excellent condition and presentation.

**Chocolate Point Siamese Neuter**

BOB to MARTIN'S PR ABICASA CHAMPAGNE CHARLIE (SIA b) MN

**Ac Oriental Visitors Adult**

1st FREEMAN'S DELAMON DELUXE XENON (OSH a 03) M 24.2.15

Only a youngster but what a promising young male, already with a strong stylish head and large wide based ears set following the wedge. Oriental eyes olive green in colour. Long strong body, long legs, tapering tail to balance. Very short close lying coat of dark blue with pristine white to just over one third in all the correct places. Excellent condition, presentation and temperament.

2nd JOHNSON'S BURNTHWAITES STAR-LORD (OSH b) M 01.02.15

Very large strong looking young male havana, not exaggerated but with a well balanced wedge head and good sized ears flared and well set. Oriental eyes of olive green. Strong sturdy body and limbs, long tapering tail. Short fine coat of dark havana very pale and unsound at roots. A calm relaxed cat very well shown and presented.

**AC Oriental Limit Kitten**

1st JONES' SARAMESE NICKELS'N'DIMES (OSH c) M 04.07.15

Well grown lilac oriental kitten of good type with a medium wedge, pinch and good top of head. Large flared well set ears. Vivid green oriental eyes. Firm lengthy body, slender limbs with long fine tail. Short sleek coat of soft lilac just a touch unsound at roots. Excellent condition, presentation and temperament.

**AC Siamese/Balinese Adult - Bred by Exhibitor**

1st PUMMELL'S GR CH SISAR FIGARO (SIA d) M 10.6.14

Super stylish young male, one I have always held in high regard, he is not a big cat but mature for his age with such a strong broad head and huge wide based ears set following the lines of the wedge. Really deep brilliant blue colour to slightly deep set oriental eyes. Firm muscular body with long limbs and long fine tail. Short fine coat almost clear with pale red gold points colour. Gentle and relaxed very well shown and presented..

2nd BUDDEN'S BUDDYS BE--BOP-A-LULA (SIA f 21) F (see Colourpoint report)

**AC Siamese/Balinese Maiden Neuter**

1st BRIGHT'S MOONFLEET SCANDALIZER (SIA m 21) MN 04.04.14

Handsome young neuter, well grown and developed, medium wedge head, small pinch and very good topline. Bite level with firm chin. Expressive deep bright blue oriental eyes. Large wide based very well set ears. Long firm body, long slim legs, neat paws, tapering tail of balanced length. Short fine coat, almost clear with clear lilac based caramel points colour. Gentle and friendly, very well shown and presented.

**Oriental Bi-colour Kitten Male**

1st BORMAN'S SENSAY SMARTIEPANTS (OSH n 03 33) MN 25.06.15

Very well grown kitten of very good type, medium wedge, kitten pinch and very good top of head. Profile almost straight, neat level bite, firm chin. Expressive eyes, almond shaped, straight set of clear blue, the colour could be a little deeper for perfection. Large open at base very well set ears. Long firm body with long legs, neat paws and long fine tail with a tiny invisible defect at tip. Superb coat very short and close lying with warm light shading and dark seal points just on ears and tail. Pure white to well over the required one third with patches on mask, wide band down chest and broad under stomach and up flanks, all 4 legs. Excellent condition, presentation and temperament.

**Oriental Bi-colour Kitten Female**

1st BOB CHANDLER'S FLAMING HEART ALIEN INVASION (OSH f 03 33) FN 04.07.15

Very promising baby, well grown with a medium slightly pinched wedge head and broad topline. Straight 'roman' profile, level bite, firm chin. Expressive oriental eyes of deep bright blue. Large ears, very wide based and beautifully set. Long firm body, slender limbs, long fine tail. Very short fine textured coat with warm shading and seal points patched with red and over 40% pristine white in all the correct places. A bright lively kitten very well shown and presented.

**Lilac Point Siamese Adult**

BOB to TOBIAS' CH FLUTTERBY FIRST-LOVE (SIA c) F 08.10.14

Pretty lilac female, still a little adolescent and very worried today. Medium wedge head with pinch and very good topline. Profile almost straight, level bite, firm chin. Expressive oriental eyes, deep set of very good colour. Large open based very well set ears. Long firm body with slender limbs and tail of balanced length. Short fine coat, almost clear magnolia with good grey toned lilac points colour. A shy gentle girl who preferred the safety of her pen, excellent condition and presentation.

### **Chocolate Point Siamese Kitten**

1st BOB ALEFOUNDER'S SISAR LA PRIMAVERA (SIA b) F 27.6.15

Lovely kitten, very promising already with a strong stylish wedge and broad topline. Straight 'roman' profile, neat level bite and firm chin. Very expressive oriental eyes of deep vivid blue. Large very wide at base beautifully set ears. Elegant neckline, lengthy firm body, slender limbs with long fine tail. Short fine textured coat, almost clear with dark chocolate points colour. A confident purry kitten very well shown and presented.
