

# The GCCF Breeder Scheme

(Promoting responsible breeding)

## Dear New Owner

The **GCCF** is the UK's leading registry of pedigree cats and we would like to say congratulations on your new kitten or cat.

You have been given this form by your chosen breeder to enable you to provide feed-back to us so that we at the GCCF can monitor the effectiveness of the Breeder Scheme and help to make sure that the standards you have experienced during the purchase of your kitten are in line with the **code of ethics** set out on the Breeder Scheme website.

What we would like you to do is to complete the questionnaire on the reverse of this letter, the questions are designed to let us know that the kitten appears to be healthy, that you feel that the breeder is caring properly for his or her cats and that the kitten is insured, registered and has received a full course of vaccinations.

We can assure you that any feed-back you make will be treated in confidence, but we will store the forms, for up to three years and this may include electronic storage. We will not pass your personal details to any third party.

Whilst any information that you provide is confidential to the GCCF; we feel that it is essential that we have up-to date, first hand feed-back to enable us to monitor the effectiveness of the scheme and ensure high standards from participating breeders.

We may use your feed-back for training purposes and if necessary we will make contact with the breeder if standards are not what we would expect, but we will not divulge your name or any other details that may identify you

The GCCF is committed to supporting responsible breeders and new owners who together give pedigree kittens the very best start in life. It is hoped that with continuing care you will enjoy the companionship of your new pet for many years to come. We would be very grateful if you would return the form, by post to the address shown below, together with your registration certificate to transfer your kitten into your ownership, or by email to [info@gccfcats.org](mailto:info@gccfcats.org).
