

C2327: Statements from candidates in the Board tie-breaker vote

Ketill Game

I have been in the cat fancy for 40+ years, showing/ breeding and importing Korats. I was the Hall Manager for the Supreme from 1992 – 2009, and innovatively introduced the Ring system of judging.

I have been Hall Manager for various other shows, as well as Show Manager/Hall Manager for the Maidstone & Medway Cat Club, so am well aware of the intricacies of showing cats. I am currently the delegate for the SBSCC and have worked on BAC's in the past.

If voted on, I would strive to assist the new chairman in bringing some cohesion and openness, as well as integrity to the board, something that I feel is sadly lacking at present. This would enable the GCCF to move forward and start looking at new ideas, as well as providing better communication to its' members.

My outside work is involved in local communities as a Vice Chairman of the local Parish Council, where there is a requirement to be approachable and a willingness to help the community as a whole, as well as being able to negotiate between residents and contractors

Anna McEntee

I have been involved in the cat fancy for over thirty years mostly as an exhibitor of Persians, Exotic and British Shorthairs.

I have been passionate about the cat fancy since I was a little girl. I now have involvement with several Club committees in a range of roles including show management. I am looking to deepen my involvement by standing as a GCCF Board Member.

I am a good team player and enjoy collaborating with others. I am a strong communicator, have effective active listening skills and like to encourage others. I would describe myself as reliable and responsible, always ready to help and someone who supports and respects others.

We have a wonderful hobby, full of tradition which the Board must preserve. Alongside this, I am particularly keen to help ensure that the Board continues to focus on balancing the competing priorities and challenges it faces today, and in the future, whilst safe-guarding GCCF's position as the premier registration body for breeding and showing pedigree cats in the UK.
