Board Member – Reserves (2)

In order to determine the 'reserve' members, as this is STV we have taken the standard approach which is initially running the results for the number to elect to give us our elected candidates. We then run the report again but increase the number to elect by 2 in order to determine the next 2 candidates, for these results the candidates who have already been elected are 'guarded' which means they cannot be excluded at any stage.

DEVEREUX, Sarndra RESERVE 1

GAME, Ketill RESERVE 2
