OWNERS DECLARATION

Rule 3. In order to exhibit in any show held under GCCF license the registered owner(s) must sign the official entry form for the show and abide by and subscribe to the following Declaration.

(a) I/We am/are the registered owner(s) of the cats and/or kittens named on this form and I/we agree to be bound by and submit to the Byelaws and Rules of the Governing Council of the Cat Fancy presently in force and to any additional rules formulated specifically for this show, provided only that the latter do not conflict with the former. AND/OR I/We shall have applied for transfer at least 10 days before the show. **Registration (other than for newly recognised breeds) must be applied for BEFORE the closing date of 30th September 2019.**

(b) No cat owned by me/us or living at the same address will be exhibited at or entered for any show or public exhibition held less than thirteen days prior to or following the date of this show/exhibition.

(c)(i) In the event of ear mite infestation being diagnosed in my/our cattery/household by a veterinary surgeon, no cat owned by me/us or living at the same address will attend any show/exhibition until such time as all cats owned by me/us and/or living at the same address have been examined by a veterinary surgeon and pronounced free from ear mite infestation.

(ii) In the event of ringworm infection being diagnosed in my/our cattery/household by a veterinary surgeon, I/we will inform the GCCF Office and neither I/we nor any cat owned by me/us or living at the same address will attend any show/exhibition until a clearance certificate, as required by the GCCF, has been obtained. I/we understand that these restrictions will also apply if Ringworm is diagnosed in any cat/kitten exhibiting skin lesions within 7 days of leaving our/my household.

(iii) In the event of any other infectious disease, with the exception of feline leukaemia virus or feline immunodeficiency virus, being diagnosed by a veterinary surgeon in my/our cattery/household, no cat owned by me/us or living at the same address will attend any show/exhibition until at least one month after all cats owned by me/us and/or living at the same address have been examined by a veterinary surgeon and pronounced free from any evidence of the disease in question.

(iv) Cats showing a positive reaction to the feline leukaemia virus blood test or the feline immunodeficiency virus blood test must not be shown. N.B. Council strongly recommend that all cats should be tested regularly. Vaccination against Feline Leukaemia is also available.

(d) I agree to abide by any decision regarding rejection made by a duty veterinary surgeon.

(e) To the best of my knowledge the cat(s) entered for this show has/have not been subjected to any surgery to correct any defect listed in the GCCF Standard of Points.

PLEASE NOTE: All exhibits must be vaccinated against FIE, FVR & FCV. The full PRIMARY course (first set of vaccinations) in accordance with the manufacturer's recommendations must have been completed more than seven days before the show. Booster vaccinations against FIE, FVR & FCV must be given at the manufacturers recommended intervals. Where a variable interval of 1-3 years for FCV & FHV is recommended the minimum interval applies. i.e. all cats attending shows MUST receive annual booster vaccinations against FCV & FHV.

For Boosters only, note: Exhibitors are advised to leave at least a week between a booster vaccination and show attendance to allow the vaccine to take effect and in case of any adverse reaction. The certificate must have been issued by a veterinary practice/hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. Cats with an invalid vaccination certificate will be rejected under Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for that show, by sending the certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccination is received in the Office. **N.B.** The cat's last booster must have been given less than 12 months and 7 days preceding the show.
