Notes for Annual Returns

1. Club Returns come due on the 1st January each year but all paperwork should reach the office before 1st May that year. If that is not possible due to circumstances beyond the Club's control please contact the office as soon as possible explaining the reasons for delay as we may be able to help.
2. Failure to provide a return without sufficient explanation by the 1st May deadline could incur a penalty.
3. **Provided** they have been **examined**, the **accounts do not** have to be **approved at the Club's AGM before submission** to GCCF.
4. A revised set may be submitted later if amended by the Club's AGM.
5. Ensure that the name and address of the independent person examining the club's accounts is clearly shown on the account.
6. Ensure the **Examiner** in 4 above **signs the Club Return membership breakdown form and the Independent Examiners Declaration** before it is returned to the GCCF Office.
7. One of the most common reasons for the return of annual accounts for more information is because it is not possible to reconcile the membership numbers with subscriptions paid. Please use the form on the reverse of this note to show the breakdown of the membership returns for the year. The total amount of monies received should be the same as the amount shown on the audited accounts. It is very important to include the subscription rates for the club; also make sure that when joint membership figures are entered, they give the total number of members and the fee for the joint membership - frequently the figures given apply to pairs of members rather than single members.
8. If your Club holds a show, either on its own or jointly with another club(s), you are reminded that the profit or deficit (or your Club's share of it) forms part of the Club Balance Sheet for the year in question and a copy of the full show account should be included with your Club accounts.
9. Honorary and Junior members do not have voting rights.
10. **DELEGATE INFORMATION**
 - a. 50 or more voting members entitles a SPECIALIST or BREED CLUB to 1 delegate
 - b. 100 or more voting members entitles an AREA CLUB to 1 delegate
 - c. 200 or more voting members entitles a club to 2 delegates
 - d. 500 or more voting members entitles a club to 3 delegates
 - e. Honorary and Junior members do not have voting rights
 - f. Council reserves the right to grant representation different to the above in special circumstances at their sole discretion upon application in writing to the Board of Directors.
11. The GCCF Finance Committee recommend that financial documents, including those related to shows, should be kept at least until the accounts have been examined and approved at the club's AGM and preferably for six years.
12. For Full Member Clubs with less than 50 members, the flat rate of £15.00 applies as per 2017 ruling.
