

I would like to re apply for my position on the Disciplinary Committee.

As a breeder, exhibitor, show manager and full judge my experience gives me a very good understanding of all aspects of the GCCF system and as such means I am able to offer knowledgeable and unbiased consideration to cases brought forward to the panel. Added to this, my years of sitting as a member of the Disciplinary Committee provides the skills needed for this challenging position.

I am fair and always read both sides of any dispute and listen to all arguments before making any decisions.

I try to ensure I attend every meeting as I think this is an important part of GCCF.
