

GCCF and ROYAL CANIN® are working in partnership to offer new owners an incentive when they transfer their cat into their registered ownership with GCCF.

From 01 June 2015, when you have completed transfer of the registration of your cat into your name you will receive your Registration Certificate in the post and a leaflet with instructions on how to receive your voucher for free 2kg bag of ROYAL CANIN® cat food.

To transfer your cat online, start by going to GCCF Online Services at <http://www.gccfcats.org/online> and login or create a new account and then select “Transfer a cat” from the menu on the right.
