SHOW RULES AND REGULATIONS

The show is held under the rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the rules is not included with this schedule, all exhibitors are reminded that they should read section 4 of the show rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the rules. (copies of the rules may be obtained from the GCCF offices, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG.

REGISTRATION

No cat or kitten, entire or neutered, born after 19/10/71 with one or both parents, grand-parents or great grand-parents unregistered shall be eligible for the open classes. All pedigree cats, kittens or neuters exhibited at a GCCF show must be registered. All registered exhibits which have changed hands, must have been transferred to their new owner at least 10 days before the show. All registrations and/or transfers must have reached GCCF office at least 10 days before the show.

Cats which are not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.

GENERAL NOTES FOR THE ATTENTION OF ALL

The committee reserve to themselves the right to:

- a) Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits at the show.
- c) To accept or refuse exhibit entry without giving a reason.
- d) Refuse admission to the hall without giving a reason.
- e) Cancel, amalgamate or divide classes.
- f) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- g) Retain a percentage of the entry fees to cover essential expenses in the event of the show being cancelled for any reason.
- h) Make an administration charge for any cheque returned unpaid by the bank. The exhibitor's entry will be withdrawn from the show until such time as the entry fee plus an additional £15.00 administration charge are paid by that exhibitor. No further personal cheques will be accepted from that exhibitor.
- 4i) Exhibitors are responsible for the correct description of the exhibits and entering them in the correct classes.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or transfer certificate) for the cat that is to be exhibited, printing the details carefully to avoid any misinterpretation of your handwriting. If the document you have is headed 'application for the transfer of ownership of registered cats' this means that the cat is not registered in your name and you must complete the form and send it back to the GCCF with the transfer fee as soon as possible. It must be received by the GCCF no later than 10 days before the show.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (registration applied for) or TAF (transfer applied for), or both, in the registration no. Box it is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF

Try to keep a copy of your entry form, then, when you receive registration details and number, check these against the entry form and NOTIFY THE SHOW MANAGER in writing or via email of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when the Show is checked. All catalogue errors are checked against the original entry form and exhibitor's letters are used for reference. Show managements are permitted to accept corrections at their own discretion, up to the close of the Show (on Show day). Any such correction must not be an addition or substitution of any exhibit for which proof of entry cannot be validated or a change of owner.

If you are entering several cats from your household and registered owners (exhibitors) differ within that household/family, check with the Show Managers whether using one entry form is acceptable or not and, if it is, indicate very clearly which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit(s) should always use the same form and BOTH MUST SIGN.

GCCF Rules Section 4 Rule 26 – Exhibitors are reminded that the decisions of judges are final. Any attempt to influence such decisions, or to identify a cat or ownership of a cat to a judge at a

show before that judge's engagement has been completed may render the offender liable to disciplinary action.

DEFINITIONS

BREED CLASS Open to all of the specified breed who do not hold a Title.

CATS Not less than 9 calendar months on the day of the Show.

KITTENS Not less than 14 weeks and under 9 calendar months on Show day.

NEUTERS Neutered cats, male or female, must be registered.

Neuters may enter only neuter classes and may not compete with entire cats or kittens except in Club Classes which are scheduled to include neuters. Where Best in Show is held, the best Neuter shall be considered against the Best Entire Adult and Kitten for Best Exhibit in Show.

BREEDERS Exhibits bred by exhibitor/s cats originally registered in the Breeder's joint ownership, but changed to single ownership of one of the Breeders can still be entered in this class. Cats originally registered in the Breeder's single ownership and changed to joint ownership with the Breeder should be entered in the Non-Breeder's Class.

DEBUTANTE Exhibits that have never been shown at a show held under GCCF Rules. (If Debutante Adult and Neuter classes are offered at a show, entry as a Debutante Kitten does not count when the exhibit is shown as an adult or neuter and entry as a Debutante Adult or Kitten does not count when the exhibits neutered and shown).

MAIDEN Exhibits that have not won a First, Second or Third prize in any class at a show held under GCCF Rules.

NOVICE Exhibits that have not won a First Prize in any class at a show held under GCCF Rules.

LIMIT Exhibits that have not won more than four First Prizes in any class at a show held under GCCF Rules.

RADIUS Exhibits living within a 50 mile radius of the show hall.

VISITORS Exhibits NOT living within a 50 mile radius of the show hall.

JUNIOR Exhibits between 9 calendar months and 2 years on Show day.

SENIOR Exhibits between 2 years and 7 years on Show day.

VETERAN Exhibits 7 years and over on show day.

ARISTOCRAT Exhibits with one or two Challenge or Premier

Certificates but not Full Champions or Premiers.

EXHIBITION Cat, Kittens or Neuters attending the Show for Exhibition only and not entered into any competitive classes. The status of the exhibit for entering restricted classes (i.e. Maiden, Limit etc.) shall be the cat's status on the day of entry, except where Section 2 Rule 15e applies. Wins as a kitten do not count when the exhibit is shown as an Adult or Neuter; wins as an Adult do not count when the exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted classes.

TITLES

Please see the Rules, Section 4, Rule 4i & 4j :

- a) The title must have been claimed before the higher class is entered.
- b) Overseas titles do not qualify cats for higher classes and may not be used in front of the cat's name but may be placed in brackets after the name in the catalogue.
- c) Cats registered with both the GCCF and GCCF of Ireland and gain the same title at shows organised by both organisations may use the title 'International' once it has been verified by both parties.

Breed Classes: Open to all untitled Cats/Neuters of the specified breed (must be GCCF Registered). Challenge or Premier Certificates will be awarded to winners.

Grand Classes: Cats with the title of Champion/Premier must enter in this class and compete for a Grand Certificate.

Imperial Classes: Cats with a Grand title must enter this class and compete for an Imperial Certificate.

Olympian Classes: Cats with an Imperial title must enter this class and compete for an Olympian Certificate*.

*The title of Olympian Imperial Grand Champion/Premier will be granted to a cat winning five Olympian Imperial Grand Certificates at five all breed shows under five different judges (one certificate awarded at a single or multi breed show can count towards title). Only one prize with a Reserve in case of disqualification will be awarded. Awards will be given of Bronze/Silver/Gold, requiring 5 certificates to progress to each level. All breeds from all pedigree sections will compete against each other for one male and female certificate in the Entire and Neuter categories. It will be judged by judges who are Full Judges in (not across) 3 sections and eligible to judge at least 2 Imperial Classes in different sections.

SHOW WITHDRAWALS AND ALTERATIONS

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show. After this date the cat/s concerned may not be withdrawn from the catalogue of the show and the 13 day Rule about entering 2 shows within 13 days will apply. There will be no refund of entry fees if the cat is not present at the show and the entry in the catalogue must not be withdrawn. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full.

ALL WITHDRAWALS, ALTERATIONS AND/OR ADDITIONS TO ENTRY FORMS, MUST BE MADE IN WRITING TO THE SHOW MANAGER/S.

No telephone alterations and/or deletions will be accepted but corrections to your entry form can be made on show day
PLEASE NOTE: If a Cat/kitten is entered as an Entire and then Neutered before the Show you MUST notify the Show Manager ASAP.

CORRESPONDENCE

All correspondence must be accompanied by a S.A.E. if a reply is required. Any complaint related to the show must be forwarded to the Show Manager within seven days of the show.

NOTICE OF CHANGE

An announcement on GCCF/Club website of any alterations or additions made to this schedule or in these regulations shall be deemed sufficient notice.

JUDGING AND JUDGES

Judging will commence at 10.00 am and Exhibitors will be requested to clear the hall until 12.30pm, while the Title and Breed Classes are being judged. Judges are empowered to withhold any prize, award or certificate, in any class, if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

COUNTERSIGNATURES

In the event of a change of Judge of an Breed/Open Class occurring after the closing date of the show, providing the exhibitor informs the

Show Manager prior to Judging, that a certificate has previously been awarded by the replacement Judge, the Show Managers shall appoint one other Judge who shall Judge the cat, and if the cat is considered worthy, countersign the certificate which shall then count towards Champion/Premier status.

If the replacement Judge at the first show has also previously been booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this Judge can be regarded as a replacement Judge for the purpose of requesting a counter-signature.

ABBREVIATIONS

AC - Any Colour; AOC - Any other Colour; Self - One Colour; Non-Self- More than One Colour; AV - Any Variety; LH - Long Hair; SH - Short hair, SLH - Semi Longhair; M - Male; F - Female; MN - Male Neuter; FN - Female Neuter

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS

These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the Show. Continuous repetition of the same error after notification will be referred to the Executive Committee. Examples of minor errors include:-

- a) Spelling errors.
- b) Separation of cat's names that should be one word and vice versa.
- c) Administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit.
- d) Overseas title preceding the name of an exhibit, sire or dam etc.
- e) Full breed number known but not given.
- f) Sire and Dam reversed or named incorrectly.
- g) Breeder joint when single, and vice versa.

INCORRECT DATE OF BIRTH

This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes, but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

N.B. AGE LIMITS

Kittens - not less than 14 weeks and under 9 calendar months on the date of Show.

Adults - not less than 9 calendar months on date of Show.

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER

If registration/transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable.

The following discrepancies are those which usually arise:

EXHIBIT Totally incorrect name.

REGISTERED OWNER/S Joint when they should be single and vice versa.

(EXHIBITOR). Declaration not signed by registered owner(s).

N.B. The Exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the Show.

BREEDER. Totally incorrect name or names.

N.B. the breeder of a cat is always the registered owner of the Dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 10 DAYS BEFORE THE DATE OF THE SHOW

These entries will be disqualified. Remember the effective date of all registrations and transfers is the first date of valid receipt by the GCCF, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED MORE THAN 10 DAYS BEFORE THE DATE OF THE SHOW

These entries will also be disqualified as the exhibitor's entry form becomes invalid.

INCORRECT OR INELIGIBILITY OF CLASS ENTRY

These will be disqualified from the class concerned – so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially it is important that you notify the Show Manager immediately. Exhibits entered in the Grand class must have qualified on or before the published closing date of the show.

CATS REGISTERED ON THE REFERENCE REGISTER

No cat registered on this Register is eligible to be shown and

therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown, even if they are registered on the Reference Register, as long as this was the only reason for the Reference Registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Board of Directors if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention Show Checking.

VETERINARY CLEARANCE CERTIFICATES

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your Clearance Certificate to the Veterinary Officer please include your copy of the rejection slip.
2. Please **DO NOT** send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, self addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

Please note that any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any capacity which requires the handling of cats at shows until a clearance certificate, as required by the GCCF, has been obtained.

PENNING OF EXHIBITS

Every exhibit must be provided with a white sanitary tray, and clean plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed, but white Vet-bed or like material may be used if preferred. A hot water bottle or heat reflecting material or a cool pack may be used, provided they are covered by a blanket, in accordance with GCCF rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed before judging commences at 10 am, and may not be returned until

1.00 pm. One small toy may be placed in the pen after the time announced for the admission of the public. Judges are instructed to pass any pen that is distinguished in anyway, other than official notices or award cards. No written or printed matter may be placed on competitive pens - For Sale signs are NOT permitted! Exhibition pens only, may be decorated and may carry printed matter relating to the exhibit. Exhibits actually received into the Show Hall cannot be removed without the sanction of the Show Managers. They are only received on condition that the club shall not be held responsible for any loss or damage to exhibits, boxes or baskets or in any other way. Please Note that it is the Exhibitors responsibility to ensure that their cat's pen is safe and secure before leaving the hall.

ADVICE TO EXHIBITORS – PLEASE DO TAKE NOTE

- a. You are advised against purchasing any shampoo's that change a cat's coat colour or the use of Stress Remedies including Scullcap or Valerian which change a cat's normal appearance or physical reaction as this will lead to disqualification under Section 4 Rule 14.
- b. Any person whose cats have been rejected under sections C or D must not officiate as a judge or steward, or in any other capacity which requires the handling of cats at shows, until a clearance certificate as required by the GCCF has been obtained.
- c. The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing feature.
- d. The use of any kind of spray in the hall is strictly forbidden.
- e. Please note that in addition to the classes you have entered, your cat may also be handled. for the purpose of assessing candidates in the GCCF appointment scheme.
- f. Queens who have kitted within 12 weeks of the date of the show may not be shown.
- g. Owners Liability: Please note that Exhibitors (owners) are responsible for the cost of any veterinary treatment required by their cat/s during the Exhibitors (owners) absence from the show hall.
- h. Advertisements: Be aware that advertising the future attendance of your cat at a GCCF show could lead to disciplinary action – take care when advertising in magazines, newspapers, newsletters or on the Internet.
- i. GCCF Veterinary Sub Committee wish to remind Exhibitors that cats should not be left in cars.

NEW RULES

Any cat which cannot be handled safely for examination will be rejected.

NB. Exhibitors must trim their cat's claws, if necessary, prior to the show.

Section 5: rule 4e

- e. Cats which show obvious signs of lack of attention to hygiene, have sharp untrimmed claws, or in the opinion of the veterinary surgeons are in an unfit condition for show, must be rejected under Section A of the Veterinary Rejection form. Note: Exhibitors should be allowed the opportunity to trim claws prior to a rejection, but should not expect the veterinary surgeon to do this for them at vetting-in.
(Amended 15.06.2016)

Any cat biting or inflicting injury by deliberately scratching a judge, veterinary surgeon, steward or other show official, or displaying extremely threatening behaviour that indicates this could happen, must be reported to the show manager. The show manager must withdraw the cat from all remaining classes at the show and shall inform the owner of the cat in writing, sending a copy to the GCCF Office. Awards made prior to the disqualification will not be forfeited. If, in the opinion of the person reporting the injury or behaviour, the cat was defending itself in and/or there were exceptional and frightening circumstances, that information, provided by the person reporting the incident, should be given to the GCCF Office for consideration by the Board of Directors. If the cat is reporting at any subsequent show for biting or deliberately scratching, it shall be disqualified from all future shows unless the Board of Directors rules otherwise. If more than one report of threatening behaviour is submitted then the Board of Directors may at its discretion fix a term of exclusion from showing. If there is any further report of injury or behaviour subsequent to a fixed term of exclusion there will be disqualification from all future shows, unless the Board of Directors who should consider extenuating circumstances and set a further term of exclusion

Section 5 VETERINARY SURGEONS rule 3.

For Boosters only note: Exhibitors are advised to leave at least a week between a booster vaccination and show attendance to allow the vaccine to take effect and in case of any adverse reaction.

ONLINE ENTRIES

IMPORTANT ADVICE ON FILLING IN OUR ENTRY FORM

Please **PRINT IN BLOCK CAPITALS**—this reduces the risk of us not being able to read your handwriting.

Please use **BLACKINK ONLY** - your form will be photocopied: blue, red, pink and glitter ink does not photocopy well and can be hard to read.

Please **ALWAYS** put the correct BREED class number in the BREED box. This is especially important for those of you entering the OLYMPIAN, IMPERIAL, or GRAND classes: If you wanted to be “considered for BoB only” then please **TICK** the **BOB ONLY** box. If you do not wish to be considered for BOB then please place a **CROSS** in the **BOB ONLY** box.

HP Exhibitors please note this now also applies to your entry if you are entering the Olympian, Imperial or Grand Classes, you will need to indicate the correct Breed Class and whether or not you wish to be “Considered for BOC” or not, also please indicate if you are entering a NP (Non-Pedigree Pet) or PP (Pedigree Pet).

Please help us get this right first time to save time and stress for all concerned on Show Day when it is not always possible to correct such problems.

Support YOUR Show!

All shows rely on Exhibitors to keep the shows running year after year. Even if you aren't able to enter, there are other ways to support our show!

- ◇ Offer a special prize for the cat/s of your choice. This could be anything from a small toy for each Best of Breed kittens, or a bottle of bubbly for Overall Best In Show
- ◇ Buy a ticket for our raffle! We have been lucky to have all kinds of fantastic gifts donated!
- ◇ Sponsor a class! Anyone can sponsor one of our classes. Breeders, individuals, and businesses have sponsored us in the past. Why not sponsor a class in memory of a much loved Ragdoll who is no longer with us.

Most of all, if you are unable to exhibit in this years show, we would love to see you come and visit us and see the Raggies on exhibition and in competition. Our show is the largest Ragdoll breed show in the UK. It is a show not to be missed!
