

CAMEO PEWTER AND SMOKE SOCIETY

(Incorporating associated breeds)

The CPSS would like to arrange a Seminar, focussing on Smoke Shaded and Tipped Cats.

It will be run under the auspices of the Persian BAC

ARE YOU INTERESTED?

We will endeavour to have examples of all of the above varieties, (Persians, Exotics and British S.H) available on the day for discussion and to permit Pupil Judges and Stewards to carry out assessments.

Sadly, there is not going to be a SUPREME this year and so we will use that week-end for our Seminar.

SUNDAY 24<sup>th</sup> OCTOBER.

The Venue will be our usual show venue, Gnosall, near Stafford. We have chosen this because the Hall Officials are very good to us, and should we be forced to cancel at short notice, we would not be charged.

Any restrictions due to COVID will be strictly adhered to.

We would invite prominent breeders to give presentations in the morning, and then after lunch all Participant will have the opportunity to handle cats and discuss their qualities in smaller groups.

Should participants wish to stay overnight the evening before the Seminar we will arrange a group booking and reduced rates at a local Hotel.

Admission to the Seminar will be by ticket only, and the cost based on the number of participants.

PLEASE LET US KNOW IF YOU WOULD LIKE TO ATTEND THIS SEMINAR

Would you like to do so as a Participant?

Would you hope to carry out an assessment?

Would you want overnight accommodation arranging for you (at your own expense)

THE SEMINAR WILL NOT GO AHEAD IF THERE IS INSUFFICIENT CONFIRMED INTEREST.
