## **PLEASE NOTE VERY CAREFULLY**

Our show is sharing the date and venue with the Midland Counties Cat Club and the Progressive Ragdoll Breed CC. This means that cats of the relevant breeds may optionally enter one of these two shows as well as the Central All Breed CC and thus compete for two certificates in one day.

You **must complete separate entry forms for each show** you enter and send it with the correct fees to the relevant Show Manager.

**For titled cats, BOB-only entry in the Breed class does NOT count as one of their classes. Exhibitors of titled cats must make it clear on their entry form if they DO NOT wish their cat to be considered for BOB.**

Household Pets are also catered for by the PRBCC, the MCCC and the Central All Breed CC, but these cats/kittens may optionally enter two of the shows only.

**And lastly, for each cat entered in two shows you will earn a £2.50 discount off each entry, i.e. £5 in total.**

Schedules for the Midland Counties and the Progressive Ragdoll shows may also be downloaded from the GCCF website and the relevant club websites.

## SHOW RULES AND REGULATIONS

The show is held under Licence and Rules of the Governing Council of the Cat Fancy and is open to all. Since a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG – website: [www.gccfcats.org](http://www.gccfcats.org)).

### REGISTRATION

No Cat or Kitten, Entire or Neutered, with one or both parents, grandparent/s or great-grandparent/s unregistered shall be eligible for entry into pedigree breed Classes. All Cats, Kittens and Neuters are eligible for the Show if registered with the GCCF, except those on the reference register. All registered exhibits which have changed hands, must have been transferred to their new owner at least 10 days before the Show. All registrations and/or transfers must have reached the GCCF Office at least 10 days before the Show. If the registration number has not been received when completing the entry form, write N.A.F. (Number Applied For) in the appropriate column and forward the number as soon as possible to the Show Manager. Your first choice of name should be entered in the appropriate column.

### SHOW ENTRY

The Exhibitor must complete the entry form using the information stated on the registration/transfer certificate. Exhibitors are responsible for the correct description of the exhibits and for entering them in the correct classes. Please do not omit to read and sign the declaration - if joint owners, both must sign the form.

Any cheques which are not honoured will be subject to an increase of £10 to cover the cost of any bank charges and administration. The exhibitor will be expected to pay not only the cost of entry, but also this extra £10, by Postal Order to the Show Manager.

**ALL BREED AND COLOUR CLASSES WILL BE SPLIT IF BOTH SEXES ARE ENTERED**

### VETERINARY

Exhibits will be received at the Show hall from 7.30am until 9.30am on Show Day. Each exhibit will be examined by the club's Hon. Veterinary Surgeons, and no exhibit may be penned before being examined. Vetting in slips will be given out on the day of the show. All exhibits must be inoculated against Feline Infectious Enteritis FVR & FCV (Cat Flu), the full course in accordance with manufacturers recommendations must have been completed 7 days before the show. The Certificate must have been issued by a Veterinary Practice / Hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. This should be properly completed and clearly indicate the identity of the exhibit and the owner, confusion may result in rejection. Cats with an invalid vaccination certificate will be rejected under Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for that show, by sending the certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received by the Office.

**ALL CURRENT CERTIFICATES MUST BE AVAILABLE FOR VETERINARY INSPECTION IF REQUIRED.** The GCCF recommend that all cats and kittens owned by exhibitors be regularly tested for FeLV. Cats showing a positive reaction to the Feline Leukaemia Virus blood test or the Feline Immunodeficiency Virus blood test must not be shown. ***PLEASE NOTE: Homeopathic vaccination is not acceptable for the purpose of showing.***

Exhibits must have clean ears and coats free from pests. Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same household and owner shall be debarred from attending the show. The Veterinary Surgeon's decision is final.

### PENNING OF EXHIBITS

A limited number of double pens will be available for large breeds only, an additional £14.00 (members 12.00) is required. Every exhibit must be provided with a white sanitary tray and clean, plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white Vet-Bed or like material with white or green backing may be used if preferred. A hot water bottle OR HEAT REFLECTING MATERIAL or COOL PACK may be used, provided they are covered by the blanket

in accordance with GCCF Rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed when judging commences at 10am and may not be returned until 12:30pm. Judges are instructed to pass any pen that is distinguished in any way. Other than official notices or award cards, no written or printed matter may be placed on competitive pens. Exhibition pens only may be decorated and may carry printed matter relating to the exhibit. Exhibits actually received into the Show Hall cannot be removed without the sanction of the Show Manager. They are only received on the condition that the club shall not be held responsible for any loss or damage to exhibits, boxes or baskets or in any other way. The show closes at 5pm. No cat may be removed from its pen before this time.

### **COUNTERSIGNING OF CERTIFICATES**

In the event of a change of judge of a Breed or Titled Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status. If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be considered as a replacement judge for the purpose of requesting a countersignature. When a cat which has been awarded a certificate at the Supreme Show is entered under the same judge, for the equivalent certificate, during the following three months, then at one subsequent show this judge can be regarded as a replacement for the purpose of requesting a countersignature.

Any Cat or Kitten disqualified by a Veterinary Surgeon or Judge on grounds of condition must be reported by the Show Manager to the Honorary Secretary of the GCCF.

Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the GCCF Office. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the GCCF Office for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

### **THERE WILL BE NO EARLY PASSES**

No-one may remove any exhibit from its pen except the owner or a Club Official; penalty for contravention of this Rule is £10.

Judges are empowered to withhold any prizes or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card.

The Committee reserve to themselves the right to:

- (1) Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further Judges if deemed necessary.
- (2) Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- (3) Cancel, amalgamate or divide classes.
- (4) Publish a catalogue of the show containing information as to the exhibits and the names of the exhibitors.

### **CORRESPONDENCE**

All correspondence must be accompanied by a stamped, addressed envelope. Any complaint related to the Show must be forwarded to the Show Manager within seven days of the Show.

### **CHAMPION & PREMIER**

The title of Champion for cats and Premier for neuters shall be granted to exhibits winning three challenge certificates or premier certificates at three shows under separate judges. A GCCF Challenge/Premier certificate will be offered for each cat/neuter Breed Class of the recognised breeds with Championship status.

### **GRAND CHAMPION & GRAND PREMIER**

The title of Grand Champion will be granted to a cat winning three Grand Challenge Certificates at three shows under three different Judges. To compete in the Champion (Grand) Class a cat must be a full Champion on the date that the show closes. Only one prize with a Reserve in case of

disqualification will be awarded. The title of Grand Premier shall be granted to neutered cats under the same rules and conditions as those for Grand Champion. The Champion or Premier (Grand) Classes will be split into Male and Female.

#### **IMPERIAL GRAND CHAMPION & IMPERIAL GRAND PREMIER**

The title of Imperial Grand Champion will be granted to a cat winning five Imperial Certificates at five shows under five different Judges. To compete in the Imperial Classes a cat must be a Grand Champion by the show's closing date. The title of Imperial Grand Premier will be awarded to neutered cats under the same rules as those for Imperial Grand Champion. These classes will be split into Male and Female.

#### **OLYMPIAN TITLES**

The Olympian title shall be attained by the awarding of five Olympian certificates at five shows by five different Judges. (Note: A maximum of one of the five may be awarded at a breed show; the others must be awarded at all-breed shows.) The first five awards will be noted with the title Olympian Bronze; the second five will be noted with the title Olympian Silver; and the third five will be noted with the title of Olympian Gold. To compete in the Olympian classes a cat must be an Imperial Grand Champion, Imperial Grand Premier or Imperial Grand Master by the show's closing date.

#### **ADVICE TO EXHIBITORS**

- a) You are advised against purchasing any shampoos that change a cat's colour as this can lead to disqualification.
- b) Any alteration to your entry form must be in writing which will be attached to the form by the Show Manager. You may also make corrections to the form up to the close of the show.
- c) Kittens under the age of fourteen weeks may not be shown.
- d) Any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.
- e) The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing mark.
- f) Please note that in addition to the classes you have entered, your cat may also be handled for the purposes of assessing candidates in the GCCF appointment scheme.
- g) Queens who have kitted within 12 weeks of the date of the show may not be shown.
- h) Cats which are not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown.

Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected. For jointly-owned exhibits, clearance may be required for both households.

#### **NOTE**

When counting wins / prizes, include all awarded in any class at a show held under GCCF rules. PLEASE CHECK YOUR ENTRY CAREFULLY, ALL SPELLINGS, DATES, SEX AND REGISTRATION NUMBERS MUST BE CORRECT. YOU MAY CORRECT ANY ERRORS IN YOUR ENTRY ON THE DAY OF THE SHOW

Wins as a Kitten do not count when the exhibit is shown as an Adult or Neuter. Wins as an Adult do not count when the exhibit is neutered and subsequently shown. Merit Awards do not count as 'wins' for entering restricted classes.

### GENERAL GUIDELINES FOR ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (ie Registration or Transfer Certificate) for the cat that is to be exhibited. PRINTING the details carefully to avoid any misinterpretation of your handwriting. If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgment postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF. Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day); such a change must not be a change of exhibit. If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate VERY CLEARLY which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit/exhibits should always use the same form and both must sign.

### STATUS OF ERRORS - WHAT TO EXPECT

**MINOR ERRORS.** These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee. Examples of minor errors include:

- (a) spelling errors
- (b) separation of cat's names that should be one word, and vice versa
- (c) administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit
- (d) overseas title preceding the name of an exhibit, sire or dam, etc
- (e) full breed number known but not given
- (f) Sire and Dam reversed or named incorrectly
- (g) breeder joint when single and vice versa

**INCORRECT DATE OF BIRTH** : This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

**NB AGE LIMITS** : Kittens - not less than 14 weeks and under 9 calendar months on date of show  
Adults - not less than 9 calendar months on date of show

**INCORRECT NAME OF EXHIBIT/OWNER/BREEDER** : If registration/transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise: EXHIBIT : Totally incorrect name

REGISTERED OWNER : Joint when they should be single and vice versa

EXHIBITOR DECLARATION : not signed by registered owner(s) NB The exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the show.

BREEDER : Totally incorrect name or names NB The breeder of a cat is always the registered owner of the dam on the date of the cat's birth.

**REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 10 DAYS BEFORE THE DATE OF THE SHOW** : These entries will be disqualified. Remember the effective date of all registrations and transfers is the first date of valid receipt by the GCCF, and if you enclose your own stamped addressed acknowledgement card with your application form, this will be stamped with the GCCF Office date of receipt.

**TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY THE GCCF MORE THAN 10 DAYS BEFORE THE DATE OF THE SHOW** : Entries such as these will also be disqualified as the exhibitors entry form becomes invalid.

**INCORRECT OR INELIGIBILITY OF CLASS ENTRY** : These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in the Grand Class must have qualified on or before the published closing date of the show **CAT REGISTERED ON THE REFERENCE REGISTER** : No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration. Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.

### **VETERINARY CLEARANCE CERTIFICATES**

Exhibitors whose cats have been rejected at shows please note the following points:-

1. When sending your clearance certificates to the Veterinary Officer, please include your copy of the rejection slip.
2. Please **DO NOT** send these certificates by recorded delivery post as this can cause considerable delay in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped addressed postcard acknowledging receipt, for signature and this will be returned to you.

Exhibitors should not attend shows until they have received a letter accepting and confirming clearance. It is recommended that this letter be taken to shows within one month of issue of the clearance letter.

### **VETERINARY LETTERS**

In the past, cats showing signs of skin lesions might have been allowed entry to a show on production of a letter from their Veterinary Surgeon, stating the origin of the lesion. This was subject to the agreement of the Duty Vet. This is no longer applicable; such letters are no longer accepted at shows and any exhibitor presenting a cat with any skin lesions indicative of ringworm is likely to be rejected at vetting in. The GCCF Chief Veterinary Officer recommends exhibitors not to take a cat to a show if it has any skin lesions indicative of ringworm, however small.

### **GENERAL NOTES FOR THE ATTENTION OF ALL**

An announcement on our web site or that of the GCCF of any additions or alterations made to this schedule or in these regulations shall be deemed sufficient notice.

All correspondence must be accompanied by a SAE if a reply is required. Any complaint related to the show must be forwarded to the Show Manager within seven days of the show.

Photographs or videos may only be taken after permission has been obtained from the Show Manager AND the exhibit's owner. (NOTE: The venue management may apply additional restrictions on photography and video recording.)

Neutered kittens must enter their relevant kitten breed class, and kitten miscellaneous and club classes.

The Committee reserve to themselves the exclusive right to :

- b. fix and limit the number of exhibits at the show.
- c. to accept or refuse exhibit entry without giving a reason.
- d. refuse admission to the hall without giving a reason.
- e. cancel, amalgamate or divide classes.
- f. publish a catalogue of the show containing information as to the exhibits and names & addresses of exhibitors.
- g. retain a percentage of entry fees to cover essential expenses in the event of the show being cancelled for any reason.

### **SHOW WITHDRAWALS AND ALTERATIONS**

The last date for withdrawal of a cat from a show is the advertised closing date for entries. After this date the cat(s) concerned may not be withdrawn from the catalogue of the show and the 13-day rule about entering 2 shows within 13 days will apply. There will be no refund of entry fees if the cat is not present at the show. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full. All withdrawals must be made in writing.

Any alteration or addition to entry forms must be made in writing to the Show Manager. No telephone alterations or deletions will be accepted. Corrections to your entry form can be made on show day.
