SHOW RULES AND REGULATIONS

This show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies may be obtained from the GCCF Offices, 5, Kings Castle Business Park, The Drove, Bridgwater, Somerset, TA6. 4AG. Or on the Website: www.gccfcats.org). Please read CAREFULLY, the GCCF General Guidelines on Entering Shows elsewhere in this Schedule.

REGISTRATION

No Cat or Kitten, Entire or Neutered, with one or both parents unregistered shall be eligible for entry into pedigree Breed Classes, these are entered in the Household Pet section. All Pedigree Cats, Kittens or Neuters are eligible for the Show if registered with the GCCF, except those on the Reference Register. Registration details can be obtained from the GCCF Office. All registered exhibits which have changed ownership, must have been transferred to their new owner AT LEAST 10 days before the show. If the registration number has not been received when completing the entry form, write NAF (number applied for), in the appropriate column and forward the number as soon as possible to the Show Manager. Your first choice of name should be entered in the appropriate column.

SHOW ENTRY

The Exhibitor must complete the entry form as stated on the registration/transfer certificate. Exhibitors are responsible for the correct description of the exhibits and for entering them in the correct classes. Please print the details clearly to avoid confusion of spelling of names etc. Please do not omit to read and sign the declaration – if joint owners both must sign the form. Exhibits must be entered into the appropriate Title/Breed Class and at least three other classes. **Any cheques, which are not honoured (i.e. returned refer to drawer), will be subject to a £10 charge to cover any bank charges and administration.**

DATA PROTECTION ACT – Please note your entry form details will be processed by computer. Exhibitors addresses WILL NOT be published in the catalogue.

VETERINARY

Exhibits will be received at the show hall from **8am** until **9.45am** on the morning of the show. Each exhibit must be brought into the show hall in a suitable container (top opening is recommended) and must be accompanied by the owner or the owner's agent. Each exhibit will be examined by the Club's Honorary Veterinary Surgeons who are authorised to exclude any exhibit that they consider unfit. No exhibit may be penned before being examined.

Each exhibit must have clean ears and coats free from pests. No queen may be exhibited within 12 weeks from the date of kitting; neither may a pregnant or lactating queen be exhibited. No exhibit that has been de-clawed will be accepted; neither will male cats, which are either monorchids or cryptorchids.

PLEASE MAKE SURE YOUR CATS CLAWS HAVE BEEN CLIPPED BEFORE YOU ARRIVE AT THE SHOW. IF CLAWS ARE NOT CLIPPED, YOU WILL BE TURNED AWAY AT VETTING IN TO GO AND CLIP THEM.

Vetting-in envelopes will be given out on the day of the show.

CHANGES TO GCCF VACCINE RULE 5/3 - GUIDANCE NOTES FOR OWNERS

Kittens must have received two doses of vaccine against Feline Calicivirus (FCV), Feline Herpes Virus (FHV) and Feline Panleukopenia * (FPV). (*Previously termed Feline Infectious Enteritis), Done at approx. 9 and the second at approximately 12 weeks.

If the interval between doses exceeded 6 weeks the vaccination is invalid as the period elapsed is too long for the 2nd dose to be fully effective.

In these circumstances either:

- i. If the elapsed interval from the second dose is less than 6 weeks when the error is corrected a single third dose of vaccine is sufficient to confer full immunity.
- ii. If the elapsed interval from the second dose is more than 6 weeks the kitten course of 2 doses of vaccine, 3-4 weeks apart must be repeated.

The cat must have received a third vaccination, often termed 'first booster' one year after the second vaccination was given. To comply with GCCF rules this must be administered no more than 15 months after the second vaccination. If this period is exceeded ie the third vaccination is more than 3 months overdue a 2-dose kitten course must be repeated.

NB If a young queen is mated resulting in her third vaccination (1st booster) being due in pregnancy or lactation it is highly recommended that consideration is given to administering it early ie at least 2 weeks before mating. This is good practice as it will help to ensure that the kittens receive adequate maternally derived antibodies in the colostrum. Failure to do this may result in her vaccination certificate being invalid for show purposes as the queen should not receive a vaccine during pregnancy and lactation.

In all cases the cat's last booster vaccine must have been given less than 12 months and 7 days preceding the show.

For older cats who have received the full primary course of 3 doses of vaccine at 9 and 12 weeks and 15 months and at least one subsequent booster the intervening vaccination history is not considered relevant and vets are instructed to only check the current entry, which must have been administered in the 12 months and 7 days preceding the show.

The Certificate must have been issued by a Veterinary Practice/Hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon.

Certificates must be completed with the name and address of the owner and identification of the cat. All Vaccination certificates MUST be shown at vetting in or the exhibit will be rejected under section A, unless the exhibitor undertakes to provide proof of vaccination by sending the certificate to the GCCF Office within 7 days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office.

Please note: Homeopathic vaccination is not acceptable for the purpose of showing.

Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same household and owner shall be debarred from attending the show. The Veterinary Surgeon's decision is final.

Owners are responsible for the cost of any veterinary treatment required by their cat(s) in their absence from the show hall.

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the Show Managers shall obtain from the vet, the reasons and accordingly notify the GCCF, ensuring that a copy of the rejection form is given to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows please note the following points:

- 1). When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
- 2). Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in receipt of your certificate. If you wish to satisfy yourself that your letter has reached the Veterinary Officer, please enclose a stamped addressed postcard for acknowledgement receipt, this will be signed and returned to you.
- 3). Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

REFUNDS

THERE WILL BE NO REFUNDS OF ENTRY FEES AFTER THE PUBLISHED CLOSING DATE. Any exhibit withdrawn PRIOR to the closing date will be charged for any administration costs incurred up till this point.

The Committee reserves the right to retain a percentage of all entry fees to cover essential expenses in the event of a strike, weather conditions, emergency, or any other unforeseen circumstances, which cause the cancellation of the Show.

PENNING OF EXHIBITS

Take pride in presenting your exhibit, be sure it is comfortable. Warm and relaxed. Each competitive exhibit must be provided with a white sanitary tray and a clean plain white or near white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed, but white vet-bed or like material may be used if preferred. A hot water bottle or heat reflecting material or a cool pack may be used, providing they are covered by the blanket, in accordance with GCCF Rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed when judging commences at 10.00am and may not be returned until 12.30pm. Judges are instructed to pass any pen that is distinguished in any way.

Other than official notices or awards cards, no written or printed matter may be placed on competitive pens. Exhibition Pens only may be decorated and may carry printed matter relating to the exhibit. Exhibits actually received into the Show Hall cannot be removed without sanction of the Show Managers. They are only received on the condition that the Club shall not be held responsible for any loss or damage to exhibits, boxes or baskets or in any other way. **Please note** it is the exhibitor's responsibility to ensure that their cat's pen is safe and secure before leaving the show hall.

Any exhibit prepared for show in any artificial manner which changes its appearance relative to the Standard of Points shall be disqualified by the Show Manager as there had been a breach of the rules. Such preparation includes the uses of powder, dyes, other colouring or whitening or darkening substances, or any oils or greasy preparations, or any other cleaning substances which remain in the

exhibit's coat during the show, it also includes trimming, clipping, singeing or rasping down of the fast coat. Any treatment to change the temperament of the exhibit, such as skullcap and Valerian is forbidden.

COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of a Title/Breed class occurring after the closing date of the Show and **provided that the exhibitor informs the Show Managers prior to judging** that a Certificate has previously been awarded by the replacement judge, the Show Managers shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate, which shall then count towards championship status.

If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be considered as a replacement judge for the purpose of requesting a countersignature. When a cat, which has been awarded a certificate at the Supreme Show, is entering under the same judge for the equivalent certificate, during the following three months, then at one subsequent show this judge can be regarded as a replacement for the purpose of requesting a countersignature.

JUDGES

Judging will commence at 10am. Judges are empowered to withhold any prizes or championship in any class, if the exhibits do not in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card. In the event of a change of judge of a Title/Breed class occurring after the closing date of the show, and provided that the exhibitor informs the Show Managers prior to judging, that a certificate has previously been awarded by the replacement judge, the Show Managers shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate, which then counts towards championship status. **The show will close at 4.30pm or earlier at the Show Managers discretion. No cat may be removed from its pen before this time.** Any exhibitor interfering with or removing any cat from its pen during the Show, except with the consent of the Show Managers, will forfeit any award that may be due to his or her exhibit. Exhibitors must leave the hall at 10.00am and not return until 12.30pm.

THE COMMITTEE RESERVE THE RIGHT TO:

- a) Appoint other judges should the advertised be unable to fulfill their engagements and to appoint further judges if deemed necessary.
- b) Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- c) Cancel, amalgamate or divide classes.
- d) Disqualify cats entered in the wrong classes by the exhibitor.
- e) Refuse admission to the Show Hall without giving a reason.
- f) Retain a percentage of the entry fees to cover essential expenses, in the event of the Show being cancelled for any reason.

FOR YOUR INFORMATION

- 1) No Kitten shall be exhibited under the age of 14 weeks. This also applies to Household Pet exhibits and litters for Exhibition.

- 2a) Any Cat or Kitten, which in the opinion of the judge, is very under-developed or in poor condition, shall be disqualified from competition.
- 2b) Any Cat or Kitten disqualified by a judge on the grounds of condition must be reported by the Show Managers to the Honorary Secretary of the GCCF.

BITING AT SHOWS

Any cat biting or inflicting injury by deliberately scratching a judge, Veterinary Surgeon, Steward or any other show Official must be reported to the Show Managers. The Show Managers must withdraw the cat from the show and inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

EXHIBITS FOR ASSESSMENT

Exhibitors must provide a copy of the GCCF approved Standard of Points when making their entry.

ADVICE TO EXHIBITORS AS FROM 1.6.92

- a). You are advised against purchasing any shampoos that change a cat's coat colour as this can lead to disqualification.
- b). Homeopathic Vaccinations are **not** acceptable to the GCCF for the purpose of vetting-in.
- c). Any alteration to your entry form must be in writing which will be attached to the form by the Show Managers. You may also make corrections to the form up to the close of the show.
- d). Kittens under 14 weeks of age may not be shown.
- e). Any person whose cats have been rejected under section C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.
- f). The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing mark.
- g). Please note that in addition to the classes you have entered, your cat may also be handled for the purpose of assessing candidates in the GCCF appointment scheme.
- h). Queens who have kitted within 12 weeks of the date of the show may not be shown.

WARNING

Owners are warned by the GCCF against selling whole litters to one buyer, as unfortunate consequences may follow.

CORRESPONDENCE

Any complaint relating to the show must be sent to the Show Manager within seven (7) days of the close of the show. Please enclose a stamped addressed envelope for reply.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, **printing** the details carefully to avoid any misinterpretation of your handwriting. If the document, you have is headed 'APPLICATION FOR THE TRANSFER OF OWNERSHIP OF REGISTERED CATS' this means that the cat is not registered in your name and you must complete the form and send it back to the GCCF with the transfer fee as soon as possible. It must be received by the GCCF no later than 10 days before the show.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form – then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the show catalogue, but the Show Manager should attach your letter to your entry form, which will save unnecessary notification of discrepancies when that show is checked. All catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day). Any such correction must not be an addition or substitution of any exhibit for which proof of entry cannot be validated, or a change of exhibitor/owner.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for

each owner to use separate entry form, but joint owners of an exhibit should always use the same form and **both must sign**.

GCCF Rules Section 4 Rule 26 – Exhibitors are reminded that the decisions of the judges are final. Any attempt to influence such decisions, or to identify a cat or ownership of a cat to a judge at a show before that judge’s engagement has been completed may render the offender liable to disciplinary action.

STATUS OF ERRORS – WHAT TO EXPECT

Minor Errors

These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) spelling errors
- (b) separation of cats’ names that should be one word, and vice versa
- (c) administrative/breeder’s prefix omitted from exhibit name or partially incorrect name given for exhibit
- (d) overseas title preceding the name of an exhibit, sire or dam, etc.
- (e) full breed number known but not given
- (f) sire’s and dam’s names transposed or incorrect
- (g) breeder joint when should be single, and vice versa

Incorrect Date of Birth

This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

N.B. AGE LIMITS: Kittens – not less than 14 weeks and under 9 calendar months on date of show
Adults – not less than 9 calendar months on date of show

Incorrect Name of Exhibit/Owner/Breeder

If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those, which usually arise:

- EXHIBIT } Totally incorrect name
- REGISTERED } Joint when they should be single and vice versa
- OWNER/EXHIBITOR } Declaration not signed by registered owner(s)
N.B. The exhibitor(s) must be the registered owner(s) of the cat and **not** necessarily the person who actually takes the cat to the show.
- BREEDER } Totally incorrect name or names
N.B. The breeder of a cat is always the registered owner of the dam at the date of the cat’s birth.

Registration/Transfer Not Received by the GCCF 10 Days before the Date of the Show

These entries will be disqualified. Remember, the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF** and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

Transfer of Exhibit from Exhibitor to a New Owner Received by the GCCF More Than 10 Days before the Date of the Show

Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

Incorrect or Ineligibility of Class Entry

These will be disqualified from the class concerned – so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in the Grand, Imperial Grand or Olympian class must have qualified on or before the published closing date of the show and the title must have been claimed in writing.

Exhibitors who enter Grand, Imperial Grand or Olympian classes without claiming the title will be reminded once, but if the title remains unclaimed the cat will be disqualified from this class at subsequent shows.

Cats Registered on the Reference Register

Some cats registered on this Register are not eligible to be shown and, therefore, these entries could be disqualified.

The only exception to this is when a new breed becomes recognised, and then cats of the breed may be shown, even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed at keeping your show entries trouble-free.
