SHOW RULES, PROCEDURES AND REGULATIONS

The show is held under the Rules of The Governing Council of the Cat Fancy and is open to all. A copy of these Rules is obtainable from the GCCF Office at 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG. These Rules must be read by all, for they are not repeated herein, but will be strictly applied. Ignorance of any Rule will not be accepted as excuse of their breach.

The Committee reserve, to themselves, the right to:

- a) Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits at the show.
- c) To accept or refuse exhibit entry without giving reason.
- d) Cancel, amalgamate or divide classes.
- e) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- f) Disqualify cats entered into the wrong classes by exhibitors.
- g) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.
- h) No other animals or pets will be allowed into the Show hall other than exhibiting Cats, Kittens and Neuters.

ELIGIBILITY OF EXHIBITS TO ENTER SHOW

PEDIGREE SECTION: All Cat, Kittens and Neuters of breeds recognised by, and registered with the GCCF, (except those registered on the Reference Register) are eligible for entry in the competition. To be effective for entry all registration and/or transfers must have reached the GCCF Office at least 10 days prior to the show. No Cat or Kittens, entire or neutered, born after 19.10.71, with one or both parents, grandparents or great-grand-parents unregistered shall be eligible for entry into any classes. Cats which are not normally resident with their owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership will also be rejected and clearance may be required for both households

HOUSEHOLD PET SECTION: All unregistered kittens and neuters of unknown or unregistered non-pedigree parentage are eligible for entry in the Non -Pedigree Section. Pedigree or half-pedigree kittens and neuters (registred or otherwise) or cats previously listed as "pedigree lookalikes" are eligible for entry into the Pedigree Pet Section. All Non-Pedigree cats six months of age and over must be neutered.

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS. These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) minor spelling errors
- (b) separation of names that should be one word, and vice versa
- (c) administrative/breeder's prefix omitted from, or partially incorrect name given for exhibit
- (d) overseas title preceding the name of an exhibit, sire or dam, etc.
- (e) full breed number known but not given
- (f) Sire and Dam reversed or named incorrectly
- (g) breeder joint when single and vice versa

INCORRECT DATE OF BIRTH. This is usually classed as a minor spelling error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

NB AGE LIMITS: Kittens - not less than 14 weeks and under 9 calendar months on date of show. Adults - not less than 9 calendar months on date of show

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER. If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT

- Totally incorrect name
- Incomplete Name/unregistered name added
- Totally incorrect name or names

REGISTERED OWNER (EXHIBITOR)

- Joint when they should be single and vice versa
- Declaration not signed by registered owner(s)

N.B. The exhibitor(s) must be the the registered owner(s) of the cat and **not** necessarily the person who actually takes the cat to the show

BREEDER

- Totally incorrect name or names

N.B. The breeder of a cat is **always** the registered owner of the dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 10 DAYS BEFORE THE DATE OF THE SHOW: These entries will be disqualified. Remember the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF** and if you enclose your own stamped addressed acknowledgement card with your application form, this will be stamped with the GCCF office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 10 DAYS BEFORE THE DATE OF THE SHOW. Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

IINCORRECT CLASS ENTRY. These will be disqualified from the class concerned — so always check with the Show Manager if in doubt about which classes to enter. If a breed number is changed officially, it is important that you notify the show Manager immediately.

CAT REGISTERED ON THE REFERENCE REGISTER. No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified.

The only exception to this is when a new breed becomes recognised: and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

ON ARRIVAL AT THE SHOW

Exhibits will be received at the entrance of the show hall from 7.45 am until 9.30 am on the morning of the show. **Exhibits must be brought to the show in a suitable, secure container, (top opening recommended) accompanied by their owner or the owners agent. If a cat cannot be easily removed from its carrier it will not be vetted in or judged for Best In Show.**

Each exhibit will be examined by the Honorary Veterinary Surgeons, who are authorised to exclude any exhibit they consider unfit. No exhibit may be penned before being examined. Vetting In Slips and exhibitors' passes will be issued at vetting in.

Exhibits must have clean ears and coats free from pests. No pregnant or lactating queen, nor queen who has kittened within 12 weeks of this show may be exhibited. No exhibit that has been declawed will be accepted, neither will male cats which are either monorchid or cryptorchid.

Unfit exhibits must be removed by their owners and payment forfeited. If in the Vet Surgeon's opinion it is desirable, all other exhibits from the same cattery/owner thereof shall be debarred from attending the show. **The Veterinary Surgeon's decision is final**

VETERINARY LETTERS

in the past, cats showing signs of skin lesions may have been allowed entry to the show on production of a letter from their Veterinary Surgeon stating the origin of the lesion, subject to the agreement of the Duty Vet. THIS IS NO LONGER APPLICABLE. Such letters are no longer accepted and any exhibitor presenting a cat with lesions indicative of ringworm are likely to be rejected. The GCCF Veterinary Officer recommends exhibitors do not take a cat to a show if it has any such lesion, however small.

SHOW RULES, PROCEDURES AND REGULATIONS

The show is held under the Rules of The Governing Council of the Cat Fancy and is open to all. A copy of these Rules is obtainable from the GCCF Office at 5 Kings Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG. These Rules must be read by all, for they are not repeated herein, but will be strictly applied. Ignorance of any Rule will not be accepted as excuse of their breach.

The Committee reserve, to themselves, the right to:

- a) Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits at the show.
- c) To accept or refuse exhibit entry without giving reason.
- d) Cancel, amalgamate or divide classes.
- e) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- f) Disqualify cats entered into the wrong classes by exhibitors.
- g) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.
- h) No other animals or pets will be allowed into the Show hall other than exhibiting Cats, Kittens and Neuters.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, **printing** the details carefully to avoid any misinterpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form — then, when you receive registration details and number, check these against the entry form and notify the Show Manager(s) in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager(s) should attach your letter to your entry form which will save unnecessary notification of discrepancies when the show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day); such a change must not be a change of exhibit.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager(s) whether using one entry form is acceptable or not and, if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager(s) for each owner to use separate entry forms, but joint owners of an exhibit/ exhibits should always use the same form and **both must sign**.

NEW CLASS STRUCTURE

As of 1st June 2011, new rules for entering classes at shows now apply to all exhibits.

All exhibits must enter the class appropriate for the certificate level they are at.

Untitled exhibits enter the Breed Class and compete for a CC or PC. Cats with the Champion/ Premier title will enter the Breed Class for Best of Breed only AND then the Champion/ Premier Class to compete for that certificate.

Cats with the Grand Champion/Grand Premier title will enter the Breed Class for Best of Breed only AND then the Imperial Grand Champion/Imperial Grand Premier Class to compete for that certificate.

Cats already having attained the title of Imperial Grand Champion/Premier will enter the Breed Class for Best of Breed only and the Olympian Imperial Grand Champion/Premier Class to compete for that certificate.

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS. These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) minor spelling errors
- (b) separation of names that should be one word, and vice versa
- (c) administrative/breeder's prefix omitted from, or partially incorrect name given for exhibit (revised 12.1.95)
- (d) overseas title preceding the name of an exhibit, sire or dam, etc.
- (e) full breed number known but not given
- (f) Sire and Dam reversed (revised 5.1.94) or named incorrectly (revised 12.1.95)
- (g) breeder joint when single and vice versa (revised 5.1.94)

INCORRECT DATE OF BIRTH. This is usually classed as a minor spelling error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

NB AGE LIMITS: Kittens - not less than 14 weeks and under 9 calendar months on date of show. Adults - not less than 9 calendar months on date of show

EXHIBIT

- Totally incorrect name
- Incomplete Name/unregistered name added
- Totally incorrect name or names

REGISTERED OWNER

(EXHIBITOR)

- Joint when they should be single and vice versa

N.B. The exhibitor(s) must be the the registered owner(s) of the cat and **not** necessarily the person who actually takes the cat to the show

BREEDER

- Totally incorrect name or names

N.B. The breeder of a cat is **always** the registered owner of the dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 10 DAYS BEFORE THE DATE OF THE SHOW: These entries will be disqualified. Remember the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF** and if you enclose your own stamped addressed acknowledgement card with your application form, this will be stamped with the GCCF office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 10 DAYS BEFORE THE DATE OF THE SHOW. Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

IINCORRECT CLASS ENTRY. These will be disqualified from the class concerned — so always check with the Show Manager if in doubt about which classes to enter. If a breed number is changed officially, it is important that you notify the show Manager immediately. CAT REGISTERED ON THE REFERENCE REGISTER. No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised: and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice is aimed to keep your show entries trouble-free, not to mention the show checking.

ON ARRIVAL AT THE SHOW

Exhibits will be received at the entrance of the show hall from 7.45 am until 9.30 am on the morning of the show. Exhibits must be brought to the show in boxes, baskets or suitable containers, accompanied by their owner/representative.

Each exhibit will be examined by the Honorary Veterinary Surgeons, who are authorised to exclude any exhibit they consider unfit.

No exhibit may be penned before being examined.

Vetting In Slips and exhibitors' passes will be issued at vetting in. **Tallies will not be issued at this show.**

Any cat which cannot be handled safely for examination will be rejected. NB. Exhibitors must to trim their cat's claws, if necessary, prior to the show

All cats exhibited at shows held under GCCF rules must have a current certificate of vaccination against Feline Calicivirus (FCV), Feline Herpes Virus (FHV) and Feline Panleukopenia* (FPV). You will be asked to produce a current vaccination certificate for each exhibit.

The full primary course (first set of vaccinations) in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show.

Booster vaccinations against FCV, FHV and FPV must be given at the manufacturer's recommended intervals. Where a variable interval of 1-3 years for FCV and FHV is recommended the minimum interval applies. ie all cats attending shows MUST receive annual booster vaccination against FCV and FHV.

For Boosters only note: Exhibitors are advised to leave at least a week between a booster vaccination and show attendance to allow the vaccine to take effect and in case of any adverse reaction.* Previously termed Feline Infectious Enteritis

Note that HOMEOPATHIC VACCINATION cannot be accepted.

Exhibits must have clean ears and coats free from pests.

No pregnant or lactating queen, nor queen who has kitted within 12 weeks of this show may be exhibited.

No exhibit that has been declawed will be accepted, neither will male cats which are either monorchid or cryptorchid.

VETERINARY REJECTION

Unfit exhibits must be removed by their owners and payment forfeited. If in the Vet Surgeon's opinion it is desirable, all other exhibits from the same cattery/owner thereof shall be de-barred from attending the show. **The Veterinary Surgeon's decision is final.**

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show managers shall obtain the reasons and accordingly notify the GCCF within 72 hrs. of the show, ensuring that a copy of the rejection form is forwarded to the exhibitors concerned.

The procedure for veterinary clearance is clearly stated in the GCCF Show Rules. However, exhibitors whose cats have been rejected at shows should note the following points:

- a) When sending a Clearance Certificate to the GCCF Veterinary Officer, please include your copy of the rejection slip.
- b) Do not send certificates by recorded delivery as this can cause delays in receipt. If acknowledgement of receipt is required, please enclose a stamped addressed postcard for signature acknowledging receipt.
- c) Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer.

PRESENTATION AND BENCHING OF EXHIBITS

Take pride in presenting your exhibit. Be sure it is comfortable, warm and relaxed. Exhibitors must provide each exhibit with clean, white blankets, (plain woven, not cellular, without distinctive edgings or markings) of reasonable size to lie on (white Vet-bed or like material may be used if preferred), a white food bowl and food, a white water bowl with fresh water and a white sanitary tray, with the exhibit's usual litter. All show equipment can be purchased at the show. Food containers must be removed from the pen before judging commences at 10.00 am and can be returned after 12.30 pm. Water must be left in the pen for the duration of the show. Hot water bottles or heat reflecting material are the only heating devices allowed and must be concealed by the blanket. None of the equipment in competition pens must bear any distinguishing marks.

No written or printed matter of any kind, other than official notices and award cards may be put onto competitive pens, except with the permission of the show managers. "For Sale" notices are not allowed.

EARLY PASSES AND LEAVING THE HALL WITH CATS

Exhibits received into the show hall cannot be removed, without the permission of the show managers, prior to the closure of the show. Failure to observe this rule will lead to disqualification and forfeiture of any prize money and awards won.

There will be no early removal passes issued.

The show closes at 5.00 pm or earlier at the show managers' discretion.

JUDGING AND JUDGES

Judging will commence at 10.00 am and exhibitors will be requested to clear the area of the penning until 12.30 pm, whilst the Certificate Classes are being judged. Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

CORRESPONDENCE

All correspondence must be accompanied by a stamped addressed envelope if a reply is required. Any complaint related to the Show must be forwarded to the Show Managers within seven days of the show. To prevent disappointment it is recommended that exhibitors enclose a stamped addressed postcard with their entries, to be returned as acknowledgement of receipt of entries.

NOTICE OF CHANGE

An announcement in the official media of the GCCF of any alterations or additions made to this schedule or in these regulations shall be deemed sufficient notice.

SHOW WITHDRAWALS AND ALTERATIONS

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show. After this date the cat/s concerned may not be withdrawn, regardless of the circumstances, from the show and the Rule about entering shows within 13 days will apply.

This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full.

There will be no refund of entry fees after closing date. Withdrawal/substitution requests must be received in writing before the closing date. Corrections to your entry form can be made on show day up to the close of the show.

EXHIBITS FOR ASSESSMENT CLASSES

Cats, kittens and neuters of those breeds with Preliminary recognition must enter the appropriate Assessment Class, and up to three applicable Miscellaneous or Club classes. From 1st June, 2011 these are competitive. The cats will be judged and awarded a Merit Certificate if worthy (as previously) and will also be placed against each other. The first prize winner will be eligible for consideration for Best In Show. **PLEASE NOTE:** Exhibitors must provide, with their entry form, a copy of the GCCF approved Standard of Points for each exhibit they are entering into Assessment Classes.

PHOTOGRAPHY

Please note that this show has an "official photographer". No photographs of any exhibit shall be taken without the owner's permission and no flash photography without the Show Managers' permission. If your cat is removed from its pen to be photographed, please ensure that you place a notice to this effect on its pen during its absence to avoid undue distress. If your cat is not in its pen when required by a judge, it will be marked absent and no re-judging will take place.

There will be no filming of any part of the show without the permission of the Show Manager.

INFORMATION FOR EXHIBITORS

Your attention is drawn to the following notes:

Ensure that vaccination certificates are **readily** available at vetting-in **to avoid delay**, are properly completed and clearly indicate the identity of both exhibit & owner to avoid confusion which may result in rejection from the show under Section A of the GCCF Code for Veterinary Inspection.

Please ensure that all cat's claws are trimmed to remove sharp

The use of any product (shampoos, grooming products, stress remedies, etc) which change the cats normal appearance or physical reaction are strictly prohibited under Section 4, Rule 14 (*This includes Skulcap and Valerian Compounds and Rescue Remedy*).

The use of toxic disinfectants, aerosols and sprays within the show hall is prohibited.

The club welcome advertisements but draw to the attention of exhibitors that advertising attendance at future events could lead to disqualification.

Owners are liable for the cost of any veterinary treatments carried out to their cat(s) during their absence from the show hall.

Top-opening carriers are recommended for use at cat shows.

Any cat which cannot be safely removed from its carrier on arrival will not be vetted-in.

Any cat which cannot be safely handled will not be judged for Best in Show.

Cats which are not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.

Cats registered on the Reference Register may not be shown in competition, unless they were registered before their breed had preliminary recognition and are now considered as if registered on the experimental register.

Queens who have kitted within 12 weeks of the show may not be shown.

Any person whose cats have been rejected under sections C & D must not officiate as a judge or a steward nor in any capacity which requires the handling of cats at shows until the GCCF clearance certificate has been obtained.

Cats should not be left in cars during the show.

Your cat may be handled for the purpose of assessing candidates in the GCCF Judge Appointment scheme.

The details on your entry form may be processed by computer and addresses will be published in the catalogue unless requested in writing that this be omitted

Each cat can enter only one certificate class. Exhibitors should check carefully which class is appropriate for their cat. All Adult Classes will be split if the opposite sex is entered.

THE COLOUR GROUP CLASSES:

These are open to all untitled Neuters over nine months. Master Cat Certificates will be awarded to the winners. Titled cats may also be considered with the winners of these classes for Best of Colour/Best of Breed.

MASTER CAT CLASSES:

A cat with the title "Master Cat" should enter in this class and compete for a Grand Master Cat certificate OR they could be entered for Best of Colour/Best of Breed only, but not in competition in the above class.

GRAND MASTER CAT CLASSES:

Cats with a Grand Master Cat title must enter this class and compete for an Imperial Grand Master Cat Certificate OR they could be entered for Best of Colour/Best of Breed only, but not in competition in the above classes.

The above classes are for NON PEDIGREE PETS and also PEDIGREE PETS in two separate sections and will be split Shorthair and Long/Semi-Longhair and for MN or FN as before.
