## SHOW RULES AND REGULATIONS

The show is held under the Rules of The Governing Council of the Cat Fancy and is open to all. A copy of these Rules is obtainable from the GCCF Office at 5 King's Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG, Price £2.50 (post free). These Rules must be read by all, for they are not repeated herein, but will be strictly applied. Ignorance of any Rule will not be accepted as excuse of their breach.

Any exhibitor interfering with or removing any cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit.

The committee reserves the right to :-

- a Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further judges if deemed necessary.
- b. Fix and limit the number of exhibits at the Show and refuse any entry without giving reason.
- c Cancel, amalgamate or divide classes
- d Disqualify cats entered in the wrong classes by the exhibitor.
- e Retain a percentage of the Entry Fees to cover essential expenses in the event of the Show being cancelled for any reason.
- f. The Show Manager, on behalf of the Committee, reserves the right to pass on any charges incurred to Exhibitors whose cheques are returned unpaid or 'Referred to Drawer'. A fee of £10.00 will be charged and entry withdrawn from the show until full payment is made.

### SHOW ENTRY

The exhibitor must complete the entry form as stated on the registration/transfer certificate. **Exhibitors are responsible for the right description of the exhibit and for entering them in the correct classes.** Please do not omit to READ and SIGN the declaration - if joint owners, both MUST sign the form.

### VETTING-IN

Exhibits will be received at the entrance of the Show Hall from 8.00 am until 9.45 am on Show Day where they will be examined by the Club's Hon. Veterinary Surgeons and no exhibit may be penned before being examined.

Vetting-in slips will be given out on the day of the show.

All cats exhibited at shows held under GCCF rules must have a current vaccination certificate against FIE, FVR and FCV ("cat flu"). The full course, or booster, in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show. The certificate must have been issued by a veterinary practice/hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. Cats with an invalid vaccination certificate will be rejected under Section A. Cats unaccompanied by a Vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for that show, by sending the certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office. N.B. A current certificate of vaccination is one which is not more than seven days past the manufacturers recommended interval between boosters. Please note that HOMEOPATHIC VACCINATION cannot be accepted for the purpose of vetting in.

Exhibits must have clean ears and coats free from pests. Any exhibit rejected by the Veterinary Surgeon must be removed by its owners, and Entry Fees are forfeited. If, in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same cattery and the owner, shall be debarred from attending the Show. **THE VETERINARY SURGEON'S DECISION IS FINAL.**

## **VETERINARY CLEARANCE CERTIFICATES**

Exhibitors whose cats have been rejected at Shows please note the following points:-

1. When sending your Clearance Certificate to the Veterinary Officer please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped self addressed postcard for acknowledgement of receipt and this will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

## **WITHDRAWAL FROM CAT SHOWS**

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show; after this date the cats concerned may not be withdrawn from the catalogue of the Show and the 13-day Rule about entering two shows within 13 days will apply. Show Managers may be prepared to return part entry fees if the cat is not present at the Show but the entry in the catalogue must not be withdrawn. This ruling does not prevent Show Managers from returning entries after the closing date of the Show if they are unable to accept them into the Show because the Show is full.

## **JUDGES**

Judges are empowered to withhold any Prize or Championship in any Class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judges' award slips, not from the catalogue or award cards. A Judge's decision is final.

## **GENERAL GUIDELINES FOR ENTERING SHOW**

Where possible always complete your entry form from the GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, PRINTING the details carefully to avoid any misinterpretation of your handwriting. If you have not received your registration document at the time of entry, complete the Show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF, (Registration Applied For) or TAF (Transfer Applied For) or both in the Registered No. Box. It is wise to enclose a stamped, self addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for Show, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form, then, when you receive registration details and number, check these against the entry form and NOTIFY THE SHOW MANAGER IN WRITING of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that Show is checked. All catalogue errors are checked against the original entry form and any exhibitor's letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of Show (on Show day); such a change must not be a change of exhibit.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that family / household, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate VERY CLEARLY which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit / exhibits should always use the same form and BOTH MUST SIGN.
