

Supreme Cat Show October NEC 2019

Access Arrangements:-

We have been advised by the NEC that they have recently put additional security equipment and enhanced search procedures in place, for the benefit and safety of their exhibitors and visitors. As a result, public access to Halls 17 & 18 will be by Atrium Entrance 3 only and the doors opposite Halls 17 and 18 will not be used.

To ensure that our exhibitors are not inconvenienced by this change, we have arranged that exhibitors and all of those working at the show can gain access to the halls between 07.00 and 09.00 by door 17.3, which is on the side of Hall 17, towards the rear of the hall.

Vetting in will take place within the hall and will be closer to the cat pens.

All access after 09.00 will be through Atrium Entrance 3.

Car parking arrangements are as in previous years, access by Gate 5 and parking in North Car Parks 2 – 7. Disabled parking will be inside Hall 16. Please be aware you must have your blue badge with you.

Further details will be provided with your entry passes and pre-show information.

COTY Awards Presentation and Pre Supreme Dinner:-

We still have a small number of available spaces for dinner at the hotel prior to the Supreme on the evening of Friday 25th October. This is also the Awards Presentation dinner for the COTY 2018/19 season. The cost is £30 for 3 courses; if anyone is interested in attending please contact John Hansson at hansson808@btinternet.com for further details.

John Hansson – Hotel Query:-

I was approached at the West of England in regard to the possibility of having a room at the hotel, I have unfortunately lost the details of the person concerned, so again please contact me as above and I will discuss this with you.
